26 809.440. [*This section establishes hearing and administrative review procedures to be followed*
27 *when the Department of Transportation is required to provide a hearing or an administrative review*
28 *of an action.*]

29 (1) When other procedures described under this section are not applicable to a suspension or
30 revocation under ORS 809.409 to 809.423, the procedures described in this subsection shall be ap-
31 plicable. All of the following apply to this subsection:

32 (a) The hearing shall be given before the department imposes the suspension or revocation of
33 driving privileges [*or continues, modifies or extends a suspension or revocation*].

34 (b) Before the hearing, the department shall notify the person in the manner described in ORS
35 809.430.

36 (c) The hearing shall be in the county where the person resides unless the person and the de-
37 partment agree otherwise.

38 [*(d) Upon such hearing, the department, good cause appearing therefor, may impose, continue,*
39 *modify or extend the suspension or revocation of the driving privileges.*]

40 [*(e)*] (d) The hearing shall be conducted by an administrative law judge assigned from the Office
41 of Administrative Hearings established under ORS 183.605.

42 (2) The following apply when administrative review is provided under any statute or rule of the
43 department:

44 (a) An administrative review shall consist of an informal administrative process to assure
45 prompt and careful review by the department of the documents upon which an action is based.

1 (b) It shall be a defense to the department's action if a petitioner can establish that:

2 (A) A conviction on which the department's action is based was for an offense that did not in-
3 volve a motor vehicle and the department's action is permitted only if the offense involves a motor
4 vehicle.

5 (B) An out-of-state conviction on which the department's action is based was for an offense that
6 is not comparable to an offense under Oregon law.

7 (C) The records relied on by the department identify the wrong person.

8 (c) A person requesting administrative review has the burden of showing by a preponderance
9 of the evidence that the person is not subject to the action.

10 (d) Actions subject to administrative review shall be exempt from the provisions of ORS chapter
11 183 applicable to contested cases, and from the provisions of subsection (4) of this section applicable
12 to post-imposition hearings. A suspension, revocation or cancellation shall not be stayed during the
13 administrative review process or by the filing of a petition for judicial review. A court having ju-
14 risdiction may order the suspension, revocation or cancellation stayed pending judicial review.

15 (e) Judicial review of a department order affirming a suspension or revocation after an admin-
16 istrative review shall be available as for review of orders other than contested cases, and the de-
17 partment may not be subject to default for failure to appear in such proceedings. The department
18 shall certify its record to the court within 20 days after service upon the department of the petition
19 for judicial review.

20 (f) If the suspension or revocation is upheld on review by a court, the suspension or revocation
21 shall be [*imposed*] **ordered** for the length of time appropriate under the appropriate statute except
22 that the time shall be reduced by any time prior to the determination by the court that the sus-
23 pension or revocation was in effect and was not stayed.

24 (g) The department shall adopt any rules governing administrative review that are considered
25 necessary or convenient by the department.

26 (3) When permitted under this section or under any other statute, a hearing may be expedited
27 under procedures adopted by the department by rule. The procedures may include a limited time in
28 which the person may request a hearing, requirements for telephone hearings, expedited procedures
29 for issuing orders and expedited notice procedures.

30 (4) When permitted under ORS [*809.409 to 809.423*] **809.413, 809.417, 809.419 or 809.421**, a hear-
31 ing may be a post-imposition hearing under this subsection. A post-imposition hearing is a hearing
32 that occurs after the department imposes the suspension or revocation of driving privileges [*or*
33 *continues, modifies or extends a suspension or revocation*]. All of the following apply to this sub-
34 section:

35 (a) The department must provide notice in the manner described in ORS 809.430 before the
36 suspension or revocation may take effect.

37 (b) Except as provided in this subsection, the hearing shall be conducted as a contested case in
38 accordance with ORS chapter 183.

39 (c) Unless there is an agreement between the person and the department that the hearing be
40 conducted elsewhere, the hearing shall be held either in the county where the person resides or at
41 any place within 100 miles, as established by the department by rule.

42 (5) The department has complied with a requirement for a hearing or administrative review if
43 the department has provided an opportunity for hearing or review and the person with the right to
44 the hearing or review has not requested it. Any request for hearing or review must be made in
45 writing.

1 (6) For any hearing described under this section, and for administrative review described under
2 this section, no further notice need be given by the department if the suspension or revocation is
3 based upon a conviction and the court gives notice, in a form established by the department, of the
4 rights to a hearing or review and of the suspension or revocation.

5 **SECTION 17.** ORS 813.606 is amended to read:

6 813.606. Notwithstanding ORS 813.604, if a person is required, in the course and scope of the
7 person's employment, to operate a motor vehicle owned by the person's employer, the person may
8 operate that vehicle without installation of an ignition interlock device if:

9 (1) The employer has been notified:

10 (a) That the employee is operating with a hardship permit restricted as provided in ORS
11 813.604; *[or]*

12 (b) **That** the employee is operating on a fully reinstated license within the first *[six months]*
13 **year** following suspension or revocation for **the employee's first conviction of** driving while under
14 the influence of intoxicants; *[and]* **or**

15 (c) **That the employee is operating on a fully reinstated license within the second year**
16 **following suspension or revocation for the employee's second or subsequent conviction of**
17 **driving while under the influence of intoxicants; and**

18 (2) The employee has proof of the notification or fully reinstated license in the possession of the
19 employee while operating the employer's vehicle in the course of employment.

20 **SECTION 18.** ORS 153.090 is amended to read:

21 153.090. (1) Judgments entered under this chapter may include:

22 (a) Imposition of a sentence to pay a fine;

23 (b) Costs, assessments and restitution authorized by law;

24 (c) A requirement that the fine, costs, assessments and restitution, if any, be paid out of any
25 base fine;

26 (d) Remission of any balance of a base fine to the defendant or to any other person designated
27 by the defendant; and

28 (e) Any other provision authorized by law.

29 (2) Notwithstanding ORS 137.106, if the court orders restitution in a default judgment entered
30 under ORS 153.102, a defendant may allege an inability to pay the full amount of monetary sanctions
31 imposed, including restitution, and request a hearing to determine whether the defendant is unable
32 to pay or to establish a payment schedule by filing a written request with the court within one year
33 after the entry of the judgment. The court shall set a hearing on the issue of the defendant's ability
34 to pay upon receipt of the request and shall give notice to the district attorney. The district attor-
35 ney shall give notice to the victim of the date, time and place of the hearing. The court may deter-
36 mine a payment schedule for monetary sanctions imposed, including restitution ordered under this
37 subsection, if the defendant establishes at the hearing that the defendant is unable to pay the or-
38 dered restitution in full.

39 (3) If a trial is held in a violation proceeding, or a default judgment is entered against the de-
40 fendant under ORS 153.102, the court may impose any fine within the statutory limits for the vio-
41 lation. If a defendant pleads no contest under ORS 153.061 (3)(b), or pleads guilty under ORS 153.061
42 (3)(c), and the court accepts the plea and enters judgment against the defendant, the amount of the
43 fine imposed against the defendant by the court may not exceed the amount of the base fine estab-
44 lished for the violation under ORS 153.125 to 153.145.

45 (4) A judge may suspend operation of any part of a judgment entered under this chapter upon

1 condition that the defendant pay the nonsuspended portion of a fine within a specified period of
2 time. If the defendant fails to pay the nonsuspended portion of the fine within the specified period
3 of time, the suspended portion of the judgment becomes operative without further proceedings by the
4 court and the suspended portion of the fine becomes immediately due and payable.

5 (5) The court may not [*recommend a suspension of*] **issue notice to the Department of**
6 **Transportation to suspend** the defendant's driving privileges unless a trial has been required. The
7 failure of the defendant to appear at the trial does not prevent the court from [*recommending sus-*
8 *pension of*] **issuing notice to the department to suspend** the defendant's driving privileges.

9 (6) Entry of a default judgment under ORS 153.102 does not preclude the arrest and prosecution
10 of the defendant for the crime of failure to appear in a violation proceeding under ORS 153.992.

11 (7) If a person holds a commercial driver license, a court may not defer entry of a judgment or
12 allow an individual to enter into a diversion program that would prevent a conviction for a traffic
13 offense from appearing on the driving record of the holder. This subsection applies to all traffic of-
14 fenses, whether committed while driving a motor vehicle or a commercial motor vehicle, but does
15 not apply to parking violations. For purposes of this subsection, a person holds a commercial driver
16 license if on the date of the commission of the offense the person holds a commercial driver license
17 issued by the department [*of Transportation*] or the licensing agency of another jurisdiction that is:

18 (a) Not expired or if expired, expired less than one year; or

19 (b) Suspended, but not canceled or revoked.

22 (a) Being less than a certain, specified age, the person knowingly purports to be of any age other
23 than the true age of the person with the intent of securing a right, benefit or privilege which by law
24 is denied to persons under that certain, specified age; or

25 (b) Being unmarried, the person knowingly represents that the person is married with the intent
26 of securing a right, benefit or privilege which by law is denied to unmarried persons.

27 (2) Misrepresentation of age by a minor is a Class C misdemeanor.

28 (3) In addition to and not in lieu of any other penalty established by law, a person who, using
29 a driver permit or license or other identification issued by the Department of Transportation of this
30 state or its equivalent in another state, commits the crime of misrepresentation of age by a minor
31 in order to purchase or consume alcoholic liquor may be required to perform community service and
32 the court shall order that the person's driving privileges and right to apply for driving privileges
33 be suspended for a period not to exceed one year. If a court has issued an order [*denying*] **sus-**
34 **pending** driving privileges under this section, the court, upon petition of the person, may withdraw
35 the order at any time the court deems appropriate. The court notification to the department under
36 this subsection may include a recommendation that the person be granted a hardship permit under
37 ORS 807.240 if the person is otherwise eligible for the permit.

38 (4) The prohibitions of this section do not apply to any person acting under the direction of the
39 Oregon Liquor Control Commission or under the direction of state or local law enforcement agen-
40 cies for the purpose of investigating possible violations of laws prohibiting sales of alcoholic
41 beverages to persons who are under a certain, specified age.

42 (5) The prohibitions of this section do not apply to a person under the age of 21 years who is
43 acting under the direction of a licensee for the purpose of investigating possible violations by em-
44 ployees of the licensee of laws prohibiting sales of alcoholic beverages to persons who are under the
45 age of 21 years.

1 **SECTION 20.** ORS 167.401 is amended to read:

2 167.401. (1) Except as provided in subsection (4) of this section, no person under 18 years of age
3 shall purchase, attempt to purchase or acquire tobacco products as defined in ORS 431.840. Except
4 when such minor is in a private residence accompanied by the parent or guardian of the minor and
5 with the consent of such parent or guardian, no person under 18 years of age shall have personal
6 possession of tobacco products.

7 (2) Any person who violates subsection (1) of this section commits a violation.

8 (3)(a) In lieu of any other penalty established by law, a person who is convicted for the first time
9 of a violation of subsection (1) of this section may be ordered to participate in a tobacco education
10 program or a tobacco use cessation program or to perform community service related to diseases
11 associated with consumption of tobacco products. A person may be ordered to participate in such
12 a program only once.

13 (b) In addition to and not in lieu of any other penalty established by law, a person who is con-
14 victed of a second violation of subsection (1) of this section through misrepresentation of age may
15 be required to participate in a tobacco education or a tobacco use cessation program or to perform
16 community service related to diseases associated with the consumption of tobacco products, and the
17 court shall order that the person's driving privileges and right to apply for driving privileges be
18 suspended for a period not to exceed one year. If a court has issued an order [*denying*] **suspending**
19 driving privileges under this subsection, the court, upon petition of the person, may withdraw the
20 order at any time the court deems appropriate. The court notification to the Department of Trans-
21 portation under this subsection may include a recommendation that the person be granted a hard-
22 ship permit under ORS 807.240 if the person is otherwise eligible for the permit.

23 (4) A minor acting under the supervision of an adult may purchase, attempt to purchase or ac-
24 quire tobacco products for the purpose of testing compliance with a federal law, state statute, local
25 law or retailer management policy limiting or regulating the delivery of tobacco products to minors.

26 **SECTION 21.** ORS 471.430 is amended to read:
