The department shall require at least one document to verify the address of an applicant for issuance of an identification card in addition to other documents the department may require of the applicant. If the address of an applicant has changed since the last time an identification card was issued to or renewed for the applicant, the department shall require proof to verify the address of the applicant for renewal of an identification card, in addition to anything else the department may require.

(4) Every identification card shall be issued upon the standard license form described under ORS 807.110 and shall bear a statement to the effect that the identification card is not a license or any other grant of driving privileges to operate a motor vehicle and is to be used for identification purposes only. The department shall use the same security procedures, processes, materials and features for an identification card as are required for a license under ORS 807.110. The identification card is not required to contain the residence address of persons listed in ORS 807.110 (1)(e).

(5) If the identification card is a limited term identification card issued under ORS 807.730, the limited term identification card shall indicate:

(a) That it is a limited term identification card; and

(b) The date on which the limited term identification card expires.

(6) Upon order of the juvenile court, the department shall include on the card the fact that the person issued the identification card is an emancipated minor.

(7) Upon request of the person to whom the identification card is issued and presentation of proof, as determined by the department, that the person is a veteran, as defined in ORS 408.225, the department shall include on the card the fact that the person is a veteran.

(8) Each original identification card shall expire on a date consistent with the expiration dates of licenses as set forth in ORS 807.130.

(9) Identification cards shall be renewed under the terms for renewal of licenses as set forth in ORS 807.150.

(10) The fee for an original identification card or a renewal thereof shall be the fee established under ORS 807.410.

(11) An identification card becomes invalid if the holder of the card changes the holder's residence address from that shown on the identification card and does not provide the department with notice of the change as required under ORS 807.420.

(12) If a person to whom an identification card was issued and who changes the person's residence address appears in person at a department office that issues identification cards, the department may do any of the following:

(a) Issue a replacement identification card containing the new address upon receipt of the old identification card and payment of the fee established for issuing a replacement identification card with a changed address under ORS 807.410. Except as otherwise provided in subsection (14) of this section, the replacement identification card shall bear the same distinguishing number as the card being replaced.

(b) Note the new address on the old identification card in a manner to be determined by the department by rule.

(13) An identification card becomes invalid if the holder of the card changes the holder's name from that shown on the card, including a change of name by marriage, without providing the department with notice of the change as required under ORS 807.420. (15) If a person furnishes proof that the person is a veteran, as defined in ORS 408.225, and the person's identification card does not include the fact that the person is a veteran, the department shall issue a replacement identification card that includes the fact that the person is a veteran.

(16) The department may establish by rule reasons for issuing replacement identification cards that are in addition to the reasons identified in subsections (12) to (15) of this section. The fee for a replacement identification card is provided under ORS 807.410.

(17) Upon cancellation of an identification card, the card is terminated and must be surrendered to the department. An identification card may be canceled for any of the reasons that driving privileges or a driver license may be canceled under ORS 809.310. The department may reissue an identification card canceled under this subsection when the applicant has satisfied all requirements for the identification card.

(18) Notwithstanding any other provision of this section, the department may issue an identification card to a person under this subsection without charge when the person surrenders the person's driver license or driver permit to the department for reasons described in this subsection. If the department issues an identification card under this subsection, the identification card shall expire at the same time as the surrendered driver license or driver permit would have expired. An identification card issued under this subsection is subject to the same requirements and fees for renewal or upon expiration as any other identification card issued under this section. The department may issue identification cards under this subsection for any of the following reasons:

(a) The person voluntarily surrenders the person's driver license or driver permit to the department based upon the person's recognition that the person is no longer competent to drive.

(b) The person's driving privileges are suspended under ORS 809.419 (1). This paragraph only applies if the person voluntarily surrenders the person's driver license or driver permit to the department as provided under ORS 809.500.

(2) The department may issue an applicant temporary identification card to an applicant while the department is determining all facts relative to the application for an identification card.

(3) An applicant temporary identification card is valid for a period of 30 days from the date issued. The department may extend the term of the applicant temporary identification card for sufficient cause. An extension of the term of the applicant temporary identification card may not exceed an additional 30 days.

(4) Notwithstanding section 11, chapter 775, Oregon Laws 2005, if an applicant has complied with all the requirements for an application for an identification card, except that the applicant is unable to produce the documentation required by the department under ORS 807.021 and 807.730, the department, at the time of application, may issue to the applicant an applicant temporary identification card as provided in this section if the applicant certifies that the applicant is, to the best of the applicant's knowledge, legally present in the United States.

(5) An applicant temporary identification card issued to an applicant under subsection (4) of this section is valid for a period of 90 days from the date issued. The department may extend the term of the permit **up to two times** for sufficient cause. [An] **Each** extension of the term of the permit may not exceed [an additional 60] **90** days.
