

# House Bill 2320

Sponsored by Representative BARNHART; Representatives READ, J SMITH (Pre-session filed.)

## SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure **as introduced**.

Requires that state agency making documents available in electronic form make documents available in formats used by two most commonly used proprietary operating systems and most commonly used nonproprietary operating system.

## A BILL FOR AN ACT

1  
2 Relating to electronic document formats.

3 **Be It Enacted by the People of the State of Oregon:**

4 **SECTION 1. (1) At least once every two years, the Oregon Department of Administrative**  
5 **Services shall determine the approximate number of desktop and laptop computers in the**  
6 **United States using proprietary and nonproprietary operating systems, and the relative per-**  
7 **centage of each operating system compared to all operating systems in use on desktop and**  
8 **laptop computers in the United States. Based on the determinations made under this sub-**  
9 **section, the department shall identify the most commonly used proprietary and nonproprie-**  
10 **tary operating systems used on desktop and laptop computers.**

11 **(2) Whenever a state agency makes a document available in electronic form, the docu-**  
12 **ment must be made available in electronic document formats used by programs running on**  
13 **at least the two most commonly used proprietary operating systems, and programs running**  
14 **on the most commonly used nonproprietary operating system, as determined by the depart-**  
15 **ment under subsection (1) of this section.**
