NOTE: Matter in **boldfaced** type in an amended section is new; matter [*italic and bracketed*] is existing law to be omitted. New sections are in **boldfaced** type.

- 1 (a) State the name of the physician assistant;
- 2 (b) If the applicant is a supervising physician organization:
 - 3 (A) State the names of all supervising physicians; and
 - 4 (B) State the name of the primary supervising physician required by subsection (5) of this section;
- 5 (c) Describe the manner and extent to which the physician assistant's services would be used and supervised;
- 6 (d) Include a practice description that provides for the maintenance of direct, verbal communication between the physician assistant and one or more supervising physicians either in person or by means described in ORS 677.515 (4);
- 7 (e) State the education, training and experience of the physician assistant; and
- 8 (f) Provide such other information in such a form as the board may require.
- 9 (3) The board may approve or reject an application, or it may modify the proposed use of the services of the physician assistant and approve the application as modified. The board may not require that a supervising physician be physically present at all times.
- 10 (4) A supervising physician organization shall provide the board with a list of the supervising physicians in the supervising physician organization. The supervising physician organization shall continually update the list and notify the board of any changes.
- 11 (5) A supervising physician organization shall designate a primary supervising physician and notify the board in the manner prescribed by the board.
- 12 (6) When it appears to the board that the services of a physician assistant are being used in a manner inconsistent with the approval granted, the board may withdraw its approval. If a hearing is requested by the supervising physician, the supervising physician organization or the physician assistant upon the rejection of an application or upon the withdrawal of an approval, a hearing shall be conducted in accordance with ORS 677.200.
- 13 (7) A supervising physician may have a different specialty from the physician assistant.
- 14 (8)(a) A supervising physician organization may supervise any number of physician assistants. The board may not adopt rules limiting the number of physician assistants that a supervising physician organization may supervise.
- 15 (b) A physician assistant who is supervised by a supervising physician organization may be supervised by any of the supervising physicians in the supervising physician organization.
- 16 (9) If a physician assistant is not supervised by a supervising physician organization, the physician assistant may be supervised by no more than four supervising physicians. A supervising physician who is not acting as part of a supervising physician organization may supervise four physician assistants. A supervising physician who is not acting as part of a supervising physician organization may designate a physician to serve as the agent of the supervising physician for a predetermined period of time.
- 17 (10) The board may review and approve applications from physicians serving federally designated underserved populations, or physicians in federally designated health professional shortage areas, federally designated medically underserved areas or areas designated as medically disadvantaged and in need of primary health care providers by the Director of the Oregon Health Authority or the Office of Rural Health to supervise more than four physician assistants, and applications from physician assistants to be supervised by more than four physicians.
- 18 (11) A physician assistant may render services in an emergency room and other hospital settings, a nursing home, a corrections institution and any site included in the practice description.

1 [(11) A licensed physician assistant may make application to the board for emergency drug dis-
2 pensing authority. The board shall consider the criteria adopted by the Physician Assistant Committee
3 under ORS 677.545 (4) in reviewing the application. Such emergency dispensing shall be of drugs
4 prepared or prepackaged by a licensed pharmacist, manufacturing drug outlet or wholesale drug outlet
5 authorized to do so under ORS chapter 689.]

6 (12) A physician assistant for whom an application under this section has been approved by the
7 board on or after January 2, 2006, shall submit to the board, within 24 months after the approval,
8 documentation of completion of:

9 (a) A pain management education program approved by the board and developed in conjunction
10 with the Pain Management Commission established under ORS 409.500; or

11 (b) An equivalent pain management education program, as determined by the board.

12 **SECTION 4.** ORS 677.515, as amended by section 4, chapter 43, Oregon Laws 2010, is amended
13 to read:

14 677.515. (1) This chapter does not prohibit a person from rendering medical services:

15 (a) If the person has satisfactorily completed an educational program for physician assistants
16 approved by the Oregon Medical Board;

17 (b) If the services are rendered under the supervision and control of a supervising physician or
18 supervising physician organization and the use of the physician assistant's services has been ap-
19 proved by the board as provided by ORS 677.510; and

20 (c) If the person is licensed as a physician assistant as provided by ORS 677.495 and 677.505 to
21 677.525.

22 (2) This chapter does not prohibit a student enrolled in an approved program for educating
23 physician assistants from rendering medical services if the services are rendered in the course of
24 the program.

25 (3) Notwithstanding subsections (1) and (2) of this section, the degree of independent judgment
26 that a physician assistant may exercise shall be determined by the supervising physician, or super-
27 vising physician organization, and the physician assistant in accordance with a practice description
28 approved by the board.

29 (4) A physician assistant may provide medical services to patients in a setting where a super-
30 vising physician does not regularly practice if the following conditions exist:

31 (a) Direct communication between the physician assistant and one or more supervising physi-
32 cians either in person or by telephone, radio, radiotelephone, television or similar means is main-
33 tained; and

34 (b) The medical services provided by the physician assistant are reviewed by a supervising
35 physician or supervising physician organization on a regularly scheduled basis as determined by the
36 board.

37 (5) A supervising physician, upon the approval of the board and in accordance with the rules
38 established by the board, may delegate to the physician assistant the authority [*to administer and*
39 *dispense limited emergency medications and*] to prescribe medications pursuant to this section and
40 ORS 677.535 to 677.545. [*Neither*] The board [*nor*] **and** the Physician Assistant Committee [*shall*]
41 **may not** limit the privilege of administering, dispensing and prescribing to population groups
42 federally designated as underserved, or to geographic areas of the state that are federally designated
43 health professional shortage areas, federally designated medically underserved areas or areas des-
44 ignated as medically disadvantaged and in need of primary health care providers by the Director
45 of the Oregon Health Authority or the Office of Rural Health. All prescriptions written pursuant to

1 this subsection *[shall]* **must** bear the name, office address and telephone number of the supervising
 2 physician.

3 (6) Nothing in this chapter is intended to require or prohibit a physician assistant from prac-
 4 ticing in a hospital licensed pursuant to ORS 441.015 to 441.089.

5 (7) Prescriptions for medications prescribed by a physician assistant in accordance with this
 6 section and ORS 475.005, 677.010, 677.500, 677.510 and 677.535 to 677.545 and dispensed by a licensed
 7 pharmacist may be filled by the pharmacist according to the terms of the prescription, and the filling
 8 of such a prescription shall not constitute evidence of negligence on the part of the pharmacist if
 9 the prescription was dispensed within the reasonable and prudent practice of pharmacy.

10 **SECTION 5.** ORS 677.545, as amended by section 7, chapter 43, Oregon Laws 2010, is amended
 11 to read:

12 677.545. The Physician Assistant Committee shall:

13 (1) Review all applications for physician assistants' licensure and for renewal thereof.

14 *[(2) Review applications of physician assistants for dispensing privileges.]*

15 *[(3)]* (2) Recommend approval or disapproval of applications submitted under subsection (1) *[or*
 16 *(2)]* of this section to the Oregon Medical Board.

17 *[(4) Recommend criteria to be used in granting dispensing privileges under ORS 677.515.]*

18 *[(5)]* (3) Recommend the formulary for prescriptive privileges that may include all or parts of
 19 Schedules II, III, IV and V controlled substances and the procedures for physician assistants,
 20 supervising physicians and supervising physician organizations to follow in exercising the
 21 prescriptive privileges.

22 *[(6)]* (4) Recommend the approval, disapproval or modification of the application for prescriptive
 23 privileges for any physician assistant. An application for Schedule II controlled substances
 24 prescriptive privileges must be submitted to the Oregon Medical Board by the physician assistant's
 25 supervising physician or supervising physician organization and must be accompanied by the prac-
 26 tice description of the physician assistant. The Schedule II controlled substances prescriptive privi-
 27 leges of a physician assistant *[shall be]* **are** limited by the practice description approved by the
 28 board and may be restricted further by the supervising physician or supervising physician organ-
 29 ization at any time. The supervising physician or supervising physician organization shall notify the
 30 physician assistant and the board of any additional restrictions imposed by the supervising physician
 31 or supervising physician organization, and the practice description on file with the board shall be
 32 amended to reflect the additional restrictions imposed. To be eligible for Schedule II controlled
 33 substances prescriptive privileges, a physician assistant must be certified by the National Commis-
 34 sion on Certification of Physician Assistants and must complete all required continuing medical ed-
 35 ucation coursework.
