18 **“(3) When the superintendent determines that a person committed to a state hospital**  
19 **under ORS 161.315 to 161.351 has met the clinical goals set for the person and no longer re-**  
20 **quires hospital care, the superintendent shall notify the Psychiatric Security Review Board**  
21 **and the Oregon Health Authority of that determination.**

22 **“(4) If a preconditional release plan or a predischarge plan has not been completed on the**

29 **“161.336. (1)(a) If the Psychiatric Security Review Board determines that the person presents a**  
30 **substantial danger to others but can be adequately controlled with supervision and treatment if**  
31 **conditionally released and that necessary supervision and treatment are available, the board may**  
32 **order the person conditionally released[.].**

33 **“(b) When the superintendent, as defined in section 1 of this 2011 Act, notifies the board**

8 those supervisory orders of the board as are in the best interests of justice, the protection of society  
9 and the welfare of the person. The board may designate any person or state, county or local agency  
10 the board considers capable of supervising the person upon release, subject to those conditions as  
11 the board directs in the order for conditional release. Prior to the designation, the board shall notify  
12 the person or agency to whom conditional release is contemplated and provide the person or agency

14 the person or agency designated shall assume supervision of the person pursuant to the direction  
15 of the board.

16 **“(2) Conditions of release contained in orders entered under this section may be modified from**  
17 **time to time and conditional releases may be terminated by order of the board as provided in ORS**  
18 **161.351.**

19 **“(3) For purposes of this section, a person affected by a mental disease or defect in a state of**

31 **board.**

32 **“(c) Whenever treatment is provided by the facility, it shall furnish reports to the board on a**  
33 **regular basis concerning the progress of the person.**

34 **“(d) Copies of all reports submitted to the board pursuant to this section shall be furnished to**

37 **“(e) The facility shall comply with any other conditions of release prescribed by order of the**

41 **the mental health of the individual has changed, the board or its chairperson may order the person**  
42 **[returned for evaluation or treatment to a state hospital designated by the Oregon Health Authority if**  
43 **the person is at least 18 years of age, or to a secure intensive community inpatient facility designated**  
44 **by the authority] placed in a residential facility or, if the person is under 18 years of age, placed**  
45 **in a secure intensive community inpatient facility, designated by the Oregon Health Au-**

1 **thority.** A written order of the board, or its chairperson on behalf of the board, is sufficient warrant  
2 for any law enforcement officer to take into custody such person and transport the person accord-  
3 ingly. A sheriff, municipal police officer, constable, parole and probation officer, prison official or  
4 other peace officer shall execute the order, and the person shall be *[returned as soon as practicable*  
5 *to the custody of the authority]* **transported to the facility designated in the order as soon as**

8 **treatment to a person on conditional release, any peace officer or any person responsible for**  
9 **the supervision of a person on conditional release may take a person on conditional release**

11 **to believe that the person is a substantial danger to others because of mental disease or**  
12 **defect and that the person is in need of immediate care, custody or treatment. Any person**  
13 **taken into custody pursuant to this paragraph shall be transported as soon as practicable**  
14 **to a residential facility or, if the person is under 18 years of age, to a secure intensive com-**  
15 **munity inpatient facility, designated by the Oregon Health Authority.**

16 “(c) **When a person is placed in a residential facility or a secure intensive community**  
17 **inpatient facility under this subsection, the board shall order an evaluation of the person.**

18 “(d) Within 20 days following the *[return of the person to the custody of the authority]* **placement**  
19 **of the person in a residential facility or a secure intensive community inpatient facility,** the  
20 board shall conduct a hearing. Notice of the time and place of the hearing shall be given to the  
21 person, the attorney representing the person and the Attorney General. The board *[may]* **shall** con-  
22 tinue the person on conditional release *[or, if it]* **if the evaluation ordered under paragraph (c)**  
23 **of this subsection indicates that the person does not require hospital care. If the evaluation**  
24 **ordered under paragraph (c) of this subsection indicates that the person requires hospital**  
25 **care and the board** finds by a preponderance of the evidence that the person is affected by mental  
26 disease or defect and presents a substantial danger to others and cannot be adequately controlled  
27 if conditional release is continued, *[it may]* **the board shall** order the person committed to a state  
28 hospital *[designated by the authority if the person is at least 18 years of age,]* or, **if the person is**  
29 **under 18 years of age,** to a secure intensive community inpatient facility, designated by the  
30 **Oregon Health** Authority *[if the person is under 18 years of age.]* The state must prove by a pre-  
31 ponderance of the evidence the person’s unfitness for conditional release. A person in custody pur-  
32 suant to this subsection has the same rights as any person appearing before the board pursuant to  
33 ORS 161.346.

34 “*[(6) The community mental health program director, the director of the facility providing treatment*  
35 *to a person on conditional release, any peace officer or any person responsible for the supervision of*  
36 *a person on conditional release may take a person on conditional release into custody or request that*  
37 *the person be taken into custody if there is reasonable cause to believe the person is a substantial*  
38 *danger to others because of mental disease or defect and that the person is in need of immediate care,*  
39 *custody or treatment. Any person taken into custody pursuant to this subsection shall be transported*  
40 *as soon as practicable to a state hospital designated by the authority if the person is at least 18 years*  
41 *of age, or to a secure intensive community inpatient facility designated by the authority if the person*  
42 *is under 18 years of age. A person taken into custody under this subsection has the same rights as any*  
43 *person appearing before the board pursuant to ORS 161.346.]*

44 “[*(7)(a)*] **(6)(a)** Any person conditionally released under this section may apply to the board for  
45 discharge from or modification of an order of conditional release on the ground that the person is

1 no longer affected by mental disease or defect or, if still so affected, no longer presents a substantial  
2 danger to others and no longer requires supervision, medication, care or treatment. Notice of the  
3 hearing on an application for discharge or modification of an order of conditional release shall be  
4 made to the Attorney General. The applicant, at the hearing pursuant to this subsection, must prove  
5 by a preponderance of the evidence the applicant's fitness for discharge or modification of the order

8 “(b) Upon application by any person or agency responsible for supervision or treatment pursuant  
9 to an order of conditional release, the board shall conduct a hearing to determine if the conditions  
10 of release shall be continued, modified or terminated. The application shall be accompanied by a  
11 report setting forth the facts supporting the application.

12 “[8] (7) The total period of commitment and conditional release ordered pursuant to this sec-  
13 tion may not exceed the maximum sentence provided by statute for the crime for which the person  
14 was found guilty except for insanity.

15 “[9] (8) The board shall maintain and keep current the medical, social and criminal history of  
16 all persons committed to its jurisdiction. The confidentiality of records maintained by the board  
17 shall be determined pursuant to ORS 192.501 to 192.505.

18 “[10] (9) In determining whether a person should be committed to a state hospital or to a se-

24 the board shall order the person committed to, or retained in, a state hospital designated by the  
25 Oregon Health Authority if the person is at least 18 years of age, or to a secure intensive commu-  
26 nity inpatient facility designated by the authority if the person is under 18 years of age, for custody,  
27 care and treatment. The period of commitment ordered by the board may not exceed the maximum  
28 sentence provided by statute for the crime for which the person was found guilty except for insanity.

29 “(2)(a) If at any time after the commitment of a person to a state hospital, or to a secure in-  
30 tensive community inpatient facility, designated by the authority under this section, the super-  
31 intendent of the hospital or the director of the secure intensive community inpatient facility is of  
32 the opinion that the person is no longer affected by mental disease or defect, or, if so affected, no  
33 longer presents a substantial danger to others [*or that the person continues to be affected by mental*  
34 *disease or defect and continues to be a danger to others, but that the person can be controlled with*  
35 *proper care, medication, supervision and treatment if conditionally released*], the superintendent or  
36 director shall apply to the board for an order of discharge [*or conditional release*]. The application  
37 shall be accompanied by a report setting forth the facts supporting the opinion of the superintendent  
38 or director.

39 “(b) **If, at any time after the commitment of a person to a secure intensive community**  
40 **inpatient facility, the director of the facility is of the opinion that the person continues to**  
41 **be a danger to others, but that the person can be controlled with proper care, medication,**  
42 **supervision and treatment if conditionally released, the director shall apply to the board for**  
43 **an order of conditional release.** [*If the application is for conditional release,*] The application must  
44 [*also*] be accompanied by **a report setting forth the facts supporting the opinion of the director**  
45 **and** a verified conditional release plan.

1 “(c) The board shall hold a hearing on *[the]* **an application described in this subsection** within

11 inpatient facility, designated by the authority for custody, care and treatment or another person  
12 acting on the person’s behalf may apply to the board for an order of discharge or conditional release  
13 upon the grounds:

14 “(a) That the person is no longer affected by mental disease or defect;

15 “(b) If so affected, that the person no longer presents a substantial danger to others; or

16 “(c) That the person continues to be affected by a mental disease or defect and would continue  
17 to be a danger to others without treatment, but that the person can be adequately controlled and  
18 given proper care and treatment if placed on conditional release.

19 “(5) When application is made under subsection (4) of this section, the board shall require that  
20 a report from the superintendent of the hospital or the director of the secure intensive community  
21 inpatient facility be prepared and transmitted as provided in subsection (2) of this section. The ap-  
22 plicant must prove by a preponderance of the evidence the applicant’s fitness for discharge or con-  
23 ditional release under the standards of subsection (4) of this section, unless more than two years

36 or discharged.

37 “(b) In no case shall a person be held pursuant to this section for a period of time exceeding two

27 “**SECTION 6.** ORS 161.332 is amended to read:

28 “161.332. As used in ORS 161.315 to 161.351 and 161.385 to 161.395[,]:

29 “(1) ‘Conditional release’ includes, but is not limited to, the monitoring of mental and physical  
30 health treatment.

31 “(2) ‘Residential facility’ has the meaning given that term in ORS 443.400.

32 “**SECTION 7.** ORS 161.370 is amended to read:

33 “161.370. (1) When the defendant’s fitness to proceed is drawn in question, the issue shall be  
34 determined by the court. If neither the prosecuting attorney nor counsel for the defendant contests  
35 the finding of the report filed by a psychiatrist or psychologist under ORS 161.365, the court may  
36 make the determination on the basis of such report. If the finding is contested, the court shall hold  
37 a hearing on the issue. If the report is received in evidence upon such hearing, the party who con-  
38 tests the finding thereof shall have the right to summon and to cross-examine any psychiatrist or  
39 psychologist who submitted the report and to offer evidence upon the issue. Other evidence regard-  
40 ing the defendant’s fitness to proceed may be introduced by either party.

41 “(2) If the court determines that the defendant lacks fitness to proceed, the proceeding against  
42 the defendant shall be suspended, except as provided in subsection (12) of this section, and the court  
43 shall commit the defendant to the custody of the superintendent of a state [mental] hospital desig-  
44 nated by the Oregon Health Authority if the defendant is at least 18 years of age, or to the custody  
45 of the director of a secure intensive community inpatient facility designated by the authority if the

1 defendant is under 18 years of age, or shall release the defendant on supervision for as long as such  
2 unfitness shall endure. The court may release the defendant on supervision if it determines that care  
3 other than commitment for incapacity to stand trial would better serve the defendant and the com-  
4 munity. It may place conditions which it deems appropriate on the release, including the require-  
5 ment that the defendant regularly report to the authority or a community mental health program for  
6 examination to determine if the defendant has regained capacity to stand trial. When the court, on  
7 its own motion or upon the application of the superintendent of the hospital or director of the secure  
8 intensive community inpatient facility in which the defendant is committed, a person examining the  
9 defendant as a condition of release on supervision, or either party, determines, after a hearing, if a  
10 hearing is requested, that the defendant has regained fitness to proceed, the proceeding shall be  
11 resumed. If, however, the court is of the view that so much time has elapsed since the commitment  
12 or release of the defendant on supervision that it would be unjust to resume the criminal proceeding,  
13 the court on motion of either party may dismiss the charge and may order the defendant to be dis-  
14 charged or cause a proceeding to be commenced forthwith under ORS 426.070 to 426.170 or 427.235  
15 to 427.290.

16 “(3) The superintendent of a state hospital or director of a secure intensive community inpatient  
17 facility shall cause the defendant to be evaluated within 60 days from the defendant’s delivery into  
18 the superintendent’s or director’s custody, for the purpose of determining whether there is a sub-  
19 stantial probability that, in the foreseeable future, the defendant will have the capacity to stand  
20 trial.

21 “(4) In addition, the superintendent or director shall:

22 “(a) Immediately notify the committing court if the defendant, at any time, gains or regains the  
23 capacity to stand trial or will never have the capacity to stand trial.

24 “(b) Within 90 days of the defendant’s delivery into the superintendent’s or director’s custody,  
25 notify the committing court that:

26 “(A) The defendant has the present capacity to stand trial;

27 “(B) There is no substantial probability that, in the foreseeable future, the defendant will gain  
28 or regain the capacity to stand trial; or

29 “(C) There is a substantial probability that, in the foreseeable future, the defendant will gain  
30 or regain the capacity to stand trial. If such a probability exists, the superintendent or director shall  
31 give the court an estimate of the time in which the defendant, with appropriate treatment, is ex-  
32 pected to gain or regain capacity.

33 “(5) If the superintendent or director determines that there is a substantial probability that, in  
34 the foreseeable future, the defendant will gain or regain the capacity to stand trial, unless the court  
35 otherwise orders, the defendant shall remain in the superintendent’s or director’s custody where the  
36 defendant shall receive treatment designed for the purpose of enabling the defendant to gain or re-  
37 gain capacity. In keeping with the notice requirement under subsection (4)(b) of this section, the  
38 superintendent or director shall, for the duration of the defendant’s period of commitment, submit  
39 a progress report to the committing court, concerning the defendant’s capacity or incapacity, at  
40 least once every 180 days as measured from the date of the defendant’s delivery into the  
41 superintendent’s or director’s custody.

42 “(6)(a) A defendant who remains committed under subsection (5) of this section shall be dis-  
43 charged within a period of time that is reasonable for making a determination concerning whether  
44 or not, and when, the defendant may gain or regain capacity. However, regardless of the number  
45 of charges with which the defendant is accused, in no event shall the defendant be committed for

1 longer than whichever of the following, measured from the defendant's initial custody date, is  
2 shorter:

3 “[(a)] (A) Three years; or

4 “[(b)] (B) A period of time equal to the maximum sentence the court could have imposed if the  
5 defendant had been convicted.

6 “(b) For purposes of calculating the maximum period of commitment described in para-  
7 graph (a) of this subsection:

8 “(A) The initial custody date is the date on which the defendant is first committed under  
9 this section as a result of any charge alleged in the accusatory instrument; and

10 “(B) The defendant shall be given credit against each charge alleged in the accusatory  
11 instrument for each day the defendant is committed under this section, whether the days  
12 are consecutive or are interrupted by a period of time during which the defendant has re-  
13 gained fitness to proceed.

14 “(7) The superintendent or director shall notify the committing court of the defendant's im-  
15 pending discharge 30 days before the date on which the superintendent or director is required to  
16 discharge the defendant under subsection (6) of this section.

17 “(8) When the committing court receives a notice from the superintendent or director under ei-  
18 ther subsection (4) or (7) of this section concerning the defendant's progress or lack thereof, the  
19 committing court shall determine after a hearing, if a hearing is requested, whether the defendant  
20 presently has the capacity to stand trial.

21 “(9) If under subsection (8) of this section the court determines that the defendant lacks the  
22 capacity to stand trial, the court shall further determine whether there is a substantial probability  
23 that the defendant, in the foreseeable future, will gain or regain the capacity to stand trial and  
24 whether the defendant is entitled to discharge under subsection (6) of this section. If the court de-  
25 termines that there is no substantial probability that the defendant, in the foreseeable future, will  
26 gain or regain the capacity to stand trial or that the defendant is entitled to discharge under sub-  
27 section (6) of this section, the court shall dismiss, without prejudice, all charges against the de-  
28 fendant and:

29 “(a) Order that the defendant be discharged; or

30 “(b) Initiate commitment proceedings under ORS 426.070 or 427.235 to 427.290.

31 “(10) All notices required under this section shall be filed with the clerk of the court and de-  
32 livered to both the district attorney and the counsel for the defendant.

33 “(11) If the defendant regains fitness to proceed, the term of any sentence received by the de-  
34 fendant for conviction of the crime charged shall be reduced by the amount of time the defendant  
35 was committed under this section to the custody of a state [*mental*] hospital, or to the custody of a  
36 secure intensive community inpatient facility, designated by the Oregon Health Authority.

37 “(12) The fact that the defendant is unfit to proceed does not preclude any objection through  
38 counsel and without the personal participation of the defendant on the grounds that the indictment  
39 is insufficient, that the statute of limitations has run, that double jeopardy principles apply or upon  
40 any other ground at the discretion of the court which the court deems susceptible of fair determi-  
41 nation prior to trial.

42 “**SECTION 8.** ORS 161.327 is amended to read:

43 “161.327. (1)(a) Following the entry of a judgment pursuant to ORS 161.319 and the dispositional  
44 determination under ORS 161.325, if the court finds that the person would have been guilty of a  
45 felony, or of a misdemeanor during a criminal episode in the course of which the person caused

1 physical injury or risk of physical injury to another, the court shall order that a psychiatric or  
2 psychological evaluation be performed and a report of the evaluation be provided to the court if an  
3 evaluation was not performed or a report was not provided to the court prior to trial. Upon receipt  
4 of the evaluation, the court shall order that the person be placed under the jurisdiction of the Psy-  
5 chiatric Security Review Board for care and treatment if the court finds by a preponderance of the  
6 evidence that the person is affected by mental disease or defect and presents a substantial danger  
7 to others requiring commitment to:

8 “(A) A state hospital designated by the Oregon Health Authority if the person is at least 18  
9 years of age; or

10 “(B) A secure intensive community inpatient facility designated by the authority if the person  
11 is under 18 years of age.

12 “(b) The period of jurisdiction of the board is equal to the maximum sentence provided by stat-  
13 ute for the crime for which the person was found guilty except for insanity.

14 “(c) When a court orders a psychiatric or psychological evaluation of a financially eligible per-  
15 son under this subsection, the court shall order the public defense services executive director to pay  
16 a reasonable fee for the evaluation from funds available for the purpose.

17 “(2) The court shall determine whether the person should be committed to a state hospital, or  
18 to a secure intensive community inpatient facility, designated by the authority or conditionally re-  
19 leased pending any hearing before the board as follows:

20 “(a) If the court finds that the person presents a substantial danger to others and is not a proper  
21 subject for conditional release, the court shall order the person committed to a state hospital des-  
22 ignated by the authority if the person is at least 18 years of age, or to a secure intensive community  
23 inpatient facility designated by the authority if the person is under 18 years of age, for custody, care  
24 and treatment pending hearing before the board in accordance with ORS [161.341] **161.315** to 161.351.

25 “(b) If the court finds that the person presents a substantial danger to others but that the person  
26 can be adequately controlled with supervision and treatment if conditionally released and that nec-  
27 essary supervision and treatment are available, the court may order the person conditionally re-  
28 leased, subject to those supervisory orders of the court as are in the best interests of justice, the  
29 protection of society and the welfare of the person. The court shall designate a person or state,  
30 county or local agency to supervise the person upon release, subject to those conditions as the court  
31 directs in the order for conditional release. Prior to the designation, the court shall notify the per-  
32 son or agency to whom conditional release is contemplated and provide the person or agency an  
33 opportunity to be heard before the court. After receiving an order entered under this paragraph, the  
34 person or agency designated shall assume supervision of the person pursuant to the direction of the  
35 Psychiatric Security Review Board. The person or agency designated as supervisor shall be required  
36 to report in writing no less than once per month to the board concerning the supervised person’s  
37 compliance with the conditions of release.

38 “(3) For purposes of this section, a person affected by a mental disease or defect in a state of  
39 remission is considered to have a mental disease or defect requiring supervision when the disease  
40 may, with reasonable medical probability, occasionally become active and, when active, render the  
41 person a danger to others.

42 “(4) In determining whether a person should be conditionally released, the court may order  
43 evaluations, examinations and compliance as provided in ORS 161.336 (4) and 161.346 (2).

44 “(5) In determining whether a person should be committed to a state hospital or to a secure  
45 intensive community inpatient facility or conditionally released, the court shall have as its primary

1 concern the protection of society.

2 “(6) Upon placing a person on conditional release, the court shall notify the board in writing  
3 of the court’s conditional release order, the supervisor appointed, and all other conditions of release,  
4 and the person shall be on conditional release pending hearing before the board in accordance with  
5 ORS 161.336 to 161.351. Upon compliance with this subsection and subsections (1) and (2) of this  
6 section, the court’s jurisdiction over the person is terminated and the board assumes jurisdiction  
7 over the person.

8 “(7) An order of the court under this section is a final order appealable by the person found  
9 guilty except for insanity in accordance with ORS 19.205 (5). Notwithstanding ORS 19.255, notice  
10 of an appeal under this section shall be served and filed within 90 days after the order appealed from  
11 is entered in the register. The person shall be entitled on appeal to suitable counsel possessing  
12 skills and experience commensurate with the nature and complexity of the case. If the person is fi-  
13 nancially eligible, suitable counsel shall be appointed in the manner provided in ORS 138.500 (1), and  
14 the compensation for counsel and costs and expenses of the person necessary to the appeal shall be  
15 determined and paid as provided in ORS 138.500.

16 “(8) Upon placing a person under the jurisdiction of the board, the court shall notify the person  
17 of the right to appeal and the right to a hearing before the board in accordance with ORS 161.336  
18 [(7)] (6) and 161.341 (4).

19 **“SECTION 9. Section 1 of this 2011 Act and ORS 161.327 are added to and made a part  
20 of ORS 161.315 to 161.351.**

21 **“SECTION 10. (1) The amendments to ORS 161.327, 161.332, 161.336, 161.341, 161.346 and  
22 161.390 by sections 2 to 6 and 8 of this 2011 Act apply to persons found guilty except for in-  
23 sanity of a crime before, on or after the effective date of this 2011 Act.**

24 **“(2) The amendments to ORS 161.370 by section 7 of this 2011 Act apply to persons com-  
25 mitted by the court under ORS 161.370 before, on or after the effective date of this 2011 Act.**

26 **“SECTION 11. This 2011 Act being necessary for the immediate preservation of the public  
27 peace, health and safety, an emergency is declared to exist, and this 2011 Act takes effect  
28 on its passage.”.**
