SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure.

Requires Oregon Department of Administrative Services, in cooperation with other state agencies and public agencies, to establish policies, methods and means by which department, other state agencies and public agencies can acquire, share, maintain, use, repair and dispose of motor pool resources cost-effectively and efficiently.

A BILL FOR AN ACT

Relating to a motor pool for common use; amending ORS 283.315.

Be It Enacted by the People of the State of Oregon:

SECTION 1. ORS 283.315 is amended to read:

283.315. (1) The Oregon Department of Administrative Services shall establish a motor pool for the common use of state agencies and *[for other]* public agencies that have entered into intergovernmental agreements with the department in accordance with ORS chapter 190 **for the purpose of establishing a motor pool for common use. The motor pool shall consist of *[for the provision of motor pool]* vehicles, supplies, *[and]* services, *[or any of them.]* facilities and equipment necessary to enable the department, other state agencies and public agencies to meet the department's and the agencies' transportation and related needs. Subject to the requirements set forth in subsection (2) of this section, the department may also establish in the state such subsidiary motor pools under the direct control or under the supervision of a state agency as *are *[may be found]** necessary.**

(2) The department shall establish policies, methods and means by which the department, other state agencies and public agencies can acquire, share, maintain, use, repair and dispose of motor pool resources cost-effectively and efficiently, with particular attention to avoiding overuse or underuse of motor pool resources. The department shall establish one or more programs with other public agencies in which the department evaluates the effectiveness of different alternatives before adopting a particular policy, method or means for meeting the requirements of this section. The department shall specifically consider such methods as consolidating vehicle storage and maintenance services and increasing ridesharing opportunities among agencies for persons who use motor pool resources.

(3) The department may amend an intergovernmental agreement for establishing and using a motor pool that the department has with another public agency under ORS chapter 190 to reflect the policies, methods and means the department establishes under subsection

NOTE: Matter in **boldfaced** type in an amended section is new; matter *[italic and bracketed]* is existing law to be omitted. New sections are in **boldfaced** type.

1 **(2) of this section.**

2 **(4) The department shall submit a report that describes the department's actions and**
3 **evaluates the costs, benefits and effectiveness of the actions at least once each biennium to**
4 **the committees of the Legislative Assembly that the Speaker of the House of Representatives**
5 **and the President of the Senate designate.**

6 **(5) This section does not apply to the department's, a state agency's or another public**
7 **agency's procuring and equipping a motor vehicle that is used for emergency services, as**
8 **defined in ORS 401.025.**
