672.047. (1) Subject to subsection (4) of this section, a registered professional land surveyor, or any employee or agent of the land surveyor, may enter on foot, where practicable, upon any land for the purpose of surveying or performing any survey work and may establish permanent survey monuments as allowed by rule of the State Board of Examiners for Engineering and Land Surveying.

(2) Any person exercising the right of entry granted under subsection (1) of this section shall do so with no unnecessary damage to the land entered upon. Damages to trees, shrubs and other vegetation intentionally caused by the land surveyor shall be subject to compensation and penalties as provided in ORS 105.810. The land surveyor shall compensate the landowner for all other actual monetary damages, or \$100, whichever is greater. Actual monetary damages may include but are not limited to all costs in time, labor and materials incurred by the *[property owner]* **landowner** to return the property to the condition it was in prior to the damage.

[(3) If a request is made in writing in a timely manner, a copy of the survey shall be provided in a timely manner to any landowner who owns property that is outside an urban growth boundary and is affected by subsection (4) of this section.]

(3) If land that is entered and surveyed under this section is located outside of an urban growth boundary and the landowner makes a timely request in writing, the registered professional land surveyor shall provide a copy of the survey in a timely manner to the landowner.

(4) A registered professional land surveyor, or any employee or agent of the land surveyor, may not enter upon *[or establish any permanent survey monument upon any land without first attempting to provide notice to the landowner or occupant of the property in person. Notice that is given by first class mail must be mailed at least seven days prior to the entry onto the land. Notice that is given by personal notice must be hand-delivered to the landowner or occupant or be posted in a conspicuous place where the landowner or occupant may reasonably be expected to see the notice. The notice shall give the professional land**

(5) A registered professional land surveyor, or any employee or agent of the land surveyor, who enters land as allowed under this section is owed no greater duty of care than that owed by a landowner to a trespasser.

(6) Notwithstanding the provisions of subsection (1) of this section, a registered professional land surveyor, or any employee or agent of the land surveyor, may use a vehicle to enter upon land provided that the vehicle remains on existing roadways where practicable.
