12 may be established as provided in ORS 215.275.

13 (d) A dwelling on real property used for farm use if the dwelling is occupied by a relative of the  
14 farm operator or the farm operator's spouse, which means a child, parent, stepparent, grandchild,  
15 grandparent, stepgrandparent, sibling, stepsibling, niece, nephew or first cousin of either, if the farm  
16 operator does or will require the assistance of the relative in the management of the farm use and  
17 the dwelling is located on the same lot or parcel as the dwelling of the farm operator.  
18 Notwithstanding ORS 92.010 to 92.192 or the minimum lot or parcel size requirements under ORS  
19 215.780, if the owner of a dwelling described in this paragraph obtains construction financing or  
20 other financing secured by the dwelling and the secured party forecloses on the dwelling, the se-

24 (f) Primary or accessory dwellings customarily provided in conjunction with farm use. For a  
25 primary dwelling, the dwelling must be on a lot or parcel that is managed as part of a farm opera-

1 (g) Operations for the exploration for and production of geothermal resources as defined by ORS  
2 522.005 and oil and gas as defined by ORS 520.005, including the placement and operation of  
3 compressors, separators and other customary production equipment for an individual well adjacent  
4 to the wellhead. Any activities or construction relating to such operations shall not be a basis for  
5 an exception under ORS 197.732 (2)(a) or (b).

6 (h) Operations for the exploration for minerals as defined by ORS 517.750. Any activities or  
7 construction relating to such operations shall not be a basis for an exception under ORS 197.732  
8 (2)(a) or (b).

9 (i) One manufactured dwelling or recreational vehicle, or the temporary residential use of an  
10 existing building, in conjunction with an existing dwelling as a temporary use for the term of a  
11 hardship suffered by the existing resident or a relative of the resident. Within three months of the  
12 end of the hardship, the manufactured dwelling or recreational vehicle shall be removed or demol-  
13 ished or, in the case of an existing building, the building shall be removed, demolished or returned  
14 to an allowed nonresidential use. The governing body or its designee shall provide for periodic re-  
15 view of the hardship claimed under this paragraph. A temporary residence approved under this  
16 paragraph is not eligible for replacement under paragraph (q) of this subsection.

17 (j) Climbing and passing lanes within the right of way existing as of July 1, 1987.

18 (k) Reconstruction or modification of public roads and highways, including the placement of  
19 utility facilities overhead and in the subsurface of public roads and highways along the public right  
20 of way, but not including the addition of travel lanes, where no removal or displacement of buildings  
21 would occur, or no new land parcels result.

22 (L) Temporary public road and highway detours that will be abandoned and restored to original  
23 condition or use at such time as no longer needed.

24 (m) Minor betterment of existing public road and highway related facilities, such as maintenance

26 public-owned property utilized to support the operation and maintenance of public roads and high-  
27 ways.

37 (D) Has a heating system; and

38 (E) In the case of replacement:

39 (i) Is removed, demolished or converted to an allowable nonresidential use within three months  
40 of the completion of the replacement dwelling. A replacement dwelling may be sited on any part of  
41 the same lot or parcel. A dwelling established under this paragraph shall comply with all applicable  
42 siting standards. However, the standards shall not be applied in a manner that prohibits the siting  
43 of the dwelling. If the dwelling to be replaced is located on a portion of the lot or parcel not zoned  
44 for exclusive farm use, the applicant, as a condition of approval, shall execute and record in the  
45 deed records for the county where the property is located a deed restriction prohibiting the siting

1 of a dwelling on that portion of the lot or parcel. The restriction imposed shall be irrevocable unless  
2 a statement of release is placed in the deed records for the county. The release shall be signed by  
3 the county or its designee and state that the provisions of this paragraph regarding replacement  
4 dwellings have changed to allow the siting of another dwelling. The county planning director or the  
5 director's designee shall maintain a record of the lots and parcels that do not qualify for the siting  
6 of a new dwelling under the provisions of this paragraph, including a copy of the deed restrictions  
7 and release statements filed under this paragraph; and

8 (ii) For which the applicant has requested a deferred replacement permit, is removed or demol-  
9 ished within three months after the deferred replacement permit is issued. A deferred replacement  
10 permit allows construction of the replacement dwelling at any time. If, however, the established  
11 dwelling is not removed or demolished within three months after the deferred replacement permit  
12 is issued, the permit becomes void. The replacement dwelling must comply with applicable building  
13 codes, plumbing codes, sanitation codes and other requirements relating to health and safety or to  
14 siting at the time of construction. A deferred replacement permit may not be transferred, by sale  
15 or otherwise, except by the applicant to the spouse or a child of the applicant.

18 farm operation, or grown on the farm operation and other farm operations in the local agricultural  
19 area, including the sale of retail incidental items and fee-based activity to promote the sale of farm  
20 crops or livestock sold at the farm stand if the annual sale of incidental items and fees from pro-  
21 motional activity do not make up more than 25 percent of the total annual sales of the farm stand;  
22 and

32 under this paragraph. The site shall not include an aggregate surface or hard surface area unless  
33 the surface preexisted the use approved under this paragraph. An owner of property used for the  
34 purpose authorized in this paragraph may charge a person operating the use on the property rent  
35 for the property. An operator may charge users of the property a fee that does not exceed the  
36 operator's cost to maintain the property, buildings and facilities. As used in this paragraph, "model  
37 aircraft" means a small-scale version of an airplane, glider, helicopter, dirigible or balloon that is

43 square feet of floor area exclusive of the floor area designated for preparation, storage or other farm  
44 use or devote more than 10,000 square feet to the processing activities within another building

42 of the governing body or its designee in any area zoned for exclusive farm use upon written findings  
43 showing all of the following:

44 (a) The dwelling or activities associated with the dwelling will not force a significant change in  
45 or significantly increase the cost of accepted farming practices on nearby lands devoted to farm use.

1 (b) The dwelling is situated upon generally unsuitable land for the production of farm crops and  
2 livestock, considering the terrain, adverse soil or land conditions, drainage and flooding, location  
3 and size of the tract. A lot or parcel shall not be considered unsuitable solely because of its size  
4 or location if it can reasonably be put to farm use in conjunction with other land.

5 (c) Complies with such other conditions as the governing body or its designee considers neces-

25 (6) The notice required in subsection (5) of this section shall specify that persons have 15 days  
26 following the date of postmark of the notice to file a written objection on the grounds only that the  
27 dwelling or activities associated with it would force a significant change in or significantly increase  
28 the cost of accepted farming practices on nearby lands devoted to farm use. If no objection is re-  
29 ceived, the governing body or its designee shall approve or disapprove the application. If an ob-  
30 jection is received, the governing body shall set the matter for hearing in the manner prescribed in  
31 ORS 215.402 to 215.438. The governing body may charge the reasonable costs of the notice required

43 but not limited to, lots, parcels or lots and parcels separated only by a public road.

45 retain a life estate in a dwelling on that property and in a tract of land under and around the

3 taxes imposed upon the change in use have been paid.

4 (10) Roads, highways and other transportation facilities and improvements not allowed under  
5 subsections (1) and (2) of this section may be established, subject to the approval of the governing  
6 body or its designee, in areas zoned for exclusive farm use subject to:

21 grandparent, stepgrandparent, sibling, stepsibling, niece, nephew or first cousin of either, if the farm  
22 operator does or will require the assistance of the relative in the management of the farm use and  
23 the dwelling is located on the same lot or parcel as the dwelling of the farm operator.  
24 Notwithstanding ORS 92.010 to 92.192 or the minimum lot or parcel size requirements under ORS  
25 215.780, if the owner of a dwelling described in this paragraph obtains construction financing or  
26 other financing secured by the dwelling and the secured party forecloses on the dwelling, the se-
