On page 1 of the printed bill, delete lines 5 through 17 and insert:

"SECTION 2. (1)(a) Except as provided in paragraph (b) or (c) of this subsection, a contracting agency that awards a public contract subject to this chapter, in addition to and not in lieu of the charges specified in ORS 297.230, shall pay a fee equivalent to one-tenth of one percent of the contract price for the public contract from funds appropriated for the public contract to the office of the Secretary of State at the time the contracting agency executes the public contract. The Secretary of State shall pay the moneys received under this subsection to the State Treasurer for deposit in the Public Contracting Audit Account created under section 4 of this 2011 Act.

"(b) A contracting agency that uses funds for a public contract that are subject to provisions under the Oregon Constitution or under state or federal law that restrict the use of the funds may not pay the fee described in paragraph (a) of this subsection except in accordance with the restrictive provisions.

"(c) If in accordance with paragraph (b) of this subsection a contracting agency does not pay a fee under paragraph (a) of this subsection, the Secretary of State in an interagency agreement or an intergovernmental agreement under ORS chapter 190 may require a contracting agency to pay the costs for auditing a specific public contract. A contracting agency that is a party to an interagency or intergovernmental agreement described in this paragraph is not subject to the provisions of paragraph (a) of this subsection with respect to the public contract that is the subject of the interagency or intergovernmental agreement.

"(2)(a) The secretary shall use the moneys available in the account to conduct or enter into contracts to conduct financial, compliance and performance audits of public contracts that contracting agencies award under the provisions of this chapter. The secretary shall choose the subject of and conduct each audit according to standards adopted under ORS 297.070 and without advance notice to the contracting agency or other parties to the public contract. A person that the secretary assigns or enters into a contract with to conduct the audit must have substantial familiarity with and experience in public improvement contracting and auditing."
