3 “Whereas the Legislative Assembly finds that Oregon is recognized as a leader in business and
4 economic development and has the foundation to become a leader in innovation-based economic de-
5 velopment; and

6 “Whereas prosperity in this global economy is critically tied to the ability to innovate and to
7 translate knowledge into new products, processes, technologies and services that create high-skill,
8 high-wage job growth; and

9 “Whereas Oregon, to compete in this challenging global economy, must have focused sources
10 of innovation-based economic development, new technologies, a sustainable talent base of workers,
11 entrepreneurs that are sufficiently capitalized to further innovation-based economic development and
12 a receptive market base; and

13 “Whereas Oregon’s ability to create high-skill, high-wage jobs must be enhanced to significantly
14 address the increasingly high levels of unemployment in this state; and

15 “Whereas many high-skill, high-wage jobs are technology-based and require a skilled workforce
16 and sufficiently capitalized innovation-based businesses; and

17 “Whereas Oregon’s competitive edge in innovation-based economic development should be
18 nurtured and enhanced; and

19 “Whereas Oregon’s public and private educational institutions must improve and expand their
20 facilities, programs and educational and research capabilities to further innovation-based economic
21 development in this state; and

22 “Whereas the Oregon University System and private universities and research institutions in
23 this state are strategic partners in furthering the unique educational and employment needs of
24 Oregon’s innovation-based economic development businesses; and

25 “Whereas to become a leader in innovation-based economic development, Oregon needs policies
26 and strategies to develop new technologies, to attract funding from federal sources and private
27 sector investments, to attract and grow innovation-based economic development businesses and to
28 create high-skill, high-wage jobs; and

29 “Whereas a critical component of furthering Oregon’s innovation-based economic development
30 is a stable and long-term source of funding; and

31 “Whereas the Legislative Assembly finds that state agencies, innovation-based economic devel-
32 opment businesses, research institutions, national laboratories and workforce development agencies
33 must collaborate so that Oregon is well-positioned to compete for funds from federal sources and
34 private sector investments; now, therefore,”.

16 where Oregon has a distinct or emerging advantage for creating new products and businesses;

17 “(c) Stimulating seed and start-up capital investment and entrepreneurial capacity that will
18 promote economic growth in Oregon traded sector industries **or Oregon growth businesses**;

19 “(d) Developing the entrepreneurial and management capacity critical to the competitiveness of
20 Oregon traded sector industries [*and*] **or Oregon growth businesses in** rapidly growing global
21 markets;

22 “(e) Enhancing the international competitiveness of Oregon traded sector industries **or Oregon**
23 **growth businesses**; and

24 “(f) Identifying workforce issues for occupations critical to the competitiveness of Oregon traded
25 sector industries **or Oregon growth businesses**, including but not limited to scientific, engineering,
26 information technology, [*and*] business management **and innovation-based economic development**
27 occupations.

28 “(2) The Oregon Innovation Council shall advise the Engineering and Technology Industry
29 Council established in ORS 351.663 on how to coordinate the Engineering and Technology Industry
30 Council’s goals and policies with the state plan developed under ORS 284.715.

31 “(3) The council, the Oregon Business Development Commission, the State Board of Higher Ed-
32 ucation and the office of the State Treasurer shall coordinate policies and programs related to the
33 duties of the council.

34 “(4) Based on the state plan developed under ORS 284.715 **and subject to the approval of the**
35 **Oregon Business Development Department**, the council may distribute moneys in the Oregon
36 Innovation Fund by grant **or loan** or pursuant to contracts with [*public and private post-secondary*]
37 **research** institutions, [*state agencies and private sector entities*] **the private sector and public en-**
38 **ties**.

39 “(5) **The council may assess and charge fees for making grants or loans under section**
40 **10 of this 2011 Act.**

41 “**SECTION 4.** ORS 284.715 is amended to read:

42 “284.715. (1) The Oregon Innovation Council shall develop a state plan for innovation and eco-
43 nomic competitiveness. The plan shall include policy and program recommendations to:

44 “(a) Identify and expand the state’s industry and core research strengths related to Oregon
45 traded sector industries **or Oregon growth businesses**;

1 “(b) Promote agreements between [*public and private post-secondary educational*] **research** in-
2 stitutions and private industry that increase technology transfer and the commercialization of re-
3 search;

4 “(c) Promote investment in specialized research facilities and signature research centers where
5 Oregon has a distinct or emerging advantage for [*creating new products and businesses*]
6 **innovation-based economic development**; and

7 “(d) Stimulate seed and start-up capital investment and entrepreneurial capacity that will pro-
8 mote [*economic growth*] **innovation-based economic development** in Oregon traded sector indus-
9 tries **or Oregon growth businesses**.

10 “(2) The state plan shall also include an identification of workforce issues and trends related to
11 the development of workers in trade sector industries [*and*] **or Oregon growth businesses and**
12 **make** recommendations to the State Workforce Investment Board and the State Board of Education
13 on training and education enhancements based on the identified workforce issues and trends.

14 “(3) The council shall update the plan every biennium.

15 “(4) Each year, the council shall report to the Governor and the Legislative Assembly about the
16 plan.

17 “**SECTION 5.** ORS 284.720 is amended to read:

18 “284.720. (1) There is created within the State Treasury, separate and distinct from the General
19 Fund, the Oregon Innovation Fund. Interest earned by the Oregon Innovation Fund shall be credited
20 to the fund.

21 “(2) **Moneys in the Oregon Innovation Fund shall consist of:**

22 “(a) **Amounts donated to the fund;**

23 “(b) **Amounts appropriated or otherwise transferred to the fund by the Legislative As-**
24 **sembly;**

25 “(c) **Investment earnings received on moneys in the fund; and**

26 “(d) **Other amounts deposited in the fund from any source.**

27 “(3) Moneys in the fund are continuously appropriated to the Oregon Innovation Council for the
28 [*purpose*] **purposes** of making grants and loans under section 10 of this 2011 Act and entering
29 into contracts to carry out the recommendations included in the state plan developed under ORS
30 284.715.

31 “(4) **The council may establish accounts and subaccounts within the fund when the**
32 **council determines that accounts or subaccounts are necessary or desirable and may credit**
33 **any interest or income derived from moneys in the fund to any account or subaccount in the**
34 **fund.**

35 “(5) **The council may use moneys in the fund to pay the administrative costs associated**
36 **with the fund and with making grants, loans and other distributions of moneys from the**
37 **fund.**

38 “**SECTION 6.** ORS 284.725 is amended to read:

39 “284.725. (1) There is created within the State Treasury, separate and distinct from the General
40 Fund, the Oregon Commercialized Research Fund. Interest earned by the Oregon Commercialized
41 Research Fund shall be credited to the fund.

42 “(2) Moneys in the fund are continuously appropriated to the Oregon Innovation Council for the
43 purpose of making grants and loans under ORS 284.735.

44 “(3) The council may accept moneys from any source for deposit in the fund.

45 “(4) **The council may use moneys in the fund to pay the administrative costs associated**

1 **with the fund and with making grants, loans and other distributions of moneys from the**
2 **fund.**

3 **“SECTION 7.** ORS 284.735 is amended to read:

4 “284.735. (1) The Oregon Innovation Council may make grants and loans from the Oregon
5 Commercialized Research Fund to Oregon [*emerging*] **growth** businesses.

6 “(2) To qualify for a grant or loan under this section, an Oregon [*emerging*] **growth** business
7 must enter into an agreement with one or more research institutions to carry out proof of concept
8 activities to:

9 “(a) Establish the commercial potential of research; and

10 “(b) Develop a business concept that can attract early stage private investment, including angel
11 capital and venture capital.

12 “(3) Proof of concept activities for which an Oregon [*emerging*] **growth** business may receive a
13 grant or loan under this section include:

14 “(a) The development of intellectual property;

15 “(b) The payment of salaries and related expenses for commercialized research;

16 “(c) The acquisition of equipment and supplies required for the proof of concept activities;
17 [*and*]

18 **“(d) Furthering innovation-based economic development; and**

19 “[*d*] (e) Other activities as defined by rule of the council.

20 “(4) To receive a grant or loan, the Oregon [*emerging*] **growth** business or a research institution
21 that has entered into an agreement with the business must agree to provide a cash match equivalent
22 to:

23 “(a) 30 percent of the amount of the grant or loan for businesses with fewer than 20 employees.

24 “(b) 50 percent of the amount of the grant or loan for businesses with 20 or more but fewer than
25 50 employees.

26 “(c) 75 percent of the amount of the grant or loan for businesses with 50 or more but fewer than
27 100 employees.

28 “(5)(a) The council shall award grant or loan moneys to an Oregon [*emerging*] **growth** business
29 in a two-phase contract. Each phase of the contract shall have clearly defined performance measures
30 included in the contract between the business and the council.

31 “(b) Under phase I of the contract, a business may be granted or loaned an initial investment
32 not to exceed \$75,000. Phase I shall also include an agreement that upon successful completion of
33 the performance measures for phase I, the business shall be eligible for funding under phase II. The
34 amount of grant or loan moneys available to a business under both phases may not exceed \$200,000.

35 “(6) The council shall require any Oregon [*emerging*] **growth** business that receives a grant or
36 loan under this section and that moves more than 50 percent of the employees of the business out
37 of the state within two years after receiving grant or loan moneys to repay the total amount of the
38 grant or loan moneys.

39 “(7) The council shall require an Oregon [*emerging*] **growth** business that receives a loan under
40 this section to repay the loan within five years after receiving the loan. The council shall deposit
41 any loan moneys received under this subsection in the Oregon Commercialized Research Fund.

42 “(8) The council may award up to 15 percent of the amount of moneys available in the fund for
43 grants or loans:

44 “(a) To the Oregon University System for education of faculty on issues related to developing
45 effective technology transfer and commercialized research processes; and

1 “(b) For other activities as defined by rule of the council.

2 “(9) The council may adopt rules to administer this section. The council shall follow the advice
3 of the Oregon Commercialized Research Fund Advisory Council when adopting rules to administer
4 this section.

5 “**SECTION 8.** ORS 284.740 is amended to read:

6 “284.740. (1) The Oregon Innovation Council *[shall]* **may** establish *[a]* **one or more** signature
7 research *[center]* **centers** to maximize collaborative ventures among research institutions, *[the fed-*
8 *eral government and private industry]* **public entities and Oregon growth businesses** that will
9 capitalize on opportunities to obtain private and federal funding for the research and development
10 of *[nanoscience and microscience products, technology and multiscale materials]* **innovation-based**
11 **economic development.**

12 “(2) The council may contract with *[a private, not-for-profit corporation]* **a nonprofit entity** for
13 the administration of the *[center]* **centers.**

14 “(3) **Signature research centers, Oregon growth businesses and research institutions**
15 **contracting to engage in innovation-based economic development, to conduct research within**
16 **a signature research center or to engage in other business endeavors, as defined by the**
17 **Oregon Innovation Council by rule, may receive grants and loans from moneys in the Oregon**
18 **Innovation Fund created under ORS 284.720 or the Oregon Commercialized Research Fund**
19 **created under ORS 284.725.**

20 “**SECTION 9.** Sections 10 to 15 of this 2011 Act are added to and made a part of ORS
21 **284.701 to 284.740.**

22 “**SECTION 10.** (1) Subject to the approval of the Oregon Business Development Depart-
23 **ment, the Oregon Innovation Council may make grants and loans from the Oregon Inno-**
24 **vation Fund created under ORS 284.720 to fund proposals that have as their principal**
25 **objectives:**

26 “(a) **The establishment of partnerships between and collaborations with research insti-**
27 **tutions and Oregon growth businesses for innovation-based economic development; or**

28 “(b) **The transfer of innovation-based economic development technology to the private**
29 **sector or the commercialization of innovation-based economic development research and re-**
30 **lated development in Oregon.**

31 “(2)(a) **To qualify for a grant or loan under subsection (1) of this section, a proposal must**
32 **be submitted to the Oregon Innovation Council in the manner and with a fee as may be**
33 **prescribed by rule.**

34 “(b) **All proposals for funding under subsection (1) of this section must establish return**
35 **on investment criteria and performance measures as prescribed by rule.**

36 “(3) **The Oregon Innovation Council shall make recommendations to the department for**
37 **rules to be adopted by the department to administer the provisions of this section.**

38 “**SECTION 11.** As used in sections 11 to 15 of this 2011 Act, ‘bond-related costs’ means:

39 “(1) **The costs and expenses of issuing and administering bonds under sections 11 to 15**
40 **of this 2011 Act, including but not limited to:**

41 “(a) **Paying or redeeming the bonds, including principal, interest and premium, if any;**

42 “(b) **Paying amounts due in connection with credit enhancement devices or reserve in-**
43 **struments;**

44 “(c) **Paying the administrative costs and expenses of the State Treasurer, the Oregon**
45 **Business Development Department and the Oregon Innovation Council, including the cost**

1 of consultants, attorneys and advisers retained by the State Treasurer, the department or
2 the council for the bonds; and

3 “(d) Any other costs or expenses that the State Treasurer, the department or the council
4 determines are necessary or desirable in connection with issuing or administering the bonds;

5 “(2) The cost of funding bond reserves;

6 “(3) Capitalized interest for the bonds; and

7 “(4) Rebates or penalties due to the United States in connection with the bonds.

8 “SECTION 12. (1)(a) The Oregon Innovation Council, in consultation with the Oregon
9 Business Development Department, shall determine eligibility for revenue bond financing of
10 proposals for funding under section 10 of this 2011 Act pursuant to rules adopted by the
11 council in consultation with the department.

12 “(b) After determining that a proposal, grant or loan is eligible for revenue bond financ-
13 ing under paragraph (a) of this subsection, the department shall forward a request for the
14 issuance of revenue bonds to the State Treasurer.

15 “(2) The State Treasurer may issue revenue bonds subject to the budget authorization
16 for bond issuance established under ORS 286A.035 for the department and the council for the
17 purpose of financing or refinancing, in whole or part, grants and loans made under section
18 10 of this 2011 Act, plus an additional amount to be estimated by the State Treasurer for
19 payment of bond-related costs.

20 “(3) Net proceeds of the revenue bonds issued pursuant to this section must be deposited
21 in the Oregon Innovation Bond Fund established under section 13 of this 2011 Act for dis-
22 bursement to the council to finance the making of grants and loans under section 10 of this
23 2011 Act.

24 “(4) Bond-related costs must be paid from the gross proceeds of the revenue bonds issued
25 under this section and from moneys deposited in an account or subaccount of the Oregon
26 Innovation Fund that has been established by the council specifically for this purpose.

27 “(5) The department and the council, with the approval of the State Treasurer, may
28 irrevocably pledge and assign all or a portion of the moneys deposited in an account or sub-
29 account of the Oregon Innovation Fund that has been established by the council specifically
30 for the purpose of securing revenue bonds issued under this section or credit enhancements
31 obtained for the revenue bonds issued under this section.

32 “(6) Revenue bonds issued under this section:

33 “(a) Are payable from the moneys deposited in an account or subaccount of the Oregon
34 Innovation Fund that has been established by the council specifically for the purpose of
35 making payments on revenue bonds issued under this section.

36 “(b) Do not constitute a debt or general obligation of the state, the Legislative Assembly
37 or a political subdivision of this state but are secured solely by:

38 “(A) The moneys deposited in an account or subaccount of the Oregon Innovation Fund
39 that has been established by the council specifically for the purpose of making payments on
40 revenue bonds issued under this section;

41 “(B) Amounts in a debt service reserve account established with respect to revenue
42 bonds issued under this section; or

43 “(C) A credit enhancement obtained for the revenue bonds issued under this section.

44 “(7) The State Treasurer, the department and the council have no obligation to pay
45 bond-related costs except as provided in this section. A holder of revenue bonds or other

1 similar obligations issued under this section does not have the right to compel the exercise
2 of the taxing power of the state to pay bond-related costs.

3 “(8) The holders of revenue bonds issued under this section, upon the issuance of the
4 revenue bonds, have a perfected lien on the moneys deposited in an account or subaccount
5 of the Oregon Innovation Fund that has been established by the council specifically for the
6 purpose of securing and making payments on revenue bonds issued under this section or
7 credit enhancements obtained for the revenue bonds issued under this section. The lien and
8 pledge are valid and binding from the date of issuance of the revenue bonds and are auto-
9 matically perfected without physical delivery, filing or other act. The lien and pledge are
10 superior to subsequent claims or liens on the moneys deposited in the Oregon Innovation
11 Fund.

12 “(9) As long as any revenue bonds issued under this section are outstanding, the pro-
13 visions of this section and the provisions of a security document related to the revenue bonds
14 are deemed to be contracts between the state and holders of the revenue bonds. The state:

15 “(a) May not create a lien, encumbrance or any other obligation that is superior to the
16 liens authorized by subsection (8) of this section on the moneys in the Oregon Innovation
17 Fund that are pledged and assigned to the payment of the revenue bonds; and

18 “(b) May not give force or effect to a statute or initiative or referendum measure ap-
19 proved by the electors of this state if doing so would unconstitutionally impair existing
20 covenants made with the holders of existing revenue bonds or would unconstitutionally im-
21 pair other obligations or agreements regarding the security of revenue bonds to which the
22 moneys deposited in the Oregon Innovation Fund are pledged and assigned.

23 “(10) The council is authorized to establish separate accounts or subaccounts within the
24 Oregon Innovation Fund for separate bond issues.

25 “(11) The council may:

26 “(a) Make all contracts, execute all instruments and do all things necessary or conven-
27 ient in the exercise of the powers granted by this section, in the performance of its
28 covenants or duties, or in order to secure the payment of revenue bonds issued under this
29 section; and

30 “(b) Enter into covenants for the benefit of bond holders regarding the use and expendi-
31 ture of moneys in the Oregon Innovation Fund.

32 “(12) The State Treasurer, the department or the council may appoint bond counsel as
33 prescribed in ORS 286A.130.

34 “SECTION 13. (1) The Oregon Innovation Bond Fund is established in the State Treasury,
35 separate and distinct from the General Fund. The net proceeds from the sale of revenue
36 bonds issued under section 12 of this 2011 Act must be credited to the Oregon Innovation
37 Bond Fund. Investment earnings received on moneys in the fund must be credited to the
38 fund.

39 “(2) Moneys in the fund are continuously appropriated to the Oregon Innovation Council
40 for the purpose of making grants and loans under section 10 of this 2011 Act.

41 “SECTION 14. (1) The Oregon Innovation Debt Service Fund is established in the State
42 Treasury, separate and distinct from the General Fund. The Oregon Innovation Debt Service
43 Fund consists of:

44 “(a) An amount from the moneys deposited in the Oregon Innovation Fund credited to
45 the Oregon Innovation Debt Service Fund by the State Treasurer that is necessary in a fiscal

1 year, as determined by the Oregon Innovation Council, in consultation with the Oregon
2 Business Development Department and the State Treasurer, to pay the bond-related costs
3 scheduled to be paid in that fiscal year on the revenue bonds issued under section 12 of this
4 2011 Act;

5 “(b) Any funds appropriated or allocated to the Oregon Innovation Debt Service Fund;
6 and

7 “(c) Investment earnings received on moneys in the Oregon Innovation Debt Service
8 Fund.

9 “(2) Moneys in the Oregon Innovation Debt Service Fund are continuously appropriated
10 to the Oregon Innovation Council to pay, when due, the bond-related costs on outstanding
11 revenue bonds, to fund revenue bond reserves and to pay amounts due in connection with
12 credit enhancements.

13 “(3) The council, in consultation with the department and the State Treasurer, shall use
14 amounts in the Oregon Innovation Debt Service Fund to pay, when due, the bond-related
15 costs on outstanding revenue bonds, to fund revenue bond reserves and to pay amounts due
16 in connection with credit enhancements.

17 “(4) If the moneys deposited in the Oregon Innovation Fund are not sufficient to pay the
18 bond-related costs due to be paid in a fiscal year, the council, in consultation with the de-
19 partment and the State Treasurer, shall make payments in that fiscal year according to the
20 relative priority of revenue bonds secured by the moneys deposited in the Oregon Innovation
21 Fund.

22 “SECTION 15. (1) The Oregon Innovation Bond Administration Fund is established in the
23 State Treasury, separate and distinct from the General Fund. The Oregon Innovation Bond
24 Administration Fund consists of:

25 “(a) The amount of revenue bond proceeds remaining after depositing the net proceeds
26 in the Oregon Innovation Bond Fund pursuant to section 13 of this 2011 Act;

27 “(b) The proceeds of revenue bonds issued to pay bond-related costs;

28 “(c) Any funds appropriated or allocated to the Oregon Innovation Bond Administration
29 Fund; and

30 “(d) Investment earnings received on moneys in the Oregon Innovation Bond Adminis-
31 tration Fund.

32 “(2) Moneys in the Oregon Innovation Bond Administration Fund are continuously ap-
33 propriated to the Oregon Innovation Council for paying bond-related costs during the term
34 of revenue bonds issued under section 12 of this 2011 Act.

35 “(3) The council, in consultation with the Oregon Business Development Department and
36 the State Treasurer, may use amounts in the Oregon Innovation Bond Administration Fund
37 to pay bond-related costs during the term of revenue bonds issued under section 12 of this
38 2011 Act. Amounts in the fund must be disbursed upon the written request of the council in
39 consultation with the department.

40 “SECTION 16. This 2011 Act being necessary for the immediate preservation of the public
41 peace, health and safety, an emergency is declared to exist, and this 2011 Act takes effect
42 on its passage.”.
