## CONCURRENT RESOLUTION

1  
2 Whereas settlers to the Rogue Valley started a community on the banks of the Little Butte  
3 Creek in the 1850s, along the military road from Jacksonville to Fort Klamath; and

4 Whereas in 1872 the Snowy Butte Mill was built, which further developed the growing  
5 settlement's reputation as the "Food Basket" for Jacksonville and Medford; and

6 Whereas the community's development through the first fifty years of settlement caused com-  
7 munity leaders to incorporate the City of Eagle Point in 1911; and

8 Whereas the city is named for the bald eagle population that inhabited the surrounding hills;  
9 and

10 Whereas Eagle Point continues to be a rich agricultural community that includes the continuing  
11 operation of the Snowy Butte Mill, now the Butte Creek Mill, which is the oldest hydropower  
12 gristmill west of the Mississippi River; and

13 Whereas Eagle Point has a strong tradition of supporting the nation's defense, including seeing  
14 its citizens serve in World War I, World War II, the Korean Conflict, the Vietnam War, the Persian  
15 Gulf War and the current engagements in Iraq and Afghanistan; and

16 Whereas for its strong support of the military, including the support of the World War II  
17 training facility, Camp White, located just outside of the city, Eagle Point has one of only three  
18 National Cemeteries in Oregon; and

19 Whereas Eagle Point has seen a dramatic population growth in recent years, doubling to nearly  
20 9,000 in ten years' time, most of which is due to the development of one of Oregon's highest-rated  
21 public golf courses; and

22 Whereas Eagle Point continues to be a strong, supportive community powered by its citizens;  
23 now, therefore,

### **Be It Resolved by the Legislative Assembly of the State of Oregon:**
