 13 another service, the [*commission*] **authority** must report to the Emergency Board to request the
 14 funding.

15 [(8)] (9) The [*report listing*] **list of health** services [*to be provided pursuant to ORS 411.404,*

 23 *report for each service provided under the contract*] **coverage of all health services approved and**
 24 **funded by the Legislative Assembly under ORS 414.720.** The contracts are not subject to ORS

42 (e) The authority shall require compliance with the provisions of paragraph (d) of this subsection
 43 as a condition of entering into a contract with a prepaid managed care health services organization.

 4 with this subsection within 45 days of receipt by the authority of a completed billing form.

5 (B) "Rural health clinic," as used in this paragraph, shall be defined by the authority by rule

 17 for providers wishing to limit the amount of risk they wish to underwrite.

18 (3) As provided in subsections (1) and (2) of this section, the aggregate expenditures by the au-
 19 thority for health services [*provided pursuant to ORS 414.705 to 414.750*] may not exceed the total

 23 provide health care services shall be performed pursuant to state supervision and shall be consid-
 24 ered to be conducted at the direction of this state, shall be considered to be lawful trade practices
 25 and may not be considered to be the transaction of insurance for purposes of the Insurance Code.

 27 *414.750*] shall advise a patient of any service, treatment or test that is medically necessary but not

42 (b) The reimbursement rate for providers and plans established under the contractual agreement
 43 shall not be reduced.

44 (2) In the circumstances described in subsection (1) of this section, reimbursement shall be ad-
 45 justed by reducing the health services for the eligible population by eliminating services in the order

2 progressing toward the most important.

3 (3) The Oregon Health Policy Board shall obtain the approval of the Legislative Assembly, or
4 the Emergency Board if the Legislative Assembly is not in session, before instituting the reductions.
5 In addition, providers contracting to provide health services [*under ORS 414.705 to 414.750*] must

43 biennium, appropriate differences in utilization and cost based on geography, state and federal
44 mandates and other factors that, in the professional judgment of the actuary, are relevant to the fair
45 and reasonable estimation of costs. The Department of Human Services shall provide the actuary

1 levels, deductibles, coinsurance factors, exclusions and limitations to create benefit plans that
2 qualify the person for the credit for health insurance costs under section 35 of the federal Internal
3 Revenue Code, as amended and in effect on December 31, 2004.

4 (4)(a) Premiums charged for coverages issued by the board may not be unreasonable in relation
5 to the benefits provided, the risk experience and the reasonable expenses of providing the coverage.

6 (b) Separate schedules of premium rates based on age and geographical location may apply for
7 individual risks.

8 (c) The board shall determine the applicable medical and portability risk rates either by calcu-
9 lating the average rate charged by insurers offering coverages in the state comparable to the pool
10 coverage or by using reasonable actuarial techniques. The risk rates shall reflect anticipated expe-
11 rience and expenses for such coverage. Rates for pool coverage may not be more than 125 percent
12 of rates established as applicable for medically eligible individuals or for persons eligible for pool
13 coverage under ORS 735.615 (1)(d), or 100 percent of rates established as applicable for portability
14 eligible individuals.

15 (d) The board shall annually determine adjusted benefits and premiums. The adjustments shall
16 be in keeping with the purposes of ORS 735.600 to 735.650, subject to a limitation of keeping pool
17 losses under one percent of the total of all medical insurance premiums, subscriber contract charges
18 and 110 percent of all benefits paid by member self-insurance arrangements. The board may deter-
19 mine the total number of persons that may be enrolled for coverage at any time and may permit and
20 prohibit enrollment in order to maintain the number authorized. Nothing in this paragraph author-
21 izes the board to prohibit enrollment for any reason other than to control the number of persons in
22 the pool.

23 (5)(a) The board may apply:

24 (A) A waiting period of not more than 90 days during which the person has no available cov-
25 erage; or

26 (B) Except as provided in paragraph (c) of this subsection, a preexisting conditions provision of
27 not more than six months from the effective date of coverage under the pool.

28 (b) In determining whether a preexisting conditions provision applies to an eligible enrollee,
29 except as provided in this subsection, the board shall credit the time the eligible enrollee was cov-
30 ered under a previous health benefit plan if the previous health benefit plan was continuous to a
31 date not more than 63 days prior to the effective date of the new coverage under the Oregon Med-
32 ical Insurance Pool, exclusive of any applicable waiting period. The Oregon Medical Insurance Pool
33 Board need not credit the time for previous coverage to which the insured or dependent is otherwise
34 entitled under this subsection with respect to benefits and services covered in the pool coverage
35 that were not covered in the previous coverage.

36 (c) The board may adopt rules applying a preexisting conditions provision to a person who is
37 eligible for coverage under ORS 735.615 (1)(d).

38 (d) For purposes of this subsection, a “preexisting conditions provision” means a provision that
39 excludes coverage for services, charges or expenses incurred during a specified period not to exceed
40 six months following the insured’s effective date of coverage, for a condition for which medical ad-
41 vice, diagnosis, care or treatment was recommended or received during the six-month period imme-
42 diately preceding the insured’s effective date of coverage.

43 (6)(a) Benefits otherwise payable under pool coverage shall be reduced by all amounts paid or
44 payable through any other health insurance, or self-insurance arrangement, and by all hospital and
45 medical expense benefits paid or payable under any workers’ compensation coverage, automobile

1 medical payment or liability insurance whether provided on the basis of fault or nonfault, and by
2 any hospital or medical benefits paid or payable under or provided pursuant to any state or federal
3 law or program except [*the Medicaid portion of the medical assistance program offering a level of*
4 *health services described in ORS 414.707*] **medical assistance.**

5 (b) The board shall have a cause of action against an eligible person for the recovery of the
6 amount of benefits paid which are not for covered expenses. Benefits due from the pool may be re-
7 duced or refused as a setoff against any amount recoverable under this paragraph.

8 (7) Except as provided in ORS 735.616, no mandated benefit statutes apply to pool coverage
9 under ORS 735.600 to 735.650.

10 (8) Pool coverage may be furnished through a health care service contractor or such alternative
11 delivery system as will contain costs while maintaining quality of care.
