- 27 tent, guilty of unprofessional or dishonorable conduct or mentally or physically unable to safely
- 28 function as an *[EMT]* **emergency medical services provider**. The authority may investigate the
- 29 off-duty conduct of an *[EMT]* **emergency medical services provider** to the extent that such con-
- 30 duct may reasonably raise questions about the ability of the *[EMT]* **emergency medical services**
- 31 **provider** to perform the duties of an *[EMT]* **emergency medical services provider** in accordance
- 32 with the standards established by this chapter. Upon receipt of a complaint about an *[EMT]* **emer-**
- 33 **gency medical services provider** or applicant, the authority shall conduct an investigation as de-
- 34 scribed under ORS 676.165. *[An]* **The authority shall conduct the** investigation *[shall be*
- 35 *conducted]* in accordance with ORS 676.175.
- 36 (4)(a) Unless state or federal laws relating to confidentiality or the protection of health infor-
- 37 mation prohibit disclosure, any health care facility licensed under ORS 441.015 to 441.087 and
- 38 441.820, any medical or osteopathic physician licensed under ORS chapter 677, any owner of an
- 39 ambulance licensed under this chapter or any *[EMT certified]* **emergency medical services pro-**
- 40 **vider licensed** under this chapter shall report to the authority any information the person may have
- 41 that appears to show that an *[EMT]* **emergency medical services provider** is or may be medically
- 42 incompetent, guilty of unprofessional or dishonorable conduct or mentally or physically unable to
- 43 safely function as an *[EMT]* **emergency medical services provider**.
- 44 (b) Unless state or federal laws relating to confidentiality or the protection of health information
- 45 prohibit disclosure, an *[EMT certified]* **emergency medical services provider licensed** under this

1 chapter who has reasonable cause to believe that a licensee of another board has engaged in pro-
 2 hibited conduct as defined in ORS 676.150 shall report the prohibited conduct in the manner pro-
 3 vided in ORS 676.150.

4 (5) If, in the opinion of the authority, it appears that the information provided to it under pro-
 5 visions of this section is or may be true, the authority may request an interview with the [EMT]
 6 **emergency medical services provider**. At the time the authority requests an interview, the [EMT]
 7 *shall be provided*] **authority shall provide the emergency medical services provider** with a gen-
 8 eral statement of the issue or issues of concern to the authority. The request *[shall]* **must** include
 9 a statement of the procedural safeguards available to the [EMT] **emergency medical services**
 10 **provider**, including the right to end the interview on request, the right to have counsel present and
 11 the following statement: “Any action proposed by the Oregon Health Authority shall provide for a
 12 contested case hearing.”

13 (6) Information regarding an [*ambulance service*] **emergency medical services agency** provided
 14 to the authority pursuant to this section is confidential and *[shall not be]* **is not** subject to public
 15 disclosure[, *nor shall it be*] **or** admissible as evidence in any judicial proceeding. Information that
 16 the authority obtains as part of an investigation into **the conduct of an** emergency medical [*tech-*
 17 *nician*] **services provider** or applicant [*conduct*] or as part of a contested case proceeding, consent
 18 order or stipulated agreement involving **the conduct of an** emergency medical [*technician*] **services**
 19 **provider** or applicant [*conduct*] is confidential as provided under ORS 676.175. Information regarding
 20 an [*ambulance service*] **emergency medical services agency** does not become confidential due to
 21 its use in a disciplinary proceeding against an emergency medical [*technician*] **services provider**.

22 (7) [Any] **A** person who reports or provides information to the authority under this section and
 23 who provides information in good faith *[shall not be]* **is not** subject to an action for civil damage
 24 as a result thereof.

25 (8) In conducting an investigation under subsection (3) of this section, the authority may:

26 (a) Take evidence;

27 (b) Take depositions of witnesses, including the person under investigation, in the manner pro-
 28 vided by law in civil cases;

29 (c) Compel the appearance of witnesses, including the person under investigation, in the manner
 30 provided by law in civil cases;

31 (d) Require answers to interrogatories; and

32 (e) Compel the production of books, papers, accounts, documents and testimony pertaining to the
 33 matter under investigation.

34 (9) The authority may issue subpoenas to compel compliance with the provisions of subsection
 35 (8) of this section. If any person fails to comply with a subpoena issued under this subsection, or
 36 refuses to testify on matters on which the person may lawfully be interrogated, a court may compel
 37 obedience as provided in ORS 183.440.

38 **SECTION 30.** ORS 682.224 is amended to read:

39 682.224. (1) The Oregon Health Authority may discipline, as provided in this section, an [*ambu-*
 40 *lance service or any person certified as an emergency medical technician or first responder in this state*
 41 *who*] **emergency medical services provider or emergency medical services agency that** has:

42 (a) Admitted the facts of a complaint [*which*] **that** alleges facts [*which*] **that** establish that [*such*
 43 *person*] **the emergency medical services provider** is guilty of [*violation of*] one or more of the
 44 grounds for suspension or revocation of a [*certificate*] **license** as set forth in ORS 682.220 or that
 45 [*an ambulance service*] **the emergency medical services agency** has violated the provisions of this

1 chapter or the rules adopted thereunder.

2 (b) Been found guilty in accordance with ORS chapter 183 of *[violation of]* one or more of the

4 an *[ambulance service]* **emergency medical services agency** has violated the provisions of this
5 chapter or the rules adopted thereunder.

6 (2) The purpose of disciplining an *[EMT]* **emergency medical services provider** under this
7 section is to ensure that the *[EMT]* **emergency medical services provider** will provide services
8 that are consistent with the obligations of this chapter. Prior to taking final disciplinary action, the
9 authority shall determine if the *[EMT]* **emergency medical services provider** has been disciplined
10 for the questioned conduct by the *[EMT's]* **emergency medical services provider's** employer or
11 *[supervising physician]* **EMS medical director**. The authority shall consider any such discipline or
12 any other corrective action in deciding whether additional discipline or corrective action by the
13 authority is appropriate.

14 (3) In disciplining an *[EMT or ambulance service]* **emergency medical services provider or**
15 **emergency medical services agency** as authorized by subsection (1) of this section, the authority
16 may use any or all of the following methods:

17 (a) Suspend judgment.

18 (b) Issue a letter of reprimand.

28 **vices provider or emergency medical services agency**.

29 (h) Take such other disciplinary action as the authority in its discretion finds proper, including
30 assessment of the costs of the disciplinary proceedings as a civil penalty or assessment of a civil
31 penalty not to exceed \$5,000, or both.

32 (4) In addition to the action authorized by subsection (3) of this section, the authority may
33 temporarily suspend a *[certificate or]* license without a hearing, simultaneously with the commence-
34 ment of proceedings under ORS chapter 183 if the authority finds that evidence in its possession
35 indicates that a continuation in practice of the *[EMT]* **emergency medical services provider** or
36 operation of the *[ambulance service]* **emergency medical services agency** constitutes an immediate
37 danger to the public.

38 (5) If the authority places any *[EMT or ambulance service]* **emergency medical services pro-**
39 **vider or emergency medical services agency** on probation as set forth in subsection (3)(d) of this
40 section, the authority may determine, and may at any time modify, the conditions of the probation
41 and may include among them any reasonable condition for the purpose of protection of the public
42 and for the purpose of the rehabilitation of the *[EMT or ambulance service]* **emergency medical**
43 **services provider or emergency medical services agency**, or both. Upon expiration of the term
44 of probation, further proceedings shall be abated if the *[EMT or ambulance service]* **emergency**
45 **medical services provider or emergency medical services agency** has complied with the terms

1 of the probation.

2 (6)(a) If an [*EMT certified in this state*] **emergency medical services provider's license** is
3 suspended, the [*holder of the certificate*] **emergency medical services provider** may not practice
4 during the term of suspension.

5 [(7)] (b) If an [*ambulance service licensed in this state*] **emergency medical services agency's**
6 **license** is suspended, the [*ambulance service*] **emergency medical services agency** may not operate
7 [*in this state*] during the term of the suspension, provided that the authority shall condition such
8 suspension upon such arrangements as may be necessary to ensure the continued availability of
9 ambulance service in the area served by that [*ambulance service*] **emergency medical services**
10 **agency**.

11 (c) Upon expiration of the term of suspension, the [*certificate or*] license shall be reinstated by
12 the authority if the conditions for which the [*certificate or*] license was suspended no longer exist.

13 [(8)] (7) Whenever an [*EMT certificate or ambulance service*] **emergency medical services pro-**
14 **vider or emergency medical services agency** license is denied or revoked for any cause, the au-
15 thority may, in its discretion, after the lapse of two years from the date of [*such*] **the denial or**
16 **revocation**, upon written application by the person formerly [*certified or*] licensed and after a hear-
17 ing, issue or restore the [*EMT certificate or ambulance service*] **emergency medical services pro-**
18 **vider or emergency medical services agency** license.

19 [(9)] (8) Civil penalties under this section shall be imposed as provided in ORS 183.745.

20 **SECTION 31.** ORS 682.245 is amended to read:

29 care [*or treatment*] without written authorization and standing orders from [*a supervising physician*
30 *who has been approved*] **an EMS medical director who meets the standards established** by the

33 whole or in part to the authority.

34 **SECTION 32.** ORS 682.265 is amended to read:

35 682.265. [*No*] **An** emergency medical [*technician or first responder shall*] **services provider may**

39 30.803. No person shall maintain a cause of action for injury, death or loss against any
40 [*certified*] **licensed** emergency medical [*technician*] **services provider** who acts as a volunteer with-
41 out expectation of compensation, based on a claim of negligence unless the person shows that the
42 injury, death or loss resulted from willful and wanton misconduct or intentional act or omission of
43 the emergency medical [*technician*] **services provider**.

44 **SECTION 34.** ORS 31.740 is amended to read:

 30 the stress of excitement caused by the event or condition.
- 31 (3) A statement of the declarant's then existing state of mind, emotion, sensation or physical
 32 condition, such as intent, plan, motive, design, mental feeling, pain or bodily health, but not includ-

 39 but now has insufficient recollection to enable the witness to testify fully and accurately, shown to

- 43 (6) A memorandum, report, record, or data compilation, in any form, of acts, events, conditions,
 44 opinions, or diagnoses, made at or near the time by, or from information transmitted by, a person

1 regular practice of that business activity to make the memorandum, report, record, or data compi-
2 lation, all as shown by the testimony of the custodian or other qualified witness, unless the source
3 of information or the method of circumstances of preparation indicate lack of trustworthiness. The
4 term "business" as used in this subsection includes business, institution, association, profession, oc-
5 cupation, and calling of every kind, whether or not conducted for profit.

6 (7) Evidence that a matter is not included in the memoranda, reports, records, or data compila-
7 tions, and in any form, kept in accordance with the provisions of subsection (6) of this section, to
8 prove the nonoccurrence or nonexistence of the matter, if the matter was of a kind of which a
9 memorandum, report, record, or data compilation was regularly made and preserved, unless the
10 sources of information or other circumstances indicate lack of trustworthiness.

11 (8) Records, reports, statements or data compilations, in any form, of public offices or agencies,
12 including federally recognized American Indian tribal governments, setting forth:

13 (a) The activities of the office or agency;

25 in any form, was regularly made and preserved by a public office or agency, including a federally
26 recognized American Indian tribal government, evidence in the form of a certification in accordance
27 with ORS 40.510, or testimony, that diligent search failed to disclose the record, report, statement
28 or data compilation, or entry.

29 (11) Statements of births, marriages, divorces, deaths, legitimacy, ancestry, relationship by blood
30 or marriage, or other similar facts of personal or family history, contained in a regularly kept record
31 of a religious organization.

36 to have been issued at the time of the act or within a reasonable time thereafter.

37 (13) Statements of facts concerning personal or family history contained in family bibles,
38 genealogies, charts, engravings on rings, inscriptions on family portraits, engravings on urns, crypts,
39 or tombstones, or the like.

40 (14) The record of a document purporting to establish or affect an interest in property, as proof
41 of content of the original recorded document and its execution and delivery by each person by whom
42 it purports to have been executed, if the record is a record of a public office, including a federally
43 recognized American Indian tribal government, and an applicable statute authorizes the recording
44 of documents of that kind in that office.

45 (15) A statement contained in a document purporting to establish or affect an interest in prop-

1 erty if the matter stated was relevant to the purpose of the document, unless dealings with the
2 property since the document was made have been inconsistent with the truth of the statement or
3 the purport of the document.

4 (16) Statements in a document in existence 20 years or more the authenticity of which is es-
5 tablished.

6 (17) Market quotations, tabulations, lists, directories, or other published compilations, generally
7 used and relied upon by the public or by persons in particular occupations.

8 (18) (Reserved.)

9 (18a)(a) A complaint of sexual misconduct, complaint of abuse as defined in ORS 107.705 or
10 419B.005, complaint of abuse of an elderly person, as those terms are defined in ORS 124.050, or a
11 complaint relating to a violation of ORS 163.205 or 164.015 in which a person 65 years of age or
12 older is the victim, made by the witness after the commission of the alleged misconduct or abuse
13 at issue. Except as provided in paragraph (b) of this subsection, such evidence must be confined to
14 the fact that the complaint was made.

15 (b) A statement made by a person concerning an act of abuse as defined in ORS 107.705 or
16 419B.005, a statement made by a person concerning an act of abuse of an elderly person, as those
17 terms are defined in ORS 124.050, or a statement made by a person concerning a violation of ORS
18 163.205 or 164.015 in which a person 65 years of age or older is the victim, is not excluded by ORS
19 40.455 if the declarant either testifies at the proceeding and is subject to cross-examination, or is
20 unavailable as a witness but was chronologically or mentally under 12 years of age when the
21 statement was made or was 65 years of age or older when the statement was made. However, if a
22 declarant is unavailable, the statement may be admitted in evidence only if the proponent estab-
23 lishes that the time, content and circumstances of the statement provide indicia of reliability, and
24 in a criminal trial that there is corroborative evidence of the act of abuse and of the alleged
25 perpetrator's opportunity to participate in the conduct and that the statement possesses indicia of
26 reliability as is constitutionally required to be admitted. No statement may be admitted under this
27 paragraph unless the proponent of the statement makes known to the adverse party the proponent's
28 intention to offer the statement and the particulars of the statement no later than 15 days before
29 trial, except for good cause shown. For purposes of this paragraph, in addition to those situations
30 described in ORS 40.465 (1), the declarant shall be considered "unavailable" if the declarant has a
31 substantial lack of memory of the subject matter of the statement, is presently incompetent to tes-
32 tify, is unable to communicate about the abuse or sexual conduct because of fear or other similar
33 reason or is substantially likely, as established by expert testimony, to suffer lasting severe emo-
34 tional trauma from testifying. Unless otherwise agreed by the parties, the court shall examine the
35 declarant in chambers and on the record or outside the presence of the jury and on the record. The
36 examination shall be conducted immediately prior to the commencement of the trial in the presence
37 of the attorney and the legal guardian or other suitable person as designated by the court. If the
38 declarant is found to be unavailable, the court shall then determine the admissibility of the evidence.
39 The determinations shall be appealable under ORS 138.060 (1)(c) or (2)(a). The purpose of the ex-
40 amination shall be to aid the court in making its findings regarding the availability of the declarant
41 as a witness and the reliability of the statement of the declarant. In determining whether a state-
42 ment possesses indicia of reliability under this paragraph, the court may consider, but is not limited
43 to, the following factors:

44 (A) The personal knowledge of the declarant of the event;

45 (B) The age and maturity of the declarant or extent of disability if the declarant is a person

1 with a developmental disability;

2 (C) Certainty that the statement was made, including the credibility of the person testifying
3 about the statement and any motive the person may have to falsify or distort the statement;

4 (D) Any apparent motive the declarant may have to falsify or distort the event, including bias,
5 corruption or coercion;

6 (E) The timing of the statement of the declarant;

7 (F) Whether more than one person heard the statement;

8 (G) Whether the declarant was suffering pain or distress when making the statement;

9 (H) Whether the declarant's young age or disability makes it unlikely that the declarant fabri-
10 cated a statement that represents a graphic, detailed account beyond the knowledge and experience
11 of the declarant;

12 (I) Whether the statement has internal consistency or coherence and uses terminology appro-
13 priate to the declarant's age or to the extent of the declarant's disability if the declarant is a person
14 with a developmental disability;

15 (J) Whether the statement is spontaneous or directly responsive to questions; and

16 (K) Whether the statement was elicited by leading questions.

17 (c) This subsection applies to all civil, criminal and juvenile proceedings.

18 (d) This subsection applies to a child declarant, a declarant who is an elderly person as defined
19 in ORS 124.050 or an adult declarant with a developmental disability. For the purposes of this sub-
20 section, "developmental disability" means any disability attributable to mental retardation, autism,
21 cerebral palsy, epilepsy or other disabling neurological condition that requires training or support
22 similar to that required by persons with mental retardation, if either of the following apply:

23 (A) The disability originates before the person attains 22 years of age, or if the disability is at-
24 tributable to mental retardation the condition is manifested before the person attains 18 years of
25 age, the disability can be expected to continue indefinitely, and the disability constitutes a sub-
26 stantial handicap to the ability of the person to function in society.

27 (B) The disability results in a significant subaverage general intellectual functioning with con-
28 current deficits in adaptive behavior that are manifested during the developmental period.

29 (19) Reputation among members of a person's family by blood, adoption or marriage, or among
30 a person's associates, or in the community, concerning a person's birth, adoption, marriage, divorce,
31 death, legitimacy, relationship by blood or adoption or marriage, ancestry, or other similar fact of
32 a person's personal or family history.

33 (20) Reputation in a community, arising before the controversy, as to boundaries of or customs
34 affecting lands in the community, and reputation as to events of general history important to the
35 community or state or nation in which located.

36 (21) Reputation of a person's character among associates of the person or in the community.

37 (22) Evidence of a final judgment, entered after a trial or upon a plea of guilty, but not upon a
38 plea of no contest, adjudging a person guilty of a crime other than a traffic offense, to prove any
39 fact essential to sustain the judgment, but not including, when offered by the government in a
40 criminal prosecution for purposes other than impeachment, judgments against persons other than the
41 accused. The pendency of an appeal may be shown but does not affect admissibility.

42 (23) Judgments as proof of matters of personal, family or general history, or boundaries, essen-
43 tial to the judgment, if the same would be provable by evidence of reputation.

44 (24) Notwithstanding the limits contained in subsection (18a) of this section, in any proceeding
45 in which a child under 12 years of age at the time of trial, or a person with a developmental disa-

1 bility as described in subsection (18a)(d) of this section, may be called as a witness to testify con-
2 cerning an act of abuse, as defined in ORS 419B.005, or sexual conduct performed with or on the
3 child or person with a developmental disability by another, the testimony of the child or person with
4 a developmental disability taken by contemporaneous examination and cross-examination in another
5 place under the supervision of the trial judge and communicated to the courtroom by closed-circuit
6 television or other audiovisual means. Testimony will be allowed as provided in this subsection only
7 if the court finds that there is a substantial likelihood, established by expert testimony, that the
8 child or person with a developmental disability will suffer severe emotional or psychological harm
9 if required to testify in open court. If the court makes such a finding, the court, on motion of a
10 party, the child, the person with a developmental disability or the court in a civil proceeding, or on
11 motion of the district attorney, the child or the person with a developmental disability in a criminal
