22       (2) If a remonstrance petition on a proposed change or merger signed by at least five percent  
23 or at least 500, whichever is less, of the electors of a school district affected by the proposed change  
24 or merger is filed with the district boundary board within 20 days after the date of the order to ef-

30 remonstrance petitions have been filed, commencing with the least populous district and progressing  
31 in order of population to the most populous district. If the majority of votes in each election favor

40 and issue an order without further elections.

41       (4) For any school district merger that is initiated [*under*] **as described in** ORS 327.106 [(3)]

44 has, prior to the merger, paid tuition for the majority of its high school students to attend an out-

8 (c) The parents of a student who wish the student to attend the out-of-state high school must  
9 agree to pay the difference, if any, between what the district is authorized to pay as tuition under  
10 paragraph (b) of this subsection and the amount of tuition charged by the out-of-state high school.
