22 (6) The board by rule may establish conditions for applicants or persons licensed under this  
 23 chapter under which the applicant or licensee must file a bond of an amount up to five times as  
 24 much as the amount required ordinarily of an applicant or licensee under ORS 701.081 or 701.084.  
 25 The board may reduce the amount of bond it would otherwise require if the contractor demonstrates  
 26 satisfactory completion of approved elective classes on dispute resolution and prevention, basic ac-  
 27 counting and record keeping or such other classes as the board may prescribe.

28 [*(7) The bond required under this section is for the exclusive purpose of payment of final orders*

30 [(8) *Upon determination under ORS 701.145 or 701.146 of a complaint against a contractor who*  
 31 *holds a bond required under this section, the board shall notify the surety on the bond of the final*  
 32 *order in a manner determined by the board by rule. The notification shall include a list of all com-*  
 33 *plaints upon which a final order has been issued.*]

34 **(7) The bond required under this section is for the exclusive purpose of payment of**  
 35 **amounts for which the board has determined the surety to have responsibility.**

36 **(8) Upon issuance of a determination under ORS 701.145 or 701.146 for a complaint against**  
 37 **a contractor who holds a bond required under this section, the board shall notify the surety**  
 38 **on the bond of the determination in a manner determined by the board by rule. The notifi-**  
 39 **cation shall include a list of all board determinations for payment by the surety from the**  
 40 **bond.**

41 (9) A court action may not be commenced against a surety on a bond required under this section  
 42 until 30 days after the date that the surety is notified by the board under ORS 701.150 that payment  
 43 is due on the [*final order*] **determination.**

44 (10) In any action against a surety on a bond under this section that is based on the failure of  
 45 the surety to pay [*a final order*] **an amount determined by the board**, the court may award:

1 (a) Costs;

2 (b) Reasonable attorney fees to the prevailing party as part of the costs; and

3 [(c) *Twice the amount of any damages that the board ordered the surety to pay on the complaint,*  
4 *if the surety arbitrarily and capriciously refused to pay upon order of the board.*]

5 **(c) Twice the amount that the board determined the surety must pay on the complaint,**  
6 **if the surety arbitrarily and capriciously refused to pay.**

7 **SECTION 40.** ORS 701.088 is amended to read:

8 701.088. (1) As used in this section:

9 (a) "Illegal drug manufacturing site" has the meaning given that term in ORS 453.858.

10 (b) "Nonprofit organization" means an organization or group of organizations described in sec-  
11 tion 501(c)(3) of the Internal Revenue Code that is exempt from income tax under section 501(a) of  
12 the Internal Revenue Code.

13 (2) The Construction Contractors Board shall adopt rules prescribing terms and conditions under  
14 which a general or specialty contractor that is a nonprofit organization engaged in rehabilitating  
15 an illegal drug manufacturing site may substitute a letter of credit from a bank authorized to do  
16 business in this state, or substitute a cash deposit, for a bond required under ORS 701.068. A letter  
17 of credit or cash deposit described in this section substitutes for a bond only for purposes of work  
18 the contractor performs on an illegal drug manufacturing site. The letter of credit or cash deposit  
19 must be equivalent in amount to the bond that would otherwise be required of the contractor under  
20 ORS 701.068.

21 (3) The board may charge a contractor a fee to cover any expense incurred by the board in al-  
22 lowing the contractor to substitute a letter of credit or cash deposit under this section.

23 (4) A contractor that supplies a letter of credit or cash deposit under this section is considered  
24 to be bonded under ORS 701.068 for purposes of performing rehabilitation work on illegal drug  
25 manufacturing sites. A letter of credit or cash deposit that a contractor supplies under this section  
26 is considered to be a surety bond issued under ORS 701.068 for purposes of claims involving the  
27 contractor's rehabilitation work on illegal drug manufacturing sites. The issuer of a letter of credit  
28 described in this section is considered to be a surety for a bond only for purposes of receiving  
29 [notice] **notification of a determination** under ORS 701.068 or 701.146.

30 **SECTION 41.** ORS 701.117 is amended to read:

31 701.117. A contractor shall notify the Construction Contractors Board of any change of address  
32 while licensed and for one year following the date the contractor's license expires or otherwise be-  
33 comes inactive. The contractor shall so notify the board within 10 days of the date upon which the  
34 change of address occurs. Initial notice of a contested case [or arbitration] directed by the board to  
35 the last-known address of record shall be considered delivered when deposited in the United States  
36 mail and sent registered or certified or post office receipt secured. Any other communication di-  
37 rected by the board to the last-known address of record shall be considered delivered when depos-  
38 ited in the United States mail, regular mail.

39 **SECTION 42.** ORS 701.133, as amended by section 49, chapter 107, Oregon Laws 2010, is  
40 amended to read:

41 701.133. (1) Unless otherwise provided by the Construction Contractors Board by rule, before  
42 filing a complaint under ORS 701.139, a person must send notice to the contractor that the person  
43 intends to file the complaint. The person must send the notice at least 30 days before filing the  
44 complaint. The notice must be mailed by certified mail to the last known address of the contractor  
45 as shown in board records. The board by rule may:

1 (a) Specify the manner in which the person may show compliance with this subsection at the  
2 time of filing the complaint.

3 (b) Provide that all or part of the requirements for sending a notice under this subsection may  
4 be waived if the contractor, by other means, has actual notice of the dispute with the person filing  
5 the complaint.

6 (2) If the notice described in subsection (1) of this section is mailed to the contractor fewer than  
7 45 days before expiration of the time limitation under ORS 701.143 for the board to receive the  
8 complaint, the time limitation for the board to receive the complaint does not expire until 60 days  
9 after the notice is mailed.

10 (3) The board by rule may impose a processing fee for complaints filed under ORS 701.139. The  
11 fee amount may not exceed the amount of the filing fee provided by ORS 21.110 (6) for a plaintiff  
12 filing a civil action in circuit court. The board may impose different processing fees for complaints  
13 processed under ORS 701.145 than for complaints processed under ORS 701.146.

14 (4) If the board adopts rules under subsection (3) of this section, the rules:

16 ing complainant recover processing fees [*as damages in the final order of the board*].

17 (b) Must provide that the board may waive or defer all or part of the processing fee upon ap-  
18 plication by the person filing the complaint that shows the person is unable to pay all or part of the  
19 fee. The application must be made under oath and notarized. The application must show the average  
20 monthly income and expenses of the complainant, assets and liabilities of the complainant and any  
21 other information required by board rule.

22 (c) May provide for the processing fee to be waived for all complaints that are based on the  
23 furnishing of labor by a complainant to a contractor. The board may provide for processing fee  
24 waiver under this paragraph only if, in the opinion of the board, a majority of complainants who file  
25 complaints based on the furnishing of labor to contractors are eligible for fee waivers as described  
26 in paragraph (b) of this subsection.

27 **SECTION 43.** ORS 701.133, as amended by sections 49 and 50, chapter 107, Oregon Laws 2010,  
28 is amended to read:

29 701.133. (1) Unless otherwise provided by the Construction Contractors Board by rule, before  
30 filing a complaint under ORS 701.139, a person must send notice to the contractor that the person  
31 intends to file the complaint. The person must send the notice at least 30 days before filing the  
32 complaint. The notice must be mailed by certified mail to the last known address of the contractor  
33 as shown in board records. The board by rule may:

34 (a) Specify the manner in which the person may show compliance with this subsection at the  
35 time of filing the complaint.

36 (b) Provide that all or part of the requirements for sending a notice under this subsection may  
37 be waived if the contractor, by other means, has actual notice of the dispute with the person filing  
38 the complaint.

39 (2) If the notice described in subsection (1) of this section is mailed to the contractor fewer than  
40 45 days before expiration of the time limitation under ORS 701.143 for the board to receive the  
41 complaint, the time limitation for the board to receive the complaint does not expire until 60 days  
42 after the notice is mailed.

43 (3) The board by rule may impose a processing fee for complaints filed under ORS 701.139. The  
44 fee amount may not exceed the amount of the filing fee provided by ORS 21.110 (1) for a plaintiff  
45 filing a civil action in circuit court. The board may impose different processing fees for complaints

1 processed under ORS 701.145 than for complaints processed under ORS 701.146.

2 (4) If the board adopts rules under subsection (3) of this section, the rules:

3 (a) Except as provided in paragraphs (b) and (c) of this subsection, must provide that a prevail-  
4 ing complainant recover processing fees [*as damages in the final order of the board*].

5 (b) Must provide that the board may waive or defer all or part of the processing fee upon ap-  
6 plication by the person filing the complaint that shows the person is unable to pay all or part of the  
7 fee. The application must be made under oath and notarized. The application must show the average  
8 monthly income and expenses of the complainant, assets and liabilities of the complainant and any  
9 other information required by board rule.

10 (c) May provide for the processing fee to be waived for all complaints that are based on the  
11 furnishing of labor by a complainant to a contractor. The board may provide for processing fee  
12 waiver under this paragraph only if, in the opinion of the board, a majority of complainants who file  
13 complaints based on the furnishing of labor to contractors are eligible for fee waivers as described  
14 in paragraph (b) of this subsection.

15 **SECTION 44.** ORS 701.139 is amended to read:

16 701.139. The Construction Contractors Board may determine the validity of a complaint de-  
17 scribed in ORS 701.140 filed against a licensed contractor. A person must file the complaint within

19 as follows:

20 (1) A complaint against a residential contractor that is not also endorsed as a commercial con-

32 (c) Involving work on a large commercial structure or an appurtenance to a large commercial  
33 structure must be resolved as provided in ORS 701.146.

34 *[(4) Notwithstanding subsections (1) to (3) of this section and except as provided in ORS 701.148,*  
35 *with prior agreement of the complainant and the licensed contractor, a complaint may be resolved by*  
36 *the board through binding arbitration under ORS 701.148.]*

37 **SECTION 45.** ORS 701.140 is amended to read:

38 701.140. A complaint under ORS 701.139 must arise from the performance, or a contract for the  
39 performance, of work that requires a contractor license issued by the Construction Contractors  
40 Board. The complaint must be of one or more of the following types:

4 *cessed under ORS 701.145, the Construction Contractors Board may reduce the amount of the com-*  
5 *plaint by any amount the complainant owes the contractor.*] The board shall process complaints  
6 described in this subsection under ORS 701.145 only if:

7 (a) The owner paid the contractor for that contractor's work subject to this chapter;

8 (b) A lien is filed against the property of the owner under ORS 87.010 to 87.060 and 87.075 to  
9 87.093 because the contractor failed to pay the person claiming the lien for that person's contribu-  
10 tion toward completion of the improvement; and

11 (c) The complaint is described in ORS 701.139 (1) or (3)(a) or (b).

24 (3)(b) that a complainant elects to have resolved under this section:

25 (1) The complainant must file the complaint with the Construction Contractors Board in a form  
26 prescribed by the board.

27 (2) The board may suspend processing of the complaint if:

28 (a) The same facts and issues involved in the complaint have been submitted to a court of  
29 competent jurisdiction for determination or have been submitted to any other entity authorized by  
30 law or the parties to effect a resolution or settlement; or

31 (b) The board determines that the nature or complexity of the dispute described in the complaint  
32 is such that a court is the appropriate forum for the adjudication of the dispute.

33 (3) The board may dismiss or close the complaint as established by rule of the board if any of  
34 the following conditions apply:

35 (a) The complainant does not respond to a board request and the request is necessary to the  
36 board's investigation of the complaint.

37 (b) The complainant does not allow the board to conduct one or more on-site meetings to medi-

39 (c) The complainant does not permit the contractor against whom the complaint is filed to be

42 *complying with recommendations made by the board relative to the complaint, but the complainant does*  
43 *not permit the contractor to comply with the recommendations. The board may refuse to accept or fur-*  
44 *ther process a complaint under this paragraph only if the contractor was licensed at the time the work*  
45 *was first performed and is licensed at the time the board makes its recommendations.*]

1        *[(e)]* **(d)** The amount in controversy is less than an amount adopted by the board and not more  
2 than \$250.

3        *[(4) Upon acceptance of the complaint, the board shall give notice to the contractor against whom*  
4 *the complaint is made and shall initiate proceedings to determine the validity of the complaint. If, after*  
5 *investigation, the board determines that a violation of this chapter or of any rule adopted thereunder*  
6 *has occurred, or damage has been caused by the contractor, the board may recommend to the contractor*  
7 *such action as the board considers appropriate to compensate the complainant. If the contractor per-*  
8 *forms accordingly, the board shall give that fact due consideration in any subsequent disciplinary*  
9 *proceeding brought by the board. The board may conduct one or more on-site meetings to mediate or*  
10 *investigate the complaint.]*

11        *[(5) Subject to ORS 701.148, if the board is unable to resolve the complaint under subsection (4)*  
12 *of this section, the board may issue a contested case notice under ORS 183.415 and:]*

13        *[(a) Issue a proposed default order under ORS 183.417 to become effective only if a party does not*

16        *[(6) The board shall send a copy of the notice and any proposed order described in subsection (5)*  
17 *of this section to the surety on the contractor bond required by ORS 701.068.]*

18        **(4) Upon acceptance of the complaint, the board shall give notice to the contractor**  
19 **against whom the complaint is made and shall initiate proceedings to determine board ju-**  
20 **isdiction over the complaint. The board shall attempt to conduct one or more meetings on-**  
21 **site or by telephone to mediate a dispute. During mediation of a dispute, the board may**  
22 **recommend to the contractor such action as the board considers appropriate to compensate**  
23 **the complainant. If the contractor performs accordingly, the board shall give that fact due**  
24 **consideration in any subsequent disciplinary proceeding brought by the board.**

25        **(5) If the parties do not resolve or settle the complaint, except as provided in subsection**  
26 **(6) of this section, the complainant may recover payment from the bond of the contractor**

29 **or**

30        **(b) An arbitration award against the contractor that a court has reduced to a final**  
31 **judgment.**

32        **(6) If the complaint is filed under ORS 701.140 (4), the complainant may recover payment**  
33 **from the bond of the contractor as provided in subsection (5)(a) of this section or by ob-**  
34 **taining a final order issued by the Bureau of Labor and Industries that states an amount of**  
35 **unpaid wages that the licensed contractor owes under ORS 652.140 or ORS 653.010 to 653.261.**

36        **(7) For purposes of subsections (5) and (6) of this section, “final” means that the judg-**  
37 **ment or order has become final by operation or law or on appeal.**

38        **(8) The board shall send the surety on the contractor bond required under ORS 701.068**  
39 **a copy of the final judgment or bureau final order, and a copy of a determination issued by**  
40 **the board that the surety must pay the amount stated by the board. A determination issued**  
41 **by the board may not include payment of any attorney fees awarded in the final judgment**  
42 **or bureau final order. The determination issued by the board is an order in other than a**  
43 **contested case proceeding. The determination order is not recordable under ORS 701.153 (1)**  
44 **and (2) to create a lien.**

45        **SECTION 47.** ORS 701.146 is amended to read:

1 701.146. For a complaint described in ORS 701.139 (2) or (3)(c) or a complaint under ORS 701.139  
2 (3)(b) that a complainant elects to have resolved under this section:

3 (1) The person seeking to file the complaint with the Construction Contractors Board must:

4 (a) Bring an action on the dispute against the licensed contractor in a court of competent ju-  
5 risdiction; or

6 (b) Initiate a proceeding to resolve the dispute through binding arbitration substantially in  
7 conformance with ORS 36.600 to 36.740.

8 (2) The complainant must file the complaint with the Construction Contractors Board by deliv-  
9 ering to the board a copy of the complainant's court pleading or the demand for arbitration or other  
10 document necessary to initiate arbitration. The pleading, demand or other document must be ac-  
11 companied by a completed board complaint form. The complainant must also give notice to the  
12 surety on the bond by delivering to the surety a copy of the complainant's court pleading or the  
13 demand for arbitration or other document necessary to initiate arbitration and a copy of the com-  
14 pleted board complaint form. Delivery to the board and the surety must be accomplished by certified  
15 mail, return receipt requested, no later than the earlier of:

16 (a) The 90th day after filing the court action or after filing or making the arbitration demand  
17 or other initiation of arbitration;

18 (b) The 14th day before the first day of trial or arbitration; or

19 (c) The 30th day before:

20 (A) The court issues a judgment in the action; or

21 (B) The arbitrator issues an award on the arbitration.

22 (3) Filing the complaint with the board under subsection (2) of this section constitutes filing the  
23 complaint for purposes of establishing timeliness of the complaint under ORS 701.143 and priority  
24 of the complaint for possible payment from the bond under ORS 701.157.

25 (4) Except as provided in this subsection and subsection (7) of this section, if the complainant  
26 properly gives notice to the surety under subsection (2) of this section, a judgment or award against  
27 the contractor entered in the action or arbitration is binding on the surety. If the complainant de-  
28 livers the notice required under subsection (2) of this section to the wrong surety, the surety re-  
29 ceiving the notice may avoid being bound by a judgment or award by delivering notice of the  
30 mistake to the complainant or the complainant's attorney of record, and to the board, on or before  
31 the 30th day after the surety receives notice under subsection (2) of this section. Delivery of the  
32 notice of mistake must be by certified mail, return receipt requested, or by facsimile machine or  
33 other form of transmission with an acknowledgment of receipt.

34 (5) A surety under subsection (2) of this section has an absolute right to intervene in an action  
35 or arbitration brought or initiated under subsection (1) of this section. A complainant may not join  
36 a surety as a party to an action or arbitration unless the complainant disputes the validity or  
37 timeliness of the surety's notice of mistake or the surety disputes the validity or timeliness of the  
38 delivery to the surety of the notice required by subsection (2) of this section. If the surety elects to  
39 intervene or is joined as a party, the surety is bound by all issues of fact and law determined by the  
40 court or arbitrator and may not seek board review of those determinations.

41 (6) If a court issues a judgment on an action, or reduces an arbitration award to judgment,  
42 against a contractor on a complaint described in subsection (1) of this section, the complainant must  
43 deliver a certified copy of the judgment to the board and to the surety no later than the 30th day  
44 after entry of the judgment in order to maintain the complaint and possibly receive payment from  
45 the bond. The entry of a final judgment against the contractor concludes the contractor's involve-

1 ment in any proceedings to determine whether the complaint is subject to payment from the bond.  
 2 The complainant and the surety are the only parties to the administrative process set forth in sub-  
 3 section (7) of this section.

4 (7) Upon receipt of a timely delivered certified copy of the judgment as described in subsection  
 5 (6) of this section, the board shall issue a [*proposed order in*] **determination that the surety must**  
 6 **pay the amount stated by the board. The determination issued by the board is an order in**  
 7 **other than a contested case proceeding. The determination shall include** the amount of the  
 8 judgment together with any costs, interest and attorney fees awarded under the judgment, to the  
 9 extent that the judgment, costs, interest and fees are within the jurisdiction of the board. The  
 10 board's determination of the complaint is limited to whether the complaint comes within the juris-  
 11 diction of the board and is subject to payment by the surety. [*The board shall issue the proposed*  
 12 *order in a form that indicates the surety's maximum liability to the complainant. If a hearing is not*  
 13 *requested within the time set forth in the proposed order, the proposed order becomes final without any*  
 14 *further action by the board. If a hearing is requested, unless review of an issue is precluded under*  
 15 *subsection (5) of this section, the board may determine:]*

16 [(a) *Whether the complaint was timely filed with the board as provided in ORS 701.143.*]

17 [(b) *Whether the surety received timely notice as provided in subsections (2) and (6) of this*  
 18 *section.*]

19 [(c) *Whether the complaint is for work subject to this chapter.*]

20 [(d) *The extent of the surety's liability to the complainant.*]

21 **SECTION 48.** ORS 701.149 is amended to read:

22 701.149. [(1) *An arbitration conducted under ORS 701.148 must be held before an administrative*  
 23 *law judge assigned under ORS 183.605 to 183.690 to act as arbitrator on behalf of the Construction*  
 24 *Contractors Board. The assignment of an administrative law judge to act as arbitrator is subject to a*  
 25 *request for a different arbitrator under ORS 183.645 or a rule adopted pursuant to ORS 183.645.]*

26 [(2) *If a party to a complaint under ORS 701.145 requests a contested case hearing, the board shall*  
 27 *schedule the hearing.*]

28 [(3) *The board may adopt rules governing the avoidance of a contested case hearing. The rules*  
 29 *may include, but need not be limited to, a limit on the time period during which a party to a complaint*  
 30 *may avoid a contested case hearing by filing a court action.*]

31 [(4) *Contested case hearings before the board must be conducted by an administrative law judge*

15 **52 of this 2011 Act apply to complaints filed with the Construction Contractors Board on or**  
16 **after July 1, 2011. The Legislative Assembly expressly intends that the amendments to ORS**

25 (3) The repeal of ORS 87.058 by section 53 of this 2011 Act does not affect any stay of  
26 proceedings issued by a court prior to July 1, 2011, under ORS 87.058. Notwithstanding the  
27 repeal of ORS 87.058 by section 53 of this 2011 Act, an owner of a structure subject to a lien

31 **SECTION 55. Section 56 of this 2011 Act is added to and made a part of ORS 87.001 to**  
32 **87.060.**

33 **SECTION 56. (1) As used in this section:**

34 (a) Notwithstanding ORS 87.005, "contractor" has the meaning given that term in ORS  
35 701.005.

36 (b) "Board" means the Construction Contractors Board established in ORS 701.205.

37 (2) If a person files a suit to enforce a lien perfected under ORS 87.035 and the owner of  
38 the structure subject to that lien files a complaint that is being processed by the board under  
39 ORS 701.145 against a contractor who performed work on the structure, the owner may ob-  
40 tain a stay of proceedings on the suit to enforce the lien if:

41 (a) The owner already has paid the contractor for that contractor's work that is subject  
42 to this chapter on the structure;

43 (b) The person suing to enforce the lien perfected under ORS 87.035:

44 (A) Performed work that is subject to ORS chapter 701 on the structure for the con-  
45 tractor who has been paid by the owner;

2 structure to the contractor who has been paid by the owner; or

3 (C) Otherwise acquired the lien as a result of a contribution toward completion of the  
4 structure for which the contractor has been paid by the owner; and

5 (c) The continued existence of the lien on which the suit is pending is attributable to the  
6 failure of the contractor who has been paid by the owner to pay the person suing for that  
7 person's contribution toward completion of the structure.

8 (3) The owner may petition for the stay of proceedings described in subsection (2) of this  
9 section by filing the following papers in the circuit court in which the suit on the lien is  
10 pending:

17 lien is pending; and

18 (D) A statement that the petitioner is the owner of the structure.

19 (4) Upon receipt of a complete petition described in subsection (3) of this section, the  
20 circuit court shall stay proceedings on the suit to enforce the lien.

21 (5) After the board order on the complaint becomes final and the board issues any re-  
22 quired notice for payment against the contractor's bond or deposit, the circuit court shall  
23 dissolve the stay ordered under subsection (4) of this section.

24 SECTION 57. Section 58 of this 2011 Act is added to and made a part of ORS chapter 701.

25 SECTION 58. (1) Subject to subsection (4) of this section, if the resolution of a complaint  
26 under ORS 701.145 requires a hearing, the Construction Contractors Board may require that  
27 the hearing be conducted as a binding arbitration under rules adopted by the board under  
28 subsection (3) of this section. This subsection does not authorize the board to require binding  
29 arbitration of a complaint that is subject to ORS 701.146.

30 (2) The board may use mediation or arbitration to resolve a construction dispute between  
31 any parties who agree to follow the rules of the board, other than a dispute involving work  
32 on a large commercial structure.

33 (3) Except as provided in this subsection, rules adopted by the board to regulate arbi-  
34 tration under subsections (1) and (2) of this section must substantially conform with the  
35 provisions of ORS 36.600, 36.610 to 36.630, 36.635 (2), 36.640, 36.645 (2), 36.650 to 36.680, 36.685  
36 (1) and 36.690 to 36.740. The rules may:

37 (a) Require that a hearing under ORS 183.413 to 183.470 be conducted for issues for which  
38 a petition could be filed under ORS 36.615, 36.620, 36.625 and 36.640;

39 (b) Limit orders and awards made by the arbitrator as necessary to comply with this  
40 chapter;

41 (c) Require that a request that an arbitrator modify or correct an award under ORS  
42 36.690 be submitted in a form specified by the rule;

43 (d) Require that a petition under ORS 36.705 (2) or 36.710 (1) be filed in a shorter period  
44 of time than provided by ORS 36.705 and 36.710; and

45 (e) Include any other provision necessary to conform the arbitration to this chapter.

1       **(4) A party to a complaint that is subject to a board order of binding arbitration under**  
2 **subsection (1) of this section may avoid the arbitration if the party requests to have the**  
3 **complaint resolved through a contested case hearing or files a court action. A party making**  
4 **a hearing request or filing a court action under this subsection is subject to the following**  
5 **provisions:**

6       **(a) If the party requests to have a complaint resolved through a contested case hearing,**  
7 **the party must, within the time specified in paragraph (c) of this subsection, deliver the re-**  
8 **quest in writing to the board and to all parties entitled by board rule to receive a copy of the**  
9 **request.**

10       **(b) If the party files a court action, the party must, within the time specified in para-**  
11 **graph (c) of this subsection, deliver a copy of the party's court pleading to the board and to**  
12 **all persons entitled by board rule to receive a copy of the pleading. If the party filing the**  
13 **court action is the complainant to the board, the complainant must plead all facts and issues**  
14 **of the board complaint in the court action. If the court action is filed by the contractor**  
15 **against whom a board complaint is alleged, the court action must be an action for damages,**  
16 **an action for declaratory judgment or another action that allows the board complainant to**  
17 **file a response pleading all facts and issues of the board complaint. The board complainant**  
18 **has the burden of proving the elements of the board complaint in a court action described**  
19 **in this paragraph.**

20       **(c) A party that is subject to paragraph (a) or (b) of this subsection must deliver the**  
21 **contested case hearing request or the copy of the party's court pleading to the board as de-**  
22 **scribed in paragraphs (a) and (b) of this subsection no later than the 30th day after the board**  
23 **sends notice that an arbitration hearing has been scheduled. Failure to timely deliver a re-**  
24 **quest or court pleading under this paragraph constitutes consent to the binding arbitration.**

25       **(d) If a party makes a timely request under paragraph (a) of this subsection for a con-**  
26 **tested case hearing and another party timely files a court action and complies with para-**  
27 **graph (b) of this subsection, the filing of the court action supersedes the request for a**  
28 **contested case hearing.**

29       **(e) A party may not withdraw a request made in compliance with paragraph (a) of this**  
30 **subsection unless all parties agree to the withdrawal.**

31       **(f) The board may adopt a rule that a contested case hearing for a complaint seeking less**  
32 **than \$1,000 is not available under this subsection.**

33       **(g) The provisions of paragraph (b) of this subsection are in addition to any other re-**  
34 **quirements imposed by law regarding the filing of a court action.**

35       **(5) The board may refuse to accept a dispute for mediation or arbitration under sub-**  
36 **section (1) or (2) of this section if the board determines that the nature or complexity of the**  
37 **dispute is such that a court or other forum is more appropriate for resolution of the dispute.**

- 43 701.068. (1) An applicant for issuance or renewal of a contractor license shall file with the
- 44 Construction Contractors Board a surety bond with one or more corporate sureties authorized to
- 45 do business in this state in the amount set forth in ORS 701.081 or 701.084.

1 (2) If an applicant for issuance, renewal or an additional endorsement of a license will hold  
 2 endorsements as both a residential contractor and a commercial contractor, the applicant shall file  
 3 with the board a surety bond for each endorsement in the amount set forth in ORS 701.081 or  
 4 701.084.

5 (3) The surety bond for a residential contractor must provide that the applicant, with regard to  
 6 work subject to this chapter, will pay amounts [*determined*] **ordered paid** by the board [*as*  
 7 *provided*] under ORS 701.145. The surety bond for a commercial contractor must provide that the  
 8 applicant, with regard to work subject to this chapter, will pay amounts [*determined*] **ordered paid**  
 9 by the board [*as provided*] under ORS 701.146. Bonds filed under this section shall remain in effect  
 10 for at least one year or until depleted by payments under ORS 701.150, 701.153 and 701.157, unless  
 11 the surety sooner cancels the bond. At the discretion of the surety the bond may be continued for  
 12 an additional period by continuation certificate. Except as provided in subsection (4) of this section,

 21 is required by a board condition or rule described in subsection (5) or (6) of this section. The board  
 22 may allow a licensee to obtain, instead of a new bond, a certification that the surety remains liable  
 23 for the full penal sum of the bond, notwithstanding payment by the surety on the complaint.

24 (5) If the amount the licensee must pay against the bond under subsection (3) of this section  
 25 exceeds the amount of the bond, the board shall suspend the contractor's license until the amount  
 26 owed is paid. The board, as a condition of ending the suspension, may require a contractor re-  
 27 questing reinstatement of a license to file a bond of an amount up to five times as much as the  
 28 amount required ordinarily of a licensee under ORS 701.081 or 701.084.

29 (6) The board by rule may establish conditions for applicants or persons licensed under this  
 30 chapter under which the applicant or licensee must file a bond of an amount up to five times as  
 31 much as the amount required ordinarily of an applicant or licensee under ORS 701.081 or 701.084.  
 32 The board may reduce the amount of bond it would otherwise require if the contractor demonstrates  
 33 satisfactory completion of approved elective classes on dispute resolution and prevention, basic ac-  
 34 counting and record keeping or such other classes as the board may prescribe.

35 [*(7) The bond required under this section is for the exclusive purpose of payment of amounts for*  
 36 *which the board has determined the surety to have responsibility.*]

37 [*(8) Upon issuance of a determination under ORS 701.145 or 701.146 for a complaint against a*  
 38 *contractor who holds a bond required under this section, the board shall notify the surety on the bond*  
 39 *of the determination in a manner determined by the board by rule. The notification shall include a list*  
 40 *of all board determinations for payment by the surety from the bond.*]

41 **(7) The bond required under this section is for the exclusive purpose of payment of final**  
 42 **orders and arbitration awards of the board in accordance with this chapter.**

43 **(8) Upon determination under ORS 701.145 or 701.146 of a complaint against a contractor**  
 44 **who holds a bond required under this section, the board shall notify the surety on the bond**  
 45 **of the final order in a manner determined by the board by rule. The notification shall include**

1 **a list of all complaints upon which a final order has been issued.**

2 (9) A court action may not be commenced against a surety on a bond required under this section  
3 until 30 days after the date that the surety is notified by the board under ORS 701.150 that payment  
4 is due on the [*determination*] **final order**.

5 (10) In any action against a surety on a bond under this section that is based on the failure of  
6 the surety to pay [*an amount determined by the board*] **a final order**, the court may award:

7 (a) Costs;

8 (b) Reasonable attorney fees to the prevailing party as part of the costs; and

9 [*(c) Twice the amount that the board determined the surety must pay on the complaint, if the surety*  
10 *arbitrarily and capriciously refused to pay.*]

11 **(c) Twice the amount of any damages that the board ordered the surety to pay on the**  
12 **complaint, if the surety arbitrarily and capriciously refused to pay upon order of the board.**

20 which a general or specialty contractor that is a nonprofit organization engaged in rehabilitating  
21 an illegal drug manufacturing site may substitute a letter of credit from a bank authorized to do  
22 business in this state, or substitute a cash deposit, for a bond required under ORS 701.068. A letter  
23 of credit or cash deposit described in this section substitutes for a bond only for purposes of work  
24 the contractor performs on an illegal drug manufacturing site. The letter of credit or cash deposit  
25 must be equivalent in amount to the bond that would otherwise be required of the contractor under  
26 ORS 701.068.

27 (3) The board may charge a contractor a fee to cover any expense incurred by the board in al-  
28 lowing the contractor to substitute a letter of credit or cash deposit under this section.

29 (4) A contractor that supplies a letter of credit or cash deposit under this section is considered  
30 to be bonded under ORS 701.068 for purposes of performing rehabilitation work on illegal drug  
31 manufacturing sites. A letter of credit or cash deposit that a contractor supplies under this section  
32 is considered to be a surety bond issued under ORS 701.068 for purposes of claims involving the  
33 contractor's rehabilitation work on illegal drug manufacturing sites. The issuer of a letter of credit  
34 described in this section is considered to be a surety for a bond only for purposes of receiving [*no-*  
35 *tification of a determination*] **notice** under ORS 701.068 or 701.146.

36 **SECTION 62.** ORS 701.117, as amended by section 41 of this 2011 Act, is amended to read:

37 701.117. A contractor shall notify the Construction Contractors Board of any change of address  
38 while licensed and for one year following the date the contractor's license expires or otherwise be-  
39 comes inactive. The contractor shall so notify the board within 10 days of the date upon which the  
40 change of address occurs. Initial notice of a contested case **or arbitration** directed by the board to  
41 the last-known address of record shall be considered delivered when deposited in the United States  
42 mail and sent registered or certified or post office receipt secured. Any other communication di-  
43 rected by the board to the last-known address of record shall be considered delivered when depos-  
44 ited in the United States mail, regular mail.

45 **SECTION 63.** ORS 701.133, as amended by sections 49 and 50, chapter 107, Oregon Laws 2010,

3 filing a complaint under ORS 701.139, a person must send notice to the contractor that the person  
4 intends to file the complaint. The person must send the notice at least 30 days before filing the  
5 complaint. The notice must be mailed by certified mail to the last known address of the contractor  
6 as shown in board records. The board by rule may:

7 (a) Specify the manner in which the person may show compliance with this subsection at the  
8 time of filing the complaint.

9 (b) Provide that all or part of the requirements for sending a notice under this subsection may  
10 be waived if the contractor, by other means, has actual notice of the dispute with the person filing  
11 the complaint.

12 (2) If the notice described in subsection (1) of this section is mailed to the contractor fewer than  
13 45 days before expiration of the time limitation under ORS 701.143 for the board to receive the  
14 complaint, the time limitation for the board to receive the complaint does not expire until 60 days  
15 after the notice is mailed.

16 (3) The board by rule may impose a processing fee for complaints filed under ORS 701.139. The  
17 fee amount may not exceed the amount of the filing fee provided by ORS 21.110 (1) for a plaintiff  
18 filing a civil action in circuit court. The board may impose different processing fees for complaints  
19 processed under ORS 701.145 than for complaints processed under ORS 701.146.

22 ing complainant recover processing fees **as damages in the final order of the board.**

26 monthly income and expenses of the complainant, assets and liabilities of the complainant and any  
27 other information required by board rule.

28 (c) May provide for the processing fee to be waived for all complaints that are based on the  
29 furnishing of labor by a complainant to a contractor. The board may provide for processing fee  
30 waiver under this paragraph only if, in the opinion of the board, a majority of complainants who file  
31 complaints based on the furnishing of labor to contractors are eligible for fee waivers as described  
32 in paragraph (b) of this subsection.

33 **SECTION 64.** ORS 701.139, as amended by section 44 of this 2011 Act, is amended to read:

40 [(8) The board shall send the surety on the contractor bond required under ORS 701.068 a copy  
41 of the final judgment or bureau final order, and a copy of a determination issued by the board that the  
42 surety must pay the amount stated by the board. A determination issued by the board may not include

42 of the complaint for possible payment from the bond under ORS 701.157.

43       (4) Except as provided in this subsection and subsection (7) of this section, if the complainant  
44 properly gives notice to the surety under subsection (2) of this section, a judgment or award against  
45 the contractor entered in the action or arbitration is binding on the surety. If the complainant de-

1   livers the notice required under subsection (2) of this section to the wrong surety, the surety re-  
 2   ceiving the notice may avoid being bound by a judgment or award by delivering notice of the  
 3   mistake to the complainant or the complainant's attorney of record, and to the board, on or before  
 4   the 30th day after the surety receives notice under subsection (2) of this section. Delivery of the  
 5   notice of mistake must be by certified mail, return receipt requested, or by facsimile machine or  
 6   other form of transmission with an acknowledgment of receipt.

7       (5) A surety under subsection (2) of this section has an absolute right to intervene in an action  
 8   or arbitration brought or initiated under subsection (1) of this section. A complainant may not join  
 9   a surety as a party to an action or arbitration unless the complainant disputes the validity or  
 10   timeliness of the surety's notice of mistake or the surety disputes the validity or timeliness of the  
 11   delivery to the surety of the notice required by subsection (2) of this section. If the surety elects to  
 12   intervene or is joined as a party, the surety is bound by all issues of fact and law determined by the  
 13   court or arbitrator and may not seek board review of those determinations.

14       (6) If a court issues a judgment on an action, or reduces an arbitration award to judgment,  
 15   against a contractor on a complaint described in subsection (1) of this section, the complainant must  
 16   deliver a certified copy of the judgment to the board and to the surety no later than the 30th day  
 17   after entry of the judgment in order to maintain the complaint and possibly receive payment from  
 18   the bond. The entry of a final judgment against the contractor concludes the contractor's involve-  
 19   ment in any proceedings to determine whether the complaint is subject to payment from the bond.  
 20   The complainant and the surety are the only parties to the administrative process set forth in sub-  
 21   section (7) of this section.

22       (7) Upon receipt of a timely delivered certified copy of the judgment as described in subsection  
 23   (6) of this section, the board shall issue a [*determination that the surety must pay the amount stated*  
 24   *by the board. The determination issued by the board is an order in other than a contested case pro-*  
 25   *ceeding. The determination shall include]* **proposed order in** the amount of the judgment together  
 26   with any costs, interest and attorney fees awarded under the judgment, to the extent that the  
 27   judgment, costs, interest and fees are within the jurisdiction of the board. The board's determination  
 28   of the complaint is limited to whether the complaint comes within the jurisdiction of the board and  
 29   is subject to payment by the surety. **The board shall issue the proposed order in a form that**  
 30   **indicates the surety's maximum liability to the complainant. If a hearing is not requested**  
 31   **within the time set forth in the proposed order, the proposed order becomes final without**  
 32   **any further action by the board. If a hearing is requested, unless review of an issue is pre-**  
 33   **cluded under subsection (5) of this section, the board may determine:**

34       (a) **Whether the complaint was timely filed with the board as provided in ORS 701.143.**

35       (b) **Whether the surety received timely notice as provided in subsections (2) and (6) of**  
 36   **this section.**

37       (c) **Whether the complaint is for work subject to this chapter.**

38       (d) **The extent of the surety's liability to the complainant.**

39       **SECTION 68.** ORS 701.149, as amended by section 48 of this 2011 Act, is amended to read:

40       701.149. (1) [*If the Construction Contractors Board suspends the processing of a complaint because*  
 41   *of the complaint having been submitted to a court or arbitrator or because of a court having stayed*  
 42   *action on the complaint,]* **An arbitration conducted under section 58 of this 2011 Act must be**  
 43   **held before an administrative law judge assigned under ORS 183.605 to 183.690 to act as**  
 44   **arbitrator on behalf of the Construction Contractors Board. The assignment of an adminis-**  
 45   **trative law judge to act as arbitrator is subject to a request for a different arbitrator under**

1 **ORS 183.645 or a rule adopted pursuant to ORS 183.645.**

2 **(2) If a party to a complaint under ORS 701.145 requests a contested case hearing, the**  
3 **board shall schedule the hearing.**

4 **(3) The board may adopt rules governing the avoidance of a contested case hearing. The**  
5 **rules may include, but need not be limited to, a limit on the time period during which a party**  
6 **to a complaint may avoid a contested case hearing by filing a court action.**

7 **(4) Contested case hearings before the board must be conducted by an administrative law**  
8 **judge assigned under ORS 183.605 to 183.690. Notwithstanding ORS 670.325, the board may**  
9 **delegate authority to the administrative law judge to issue a final order in any matter.**

10 **(5) In assigning administrative law judges for arbitration and contested case hearings**  
11 **conducted under this section, the chief administrative law judge of the Office of Adminis-**

13 **(6) If a complainant to the board files a court action,** the board may require that the  
14 complainant provide status reports on the pending court action [*or arbitration*]. The board may dis-  
15 miss or close a complaint filed under ORS 701.139 if the complainant fails to submit status reports  
16 on a pending court action [*or arbitration*].

17 [(2)] **(7) ORS 183.605 to 183.690 do not limit in any way the ability of the board to make full use**  
18 **of alternative dispute resolution, including mediation or [referral for] arbitration, to resolve com-**  
19 **plaints against contractors filed under ORS 701.139.**
