40 exceeds the amount of the bond, the board shall suspend the contractor’s license until the amount
41 owed is paid. The board, as a condition of ending the suspension, may require a contractor re-

8 *holds a bond required under this section, the board shall notify the surety on the bond of the final*
9 *order in a manner determined by the board by rule. The notification shall include a list of all com-*
10 *plaints upon which a final order has been issued.*]

11 “(7) **The bond required under this section is for the exclusive purpose of payment of**
12 **amounts for which the board has determined the surety to have responsibility.**

13 “(8) **Upon issuance of a determination under ORS 701.145 or 701.146 for a complaint**
14 **against a contractor who holds a bond required under this section, the board shall notify the**
15 **surety on the bond of the determination in a manner determined by the board by rule. The**
16 **notification shall include a list of all board determinations for payment by the surety from**
17 **the bond.**

18 “(9) A court action may not be commenced against a surety on a bond required under this sec-
19 tion until 30 days after the date that the surety is notified by the board under ORS 701.150 that
20 payment is due on the [*final order*] **determination.**

21 “(10) In any action against a surety on a bond under this section that is based on the failure

41 deposit must be equivalent in amount to the bond that would otherwise be required of the contractor
42 under ORS 701.068.

36 "(4) If the board adopts rules under subsection (3) of this section, the rules:

37 "(a) Except as provided in paragraphs (b) and (c) of this subsection, must provide that a pre-
38 vailing complainant recover processing fees [as damages in the final order of the board].

39 "(b) Must provide that the board may waive or defer all or part of the processing fee upon ap-
40 plication by the person filing the complaint that shows the person is unable to pay all or part of the
41 fee. The application must be made under oath and notarized. The application must show the average
42 monthly income and expenses of the complainant, assets and liabilities of the complainant and any
43 other information required by board rule.

44 "(c) May provide for the processing fee to be waived for all complaints that are based on the
45 furnishing of labor by a complainant to a contractor. The board may provide for processing fee

1 waiver under this paragraph only if, in the opinion of the board, a majority of complainants who file
2 complaints based on the furnishing of labor to contractors are eligible for fee waivers as described
3 in paragraph (b) of this subsection.

4 “**SECTION 43.** ORS 701.133, as amended by sections 49 and 50, chapter 107, Oregon Laws 2010,
5 is amended to read:

6 “701.133. (1) Unless otherwise provided by the Construction Contractors Board by rule, before
7 filing a complaint under ORS 701.139, a person must send notice to the contractor that the person
8 intends to file the complaint. The person must send the notice at least 30 days before filing the
9 complaint. The notice must be mailed by certified mail to the last known address of the contractor
10 as shown in board records. The board by rule may:

11 “(a) Specify the manner in which the person may show compliance with this subsection at the
12 time of filing the complaint.

13 “(b) Provide that all or part of the requirements for sending a notice under this subsection may
14 be waived if the contractor, by other means, has actual notice of the dispute with the person filing
15 the complaint.

16 “(2) If the notice described in subsection (1) of this section is mailed to the contractor fewer
17 than 45 days before expiration of the time limitation under ORS 701.143 for the board to receive the
18 complaint, the time limitation for the board to receive the complaint does not expire until 60 days
19 after the notice is mailed.

20 “(3) The board by rule may impose a processing fee for complaints filed under ORS 701.139. The
21 fee amount may not exceed the amount of the filing fee provided by ORS 21.110 (1) for a plaintiff
22 filing a civil action in circuit court. The board may impose different processing fees for complaints
23 processed under ORS 701.145 than for complaints processed under ORS 701.146.

24 “(4) If the board adopts rules under subsection (3) of this section, the rules:

25 “(a) Except as provided in paragraphs (b) and (c) of this subsection, must provide that a pre-
26 vailing complainant recover processing fees [*as damages in the final order of the board*].

27 “(b) Must provide that the board may waive or defer all or part of the processing fee upon ap-
28 plication by the person filing the complaint that shows the person is unable to pay all or part of the
29 fee. The application must be made under oath and notarized. The application must show the average
30 monthly income and expenses of the complainant, assets and liabilities of the complainant and any
31 other information required by board rule.

32 “(c) May provide for the processing fee to be waived for all complaints that are based on the
33 furnishing of labor by a complainant to a contractor. The board may provide for processing fee
34 waiver under this paragraph only if, in the opinion of the board, a majority of complainants who file
35 complaints based on the furnishing of labor to contractors are eligible for fee waivers as described
36 in paragraph (b) of this subsection.

37 “**SECTION 44.** ORS 701.139 is amended to read:

38 “701.139. The Construction Contractors Board may determine the validity of a complaint de-
39 scribed in ORS 701.140 filed against a licensed contractor. A person must file the complaint within
40 the applicable time limitation described in ORS 701.143. The complaint must be filed and resolved
41 as follows:

42 “(1) A complaint against a residential contractor that is not also endorsed as a commercial
43 contractor involving work on a residential or small commercial structure or an appurtenance to a
44 residential or small commercial structure must be resolved as provided in ORS 701.145.

45 “(2) A complaint against a commercial contractor that is not also endorsed as a residential

3 “(3) A complaint against a contractor that is endorsed as both a residential contractor and a

7 “(b) Involving work on a small commercial structure or an appurtenance to a small commercial
8 structure may be resolved as provided in ORS 701.145 or 701.146, at the complainant’s election.

9 “(c) Involving work on a large commercial structure or an appurtenance to a large commercial
10 structure must be resolved as provided in ORS 701.146.

11 “[4] *Notwithstanding subsections (1) to (3) of this section and except as provided in ORS 701.148,*
12 *with prior agreement of the complainant and the licensed contractor, a complaint may be resolved by*
13 *the board through binding arbitration under ORS 701.148.]*

14 “**SECTION 45.** ORS 701.140 is amended to read:

15 “701.140. A complaint under ORS 701.139 must arise from the performance, or a contract for the
16 performance, of work that requires a contractor license issued by the Construction Contractors
17 Board. The complaint must be of one or more of the following types:

18 “(1) A complaint against a contractor by the owner of a structure or other real property for the

24 discharge, or to recoup funds expended in discharging, a lien established under ORS 87.010 to 87.060
25 and 87.075 to 87.093 under circumstances described under this subsection. [*If the complaint is pro-*
26 *cessed under ORS 701.145, the Construction Contractors Board may reduce the amount of the com-*
27 *plaint by any amount the complainant owes the contractor.] The board shall process complaints*
28 *described in this subsection under ORS 701.145 only if:*

29 “(a) The owner paid the contractor for that contractor’s work subject to this chapter;

30 “(b) A lien is filed against the property of the owner under ORS 87.010 to 87.060 and 87.075 to
31 87.093 because the contractor failed to pay the person claiming the lien for that person’s contribu-
32 tion toward completion of the improvement; and

33 “(c) The complaint is described in ORS 701.139 (1) or (3)(a) or (b).

42 “(6) A complaint by a subcontractor against a contractor for unpaid labor or materials arising
43 out of a contract.

44 “**SECTION 46.** ORS 701.145 is amended to read:

45 “701.145. For a complaint described in ORS 701.139 (1) or (3)(a) or a complaint under ORS

1 701.139 (3)(b) that a complainant elects to have resolved under this section:

2 “(1) The complainant must file the complaint with the Construction Contractors Board in a form
3 prescribed by the board.

4 “(2) The board may suspend processing of the complaint if:

5 “(a) The same facts and issues involved in the complaint have been submitted to a court of
6 competent jurisdiction for determination or have been submitted to any other entity authorized by
7 law or the parties to effect a resolution or settlement; or

8 “(b) The board determines that the nature or complexity of the dispute described in the com-
9 plaint is such that a court is the appropriate forum for the adjudication of the dispute.

10 “(3) The board may dismiss or close the complaint as established by rule of the board if any of
11 the following conditions apply:

12 “(a) The complainant does not respond to a board request and the request is necessary to the
13 board’s investigation of the complaint.

14 “(b) The complainant does not allow the board to conduct one or more on-site meetings to me-
15 diate or investigate the complaint.

16 “(c) The complainant does not permit the contractor against whom the complaint is filed to be
17 present at an on-site investigation made by the board.

18 “[*(d) The board determines that the contractor against whom the complaint is filed is capable of*
19 *complying with recommendations made by the board relative to the complaint, but the complainant does*
20 *not permit the contractor to comply with the recommendations. The board may refuse to accept or fur-*
21 *ther process a complaint under this paragraph only if the contractor was licensed at the time the work*
22 *was first performed and is licensed at the time the board makes its recommendations.]*

23 “[*(e)*] **(d)** The amount in controversy is less than an amount adopted by the board and not more
24 than \$250.

25 “[*(4) Upon acceptance of the complaint, the board shall give notice to the contractor against whom*
26 *the complaint is made and shall initiate proceedings to determine the validity of the complaint. If, after*
27 *investigation, the board determines that a violation of this chapter or of any rule adopted thereunder*
28 *has occurred, or damage has been caused by the contractor, the board may recommend to the contractor*
29 *such action as the board considers appropriate to compensate the complainant. If the contractor per-*
30 *forms accordingly, the board shall give that fact due consideration in any subsequent disciplinary*
31 *proceeding brought by the board. The board may conduct one or more on-site meetings to mediate or*
32 *investigate the complaint.]*

33 “[*(5) Subject to ORS 701.148, if the board is unable to resolve the complaint under subsection (4)*
34 *of this section, the board may issue a contested case notice under ORS 183.415 and:]*

35 “[*(a) Issue a proposed default order under ORS 183.417 to become effective only if a party does*
36 *not request a contested case hearing; or]*

37 “[*(b) Refer the matter for hearing.]*

38 “[*(6) The board shall send a copy of the notice and any proposed order described in subsection (5)*
39 *of this section to the surety on the contractor bond required by ORS 701.068.]*

40 **“(4) Upon acceptance of the complaint, the board shall give notice to the contractor**
41 **against whom the complaint is made and shall initiate proceedings to determine board ju-**
42 **risdiction over the complaint. The board shall attempt to conduct one or more meetings on-**
43 **site or by telephone to mediate a dispute. During mediation of a dispute, the board may**
44 **recommend to the contractor such action as the board considers appropriate to compensate**
45 **the complainant. If the contractor performs accordingly, the board shall give that fact due**

1 consideration in any subsequent disciplinary proceeding brought by the board.

2 **“(5) If the parties do not resolve or settle the complaint, except as provided in subsection**
3 **(6) of this section, the complainant may recover payment from the bond of the contractor**
4 **only by obtaining:**

5 **“(a) A final judgment against the contractor issued by a court of competent jurisdiction;**
6 **or**

7 **“(b) An arbitration award against the contractor that a court has reduced to a final**
8 **judgment.**

9 **“(6) If the complaint is filed under ORS 701.140 (4), the complainant may recover payment**
10 **from the bond of the contractor as provided in subsection (5)(a) of this section or by ob-**
11 **taining a final order issued by the Bureau of Labor and Industries that states an amount of**
12 **unpaid wages that the licensed contractor owes under ORS 652.140 or ORS 653.010 to 653.261.**

13 **“(7) For purposes of subsections (5) and (6) of this section, ‘final’ means that the judg-**
14 **ment or order has become final by operation or law or on appeal.**

15 **“(8) The board shall send the surety on the contractor bond required under ORS 701.068**
16 **a copy of the final judgment or bureau final order, and a copy of a determination issued by**
17 **the board that the surety must pay the amount stated by the board. A determination issued**
18 **by the board may not include payment of any attorney fees awarded in the final judgment**
19 **or bureau final order. The determination issued by the board is an order in other than a**
20 **contested case proceeding. The determination order is not recordable under ORS 701.153 (1)**
21 **and (2) to create a lien.**

22 **“SECTION 47.** ORS 701.146 is amended to read:

23 **“701.146. For a complaint described in ORS 701.139 (2) or (3)(c) or a complaint under ORS**
24 **701.139 (3)(b) that a complainant elects to have resolved under this section:**

25 **“(1) The person seeking to file the complaint with the Construction Contractors Board must:**

26 **“(a) Bring an action on the dispute against the licensed contractor in a court of competent ju-**
27 **risdiction; or**

28 **“(b) Initiate a proceeding to resolve the dispute through binding arbitration substantially in**
29 **conformance with ORS 36.600 to 36.740.**

30 **“(2) The complainant must file the complaint with the Construction Contractors Board by de-**
31 **livering to the board a copy of the complainant’s court pleading or the demand for arbitration or**
32 **other document necessary to initiate arbitration. The pleading, demand or other document must be**
33 **accompanied by a completed board complaint form. The complainant must also give notice to the**
34 **surety on the bond by delivering to the surety a copy of the complainant’s court pleading or the**
35 **demand for arbitration or other document necessary to initiate arbitration and a copy of the com-**
36 **pleted board complaint form. Delivery to the board and the surety must be accomplished by certified**
37 **mail, return receipt requested, no later than the earlier of:**

38 **“(a) The 90th day after filing the court action or after filing or making the arbitration demand**
39 **or other initiation of arbitration;**

40 **“(b) The 14th day before the first day of trial or arbitration; or**

41 **“(c) The 30th day before:**

42 **“(A) The court issues a judgment in the action; or**

43 **“(B) The arbitrator issues an award on the arbitration.**

44 **“(3) Filing the complaint with the board under subsection (2) of this section constitutes filing**
45 **the complaint for purposes of establishing timeliness of the complaint under ORS 701.143 and pri-**

1 ority of the complaint for possible payment from the bond under ORS 701.157.

2 “(4) Except as provided in this subsection and subsection (7) of this section, if the complainant
3 properly gives notice to the surety under subsection (2) of this section, a judgment or award against
4 the contractor entered in the action or arbitration is binding on the surety. If the complainant de-
5 livers the notice required under subsection (2) of this section to the wrong surety, the surety re-
6 ceiving the notice may avoid being bound by a judgment or award by delivering notice of the
7 mistake to the complainant or the complainant’s attorney of record, and to the board, on or before
8 the 30th day after the surety receives notice under subsection (2) of this section. Delivery of the
9 notice of mistake must be by certified mail, return receipt requested, or by facsimile machine or
10 other form of transmission with an acknowledgment of receipt.

11 “(5) A surety under subsection (2) of this section has an absolute right to intervene in an action
12 or arbitration brought or initiated under subsection (1) of this section. A complainant may not join
13 a surety as a party to an action or arbitration unless the complainant disputes the validity or
14 timeliness of the surety’s notice of mistake or the surety disputes the validity or timeliness of the
15 delivery to the surety of the notice required by subsection (2) of this section. If the surety elects to
16 intervene or is joined as a party, the surety is bound by all issues of fact and law determined by the
17 court or arbitrator and may not seek board review of those determinations.

18 “(6) If a court issues a judgment on an action, or reduces an arbitration award to judgment,
19 against a contractor on a complaint described in subsection (1) of this section, the complainant must
20 deliver a certified copy of the judgment to the board and to the surety no later than the 30th day
21 after entry of the judgment in order to maintain the complaint and possibly receive payment from
22 the bond. The entry of a final judgment against the contractor concludes the contractor’s involve-
23 ment in any proceedings to determine whether the complaint is subject to payment from the bond.
24 The complainant and the surety are the only parties to the administrative process set forth in sub-
25 section (7) of this section.

26 “(7) Upon receipt of a timely delivered certified copy of the judgment as described in subsection
27 (6) of this section, the board shall issue a [*proposed order in*] **determination that the surety must**
28 **pay the amount stated by the board. The determination issued by the board is an order in**
29 **other than a contested case proceeding. The determination shall include** the amount of the
30 judgment together with any costs, interest and attorney fees awarded under the judgment, to the
31 extent that the judgment, costs, interest and fees are within the jurisdiction of the board. The
32 board’s determination of the complaint is limited to whether the complaint comes within the juris-
33 diction of the board and is subject to payment by the surety. [*The board shall issue the proposed*
34 *order in a form that indicates the surety’s maximum liability to the complainant. If a hearing is not*
35 *requested within the time set forth in the proposed order, the proposed order becomes final without any*
36 *further action by the board. If a hearing is requested, unless review of an issue is precluded under*
37 *subsection (5) of this section, the board may determine:]*

38 “[(a) *Whether the complaint was timely filed with the board as provided in ORS 701.143.*]

39 “[(b) *Whether the surety received timely notice as provided in subsections (2) and (6) of this*
40 *section.*]

41 “[(c) *Whether the complaint is for work subject to this chapter.*]

42 “[(d) *The extent of the surety’s liability to the complainant.*]

43 “**SECTION 48.** ORS 701.149 is amended to read:

44 “701.149. [(1) *An arbitration conducted under ORS 701.148 must be held before an administrative*

8 *“(4) Contested case hearings before the board must be conducted by an administrative law judge*

11 *“(5) In assigning administrative law judges for arbitration and contested case hearings conducted*
12 *under this section, the chief administrative law judge of the Office of Administrative Hearings estab-*

14 *“(6) (1) [If a complainant to the board files a court action,] **If the Construction Contractors***

23 *“**SECTION 49.** ORS 701.150 is amended to read:*

45 *“(b) The date that the surety canceled the bond.*

1 “**SECTION 50.** ORS 701.153 is amended to read:

4 “(3) The repeal of ORS 87.058 by section 53 of this 2011 Act does not affect any stay of
5 proceedings issued by a court prior to July 1, 2011, under ORS 87.058. Notwithstanding the
6 repeal of ORS 87.058 by section 53 of this 2011 Act, an owner of a structure subject to a lien
7 perfected under ORS 87.035 who files a complaint with the board prior to July 1, 2011, may
8 obtain on or after July 1, 2011, a stay of proceedings as described on the suit to foreclose the
9 lien as described in ORS 87.058 as amended and in effect immediately prior to July 1, 2011.

10 “SECTION 55. Section 56 of this 2011 Act is added to and made a part of ORS 87.001 to
11 87.060.

12 “SECTION 56. (1) As used in this section:

13 “(a) Notwithstanding ORS 87.005, ‘contractor’ has the meaning given that term in ORS
14 701.005.

15 “(b) ‘Board’ means the Construction Contractors Board established in ORS 701.205.

16 “(2) If a person files a suit to enforce a lien perfected under ORS 87.035 and the owner
17 of the structure subject to that lien files a complaint that is being processed by the board
18 under ORS 701.145 against a contractor who performed work on the structure, the owner
19 may obtain a stay of proceedings on the suit to enforce the lien if:

20 “(a) The owner already has paid the contractor for that contractor’s work that is subject
21 to this chapter on the structure;

22 “(b) The person suing to enforce the lien perfected under ORS 87.035:

23 “(A) Performed work that is subject to ORS chapter 701 on the structure for the con-
24 tractor who has been paid by the owner;

25 “(B) Furnished labor, services or materials or rented or supplied equipment used on the
26 structure to the contractor who has been paid by the owner; or

27 “(C) Otherwise acquired the lien as a result of a contribution toward completion of the
28 structure for which the contractor has been paid by the owner; and

29 “(c) The continued existence of the lien on which the suit is pending is attributable to
30 the failure of the contractor who has been paid by the owner to pay the person suing for that
31 person’s contribution toward completion of the structure.

32 “(3) The owner may petition for the stay of proceedings described in subsection (2) of this
33 section by filing the following papers in the circuit court in which the suit on the lien is
34 pending:

35 “(a) A certified copy of the complaint filed for processing by the board under ORS 701.145;
36 and

37 “(b) An affidavit signed by the owner that contains:

38 “(A) A description of the structure;

39 “(B) The street address of the structure;

40 “(C) A statement that the structure is the structure upon which the suit to enforce the
41 lien is pending; and

42 “(D) A statement that the petitioner is the owner of the structure.

43 “(4) Upon receipt of a complete petition described in subsection (3) of this section, the
44 circuit court shall stay proceedings on the suit to enforce the lien.

45 “(5) After the board order on the complaint becomes final and the board issues any re-

1 required notice for payment against the contractor's bond or deposit, the circuit court shall
2 dissolve the stay ordered under subsection (4) of this section.

3 **"SECTION 57.** Section 58 of this 2011 Act is added to and made a part of ORS chapter 701.

4 **"SECTION 58.** (1) Subject to subsection (4) of this section, if the resolution of a complaint
5 under ORS 701.145 requires a hearing, the Construction Contractors Board may require that
6 the hearing be conducted as a binding arbitration under rules adopted by the board under
7 subsection (3) of this section. This subsection does not authorize the board to require binding
8 arbitration of a complaint that is subject to ORS 701.146.

9 **"(2)** The board may use mediation or arbitration to resolve a construction dispute be-
10 tween any parties who agree to follow the rules of the board, other than a dispute involving
11 work on a large commercial structure.

12 **"(3)** Except as provided in this subsection, rules adopted by the board to regulate arbi-
13 tration under subsections (1) and (2) of this section must substantially conform with the
14 provisions of ORS 36.600, 36.610 to 36.630, 36.635 (2), 36.640, 36.645 (2), 36.650 to 36.680, 36.685
15 (1) and 36.690 to 36.740. The rules may:

16 **"(a)** Require that a hearing under ORS 183.413 to 183.470 be conducted for issues for
17 which a petition could be filed under ORS 36.615, 36.620, 36.625 and 36.640;

18 **"(b)** Limit orders and awards made by the arbitrator as necessary to comply with this
19 chapter;

20 **"(c)** Require that a request that an arbitrator modify or correct an award under ORS
21 36.690 be submitted in a form specified by the rule;

22 **"(d)** Require that a petition under ORS 36.705 (2) or 36.710 (1) be filed in a shorter period
23 of time than provided by ORS 36.705 and 36.710; and

24 **"(e)** Include any other provision necessary to conform the arbitration to this chapter.

25 **"(4)** A party to a complaint that is subject to a board order of binding arbitration under
26 subsection (1) of this section may avoid the arbitration if the party requests to have the
27 complaint resolved through a contested case hearing or files a court action. A party making
28 a hearing request or filing a court action under this subsection is subject to the following
29 provisions:

30 **"(a)** If the party requests to have a complaint resolved through a contested case hearing,
31 the party must, within the time specified in paragraph (c) of this subsection, deliver the re-
32 quest in writing to the board and to all parties entitled by board rule to receive a copy of the
33 request.

34 **"(b)** If the party files a court action, the party must, within the time specified in para-
35 graph (c) of this subsection, deliver a copy of the party's court pleading to the board and to
36 all persons entitled by board rule to receive a copy of the pleading. If the party filing the
37 court action is the complainant to the board, the complainant must plead all facts and issues
38 of the board complaint in the court action. If the court action is filed by the contractor
39 against whom a board complaint is alleged, the court action must be an action for damages,
40 an action for declaratory judgment or another action that allows the board complainant to
41 file a response pleading all facts and issues of the board complaint. The board complainant
42 has the burden of proving the elements of the board complaint in a court action described
43 in this paragraph.

44 **"(c)** A party that is subject to paragraph (a) or (b) of this subsection must deliver the
45 contested case hearing request or the copy of the party's court pleading to the board as de-

1 scribed in paragraphs (a) and (b) of this subsection no later than the 30th day after the board
2 sends notice that an arbitration hearing has been scheduled. Failure to timely deliver a re-
3 quest or court pleading under this paragraph constitutes consent to the binding arbitration.

4 “(d) If a party makes a timely request under paragraph (a) of this subsection for a con-
5 tested case hearing and another party timely files a court action and complies with para-
6 graph (b) of this subsection, the filing of the court action supersedes the request for a
7 contested case hearing.

8 “(e) A party may not withdraw a request made in compliance with paragraph (a) of this
9 subsection unless all parties agree to the withdrawal.

10 “(f) The board may adopt a rule that a contested case hearing for a complaint seeking
11 less than \$1,000 is not available under this subsection.

12 “(g) The provisions of paragraph (b) of this subsection are in addition to any other re-
13 quirements imposed by law regarding the filing of a court action.

14 “(5) The board may refuse to accept a dispute for mediation or arbitration under sub-
15 section (1) or (2) of this section if the board determines that the nature or complexity of the
16 dispute is such that a court or other forum is more appropriate for resolution of the dispute.

24 “701.068. (1) An applicant for issuance or renewal of a contractor license shall file with the
25 Construction Contractors Board a surety bond with one or more corporate sureties authorized to
26 do business in this state in the amount set forth in ORS 701.081 or 701.084.

27 “(2) If an applicant for issuance, renewal or an additional endorsement of a license will hold
28 endorsements as both a residential contractor and a commercial contractor, the applicant shall file
29 with the board a surety bond for each endorsement in the amount set forth in ORS 701.081 or
30 701.084.

31 “(3) The surety bond for a residential contractor must provide that the applicant, with regard
32 to work subject to this chapter, will pay amounts [*determined*] **ordered paid** by the board [*as pro-*
33 *vided*] under ORS 701.145. The surety bond for a commercial contractor must provide that the ap-
34 plicant, with regard to work subject to this chapter, will pay amounts [*determined*] **ordered paid** by
35 the board [*as provided*] under ORS 701.146. Bonds filed under this section shall remain in effect for
36 at least one year or until depleted by payments under ORS 701.150, 701.153 and 701.157, unless the
37 surety sooner cancels the bond. At the discretion of the surety the bond may be continued for an
38 additional period by continuation certificate. Except as provided in subsection (4) of this section, the

44 board [*determination issued under ORS 701.145 or 701.146*] **order for payment of a complaint de-**
45 **scribed in ORS 701.140**, the surety pays an amount out of the bond of the licensee. The new surety

1 bond must be in the applicable amount set forth in ORS 701.081 or 701.084 unless a higher amount
2 is required by a board condition or rule described in subsection (5) or (6) of this section. The board
3 may allow a licensee to obtain, instead of a new bond, a certification that the surety remains liable
4 for the full penal sum of the bond, notwithstanding payment by the surety on the complaint.

5 “(5) If the amount the licensee must pay against the bond under subsection (3) of this section
6 exceeds the amount of the bond, the board shall suspend the contractor’s license until the amount
7 owed is paid. The board, as a condition of ending the suspension, may require a contractor re-
8 questing reinstatement of a license to file a bond of an amount up to five times as much as the
9 amount required ordinarily of a licensee under ORS 701.081 or 701.084.

10 “(6) The board by rule may establish conditions for applicants or persons licensed under this
11 chapter under which the applicant or licensee must file a bond of an amount up to five times as
12 much as the amount required ordinarily of an applicant or licensee under ORS 701.081 or 701.084.
13 The board may reduce the amount of bond it would otherwise require if the contractor demonstrates
14 satisfactory completion of approved elective classes on dispute resolution and prevention, basic ac-
15 counting and record keeping or such other classes as the board may prescribe.

16 “[*(7) The bond required under this section is for the exclusive purpose of payment of amounts for
17 which the board has determined the surety to have responsibility.*]

18 “[*(8) Upon issuance of a determination under ORS 701.145 or 701.146 for a complaint against a
19 contractor who holds a bond required under this section, the board shall notify the surety on the bond
20 of the determination in a manner determined by the board by rule. The notification shall include a list
21 of all board determinations for payment by the surety from the bond.*]

22 “**(7) The bond required under this section is for the exclusive purpose of payment of final
23 orders and arbitration awards of the board in accordance with this chapter.**

24 “**(8) Upon determination under ORS 701.145 or 701.146 of a complaint against a contractor
25 who holds a bond required under this section, the board shall notify the surety on the bond
26 of the final order in a manner determined by the board by rule. The notification shall include
27 a list of all complaints upon which a final order has been issued.**

28 “(9) A court action may not be commenced against a surety on a bond required under this sec-
29 tion until 30 days after the date that the surety is notified by the board under ORS 701.150 that
30 payment is due on the [*determination*] **final order**.

31 “(10) In any action against a surety on a bond under this section that is based on the failure
32 of the surety to pay [*an amount determined by the board*] **a final order**, the court may award:

33 “(a) Costs;

34 “(b) Reasonable attorney fees to the prevailing party as part of the costs; and

35 “[*(c) Twice the amount that the board determined the surety must pay on the complaint, if the
36 surety arbitrarily and capriciously refused to pay.*]

37 “**(c) Twice the amount of any damages that the board ordered the surety to pay on the
38 complaint, if the surety arbitrarily and capriciously refused to pay upon order of the board.**

39 “**SECTION 61.** ORS 701.088, as amended by section 40 of this 2011 Act, is amended to read:

40 “701.088. (1) As used in this section:

41 “(a) ‘Illegal drug manufacturing site’ has the meaning given that term in ORS 453.858.

42 “(b) ‘Nonprofit organization’ means an organization or group of organizations described in sec-
43 tion 501(c)(3) of the Internal Revenue Code that is exempt from income tax under section 501(a) of
44 the Internal Revenue Code.

45 “(2) The Construction Contractors Board shall adopt rules prescribing terms and conditions

1 under which a general or specialty contractor that is a nonprofit organization engaged in rehabili-
2 tating an illegal drug manufacturing site may substitute a letter of credit from a bank authorized
3 to do business in this state, or substitute a cash deposit, for a bond required under ORS 701.068. A
4 letter of credit or cash deposit described in this section substitutes for a bond only for purposes of
5 work the contractor performs on an illegal drug manufacturing site. The letter of credit or cash
6 deposit must be equivalent in amount to the bond that would otherwise be required of the contractor
7 under ORS 701.068.

8 “(3) The board may charge a contractor a fee to cover any expense incurred by the board in
9 allowing the contractor to substitute a letter of credit or cash deposit under this section.

10 “(4) A contractor that supplies a letter of credit or cash deposit under this section is considered
11 to be bonded under ORS 701.068 for purposes of performing rehabilitation work on illegal drug
12 manufacturing sites. A letter of credit or cash deposit that a contractor supplies under this section
13 is considered to be a surety bond issued under ORS 701.068 for purposes of claims involving the
14 contractor’s rehabilitation work on illegal drug manufacturing sites. The issuer of a letter of credit
15 described in this section is considered to be a surety for a bond only for purposes of receiving [*no-*
16 *tification of a determination*] **notice** under ORS 701.068 or 701.146.

17 “**SECTION 62.** ORS 701.117, as amended by section 41 of this 2011 Act, is amended to read:

18 “701.117. A contractor shall notify the Construction Contractors Board of any change of address
19 while licensed and for one year following the date the contractor’s license expires or otherwise be-
20 comes inactive. The contractor shall so notify the board within 10 days of the date upon which the
21 change of address occurs. Initial notice of a contested case **or arbitration** directed by the board to
22 the last-known address of record shall be considered delivered when deposited in the United States
23 mail and sent registered or certified or post office receipt secured. Any other communication di-
24 rected by the board to the last-known address of record shall be considered delivered when depos-
25 ited in the United States mail, regular mail.

26 “**SECTION 63.** ORS 701.133, as amended by sections 49 and 50, chapter 107, Oregon Laws 2010,
27 and section 43 of this 2011 Act, is amended to read:

28 “701.133. (1) Unless otherwise provided by the Construction Contractors Board by rule, before
29 filing a complaint under ORS 701.139, a person must send notice to the contractor that the person
30 intends to file the complaint. The person must send the notice at least 30 days before filing the
31 complaint. The notice must be mailed by certified mail to the last known address of the contractor
32 as shown in board records. The board by rule may:

33 “(a) Specify the manner in which the person may show compliance with this subsection at the
34 time of filing the complaint.

35 “(b) Provide that all or part of the requirements for sending a notice under this subsection may
36 be waived if the contractor, by other means, has actual notice of the dispute with the person filing
37 the complaint.

38 “(2) If the notice described in subsection (1) of this section is mailed to the contractor fewer
39 than 45 days before expiration of the time limitation under ORS 701.143 for the board to receive the
40 complaint, the time limitation for the board to receive the complaint does not expire until 60 days
41 after the notice is mailed.

42 “(3) The board by rule may impose a processing fee for complaints filed under ORS 701.139. The
43 fee amount may not exceed the amount of the filing fee provided by ORS 21.110 (1) for a plaintiff
44 filing a civil action in circuit court. The board may impose different processing fees for complaints
45 processed under ORS 701.145 than for complaints processed under ORS 701.146.

1 “(4) If the board adopts rules under subsection (3) of this section, the rules:

2 “(a) Except as provided in paragraphs (b) and (c) of this subsection, must provide that a pre-
3 vailing complainant recover processing fees **as damages in the final order of the board.**

4 “(b) Must provide that the board may waive or defer all or part of the processing fee upon ap-
5 plication by the person filing the complaint that shows the person is unable to pay all or part of the
6 fee. The application must be made under oath and notarized. The application must show the average
7 monthly income and expenses of the complainant, assets and liabilities of the complainant and any
8 other information required by board rule.

9 “(c) May provide for the processing fee to be waived for all complaints that are based on the
10 furnishing of labor by a complainant to a contractor. The board may provide for processing fee
11 waiver under this paragraph only if, in the opinion of the board, a majority of complainants who file
12 complaints based on the furnishing of labor to contractors are eligible for fee waivers as described
13 in paragraph (b) of this subsection.

14 “**SECTION 64.** ORS 701.139, as amended by section 44 of this 2011 Act, is amended to read:

15 “701.139. The Construction Contractors Board may determine the validity of a complaint de-
16 scribed in ORS 701.140 filed against a licensed contractor. A person must file the complaint within
17 the applicable time limitation described in ORS 701.143. The complaint must be filed and resolved
18 as follows:

19 “(1) A complaint against a residential contractor that is not also endorsed as a commercial
20 contractor involving work on a residential or small commercial structure or an appurtenance to a
21 residential or small commercial structure must be resolved as provided in ORS 701.145.

22 “(2) A complaint against a commercial contractor that is not also endorsed as a residential

25 “(3) A complaint against a contractor that is endorsed as both a residential contractor and a
26 commercial contractor:

27 “(a) Involving work on a residential structure or an appurtenance to a residential structure
28 must be resolved as provided under ORS 701.145.

29 “(b) Involving work on a small commercial structure or an appurtenance to a small commercial
30 structure may be resolved as provided in ORS 701.145 or 701.146, at the complainant’s election.

31 “(c) Involving work on a large commercial structure or an appurtenance to a large commercial
32 structure must be resolved as provided in ORS 701.146.

33 “(4) **Notwithstanding subsections (1) to (3) of this section and except as provided in sec-**
34 **tion 58 of this 2011 Act, with prior agreement of the complainant and the licensed contractor,**
35 **a complaint may be resolved by the board through binding arbitration under section 58 of**
36 **this 2011 Act.**

37 “**SECTION 65.** ORS 701.140, as amended by section 45 of this 2011 Act, is amended to read:

38 “701.140. A complaint under ORS 701.139 must arise from the performance, or a contract for the
39 performance, of work that requires a contractor license issued by the Construction Contractors
40 Board. The complaint must be of one or more of the following types:

41 “(1) A complaint against a contractor by the owner of a structure or other real property for the

1 “(2) A complaint against a contractor by the owner of a structure or other real property to
2 discharge, or to recoup funds expended in discharging, a lien established under ORS 87.010 to 87.060
3 and 87.075 to 87.093 under circumstances described under this subsection. **If the complaint is**
4 **processed under ORS 701.145, the Construction Contractors Board may reduce the amount**
5 **of the complaint by any amount the complainant owes the contractor.** The board shall process
6 complaints described in this subsection under ORS 701.145 only if:

7 “(a) The owner paid the contractor for that contractor’s work subject to this chapter;

8 “(b) A lien is filed against the property of the owner under ORS 87.010 to 87.060 and 87.075 to
9 87.093 because the contractor failed to pay the person claiming the lien for that person’s contribu-
10 tion toward completion of the improvement; and

11 “(c) The complaint is described in ORS 701.139 (1) or (3)(a) or (b).

12 “(3) A complaint against a licensed subcontractor by a licensed contractor for the following:

15 “(c) Breach of contract.

16 “(4) A complaint by a person furnishing labor to a contractor or owed employee benefits by a
17 contractor.

18 “(5) A complaint, as limited by rule of the board, by a person furnishing material or renting or
19 supplying equipment to a contractor. The minimum limit set by the board may not exceed \$150.

20 “(6) A complaint by a subcontractor against a contractor for unpaid labor or materials arising
21 out of a contract.

22 “**SECTION 66.** ORS 701.145, as amended by section 46 of this 2011 Act, is amended to read:

23 “701.145. For a complaint described in ORS 701.139 (1) or (3)(a) or a complaint under ORS
24 701.139 (3)(b) that a complainant elects to have resolved under this section:

25 “(1) The complainant must file the complaint with the Construction Contractors Board in a form
26 prescribed by the board.

27 “(2) The board may suspend processing of the complaint if:

28 “(a) The same facts and issues involved in the complaint have been submitted to a court of
29 competent jurisdiction for determination or have been submitted to any other entity authorized by
30 law or the parties to effect a resolution or settlement; or

31 “(b) The board determines that the nature or complexity of the dispute described in the com-
32 plaint is such that a court is the appropriate forum for the adjudication of the dispute.

33 “(3) The board may dismiss or close the complaint as established by rule of the board if any of
34 the following conditions apply:

35 “(a) The complainant does not respond to a board request and the request is necessary to the
36 board’s investigation of the complaint.

37 “(b) The complainant does not allow the board to conduct one or more on-site meetings to me-
38 diate or investigate the complaint.

39 “(c) The complainant does not permit the contractor against whom the complaint is filed to be
40 present at an on-site investigation made by the board.

41 “(d) **The board determines that the contractor against whom the complaint is filed is**
42 **capable of complying with recommendations made by the board relative to the complaint, but**
43 **the complainant does not permit the contractor to comply with the recommendations. The**
44 **board may refuse to accept or further process a complaint under this paragraph only if the**
45 **contractor was licensed at the time the work was first performed and is licensed at the time**

1 **the board makes its recommendations.**

2 *“(d) (e) The amount in controversy is less than an amount adopted by the board and not more*
3 *than \$250.*

4 *“(4) Upon acceptance of the complaint, the board shall give notice to the contractor against whom*
5 *the complaint is made and shall initiate proceedings to determine board jurisdiction over the complaint.*
6 *The board shall attempt to conduct one or more meetings on-site or by telephone to mediate a dispute.*
7 *During mediation of a dispute, the board may recommend to the contractor such action as the board*
8 *considers appropriate to compensate the complainant. If the contractor performs accordingly, the board*
9 *shall give that fact due consideration in any subsequent disciplinary proceeding brought by the*
10 *board.]*

11 *“(5) If the parties do not resolve or settle the complaint, except as provided in subsection (6) of this*
12 *section, the complainant may recover payment from the bond of the contractor only by obtaining:]*

13 *“(a) A final judgment against the contractor issued by a court of competent jurisdiction; or]*

14 *“(b) An arbitration award against the contractor that a court has reduced to a final judgment.]*

15 *“(6) If the complaint is filed under ORS 701.140 (4), the complainant may recover payment from*
16 *the bond of the contractor as provided in subsection (5)(a) of this section or by obtaining a final order*
17 *issued by the Bureau of Labor and Industries that states an amount of unpaid wages that the licensed*
18 *contractor owes under ORS 652.140 or ORS 653.010 to 653.261.]*

19 *“(7) For purposes of subsections (5) and (6) of this section, ‘final’ means that the judgment or or-*
20 *der has become final by operation or law or on appeal.]*

21 *“(8) The board shall send the surety on the contractor bond required under ORS 701.068 a copy*
22 *of the final judgment or bureau final order, and a copy of a determination issued by the board that the*
23 *surety must pay the amount stated by the board. A determination issued by the board may not include*
24 *payment of any attorney fees awarded in the final judgment or bureau final order. The determination*
25 *issued by the board is an order in other than a contested case proceeding. The determination order is*
26 *not recordable under ORS 701.153 (1) and (2) to create a lien.]*

27 **“(4) Upon acceptance of the complaint, the board shall give notice to the contractor**
28 **against whom the complaint is made and shall initiate proceedings to determine the validity**
29 **of the complaint. If, after investigation, the board determines that a violation of this chapter**
30 **or of any rule adopted thereunder has occurred, or damage has been caused by the con-**
31 **tractor, the board may recommend to the contractor such action as the board considers**
32 **appropriate to compensate the complainant. If the contractor performs accordingly, the**
33 **board shall give that fact due consideration in any subsequent disciplinary proceeding**
34 **brought by the board. The board may conduct one or more on-site meetings to mediate or**
35 **investigate the complaint.**

36 **“(5) Subject to section 58 of this 2011 Act, if the board is unable to resolve the complaint**
37 **under subsection (4) of this section, the board may issue a contested case notice under ORS**
38 **183.415 and:**

39 **“(a) Issue a proposed default order under ORS 183.417 to become effective only if a party**
40 **does not request a contested case hearing; or**

41 **“(b) Refer the matter for hearing.**

42 **“(6) The board shall send a copy of the notice and any proposed order described in sub-**
43 **section (5) of this section to the surety on the contractor bond required by ORS 701.068.**

44 **“SECTION 67.** ORS 701.146, as amended by section 47 of this 2011 Act, is amended to read:

45 **“701.146.** For a complaint described in ORS 701.139 (2) or (3)(c) or a complaint under ORS

1 701.139 (3)(b) that a complainant elects to have resolved under this section:

2 “(1) The person seeking to file the complaint with the Construction Contractors Board must:

3 “(a) Bring an action on the dispute against the licensed contractor in a court of competent ju-
4 risdiction; or

5 “(b) Initiate a proceeding to resolve the dispute through binding arbitration substantially in
6 conformance with ORS 36.600 to 36.740.

7 “(2) The complainant must file the complaint with the Construction Contractors Board by de-
8 livering to the board a copy of the complainant’s court pleading or the demand for arbitration or
9 other document necessary to initiate arbitration. The pleading, demand or other document must be
10 accompanied by a completed board complaint form. The complainant must also give notice to the
11 surety on the bond by delivering to the surety a copy of the complainant’s court pleading or the
12 demand for arbitration or other document necessary to initiate arbitration and a copy of the com-
13 pleted board complaint form. Delivery to the board and the surety must be accomplished by certified
14 mail, return receipt requested, no later than the earlier of:

15 “(a) The 90th day after filing the court action or after filing or making the arbitration demand
16 or other initiation of arbitration;

17 “(b) The 14th day before the first day of trial or arbitration; or

18 “(c) The 30th day before:

19 “(A) The court issues a judgment in the action; or

20 “(B) The arbitrator issues an award on the arbitration.

21 “(3) Filing the complaint with the board under subsection (2) of this section constitutes filing
22 the complaint for purposes of establishing timeliness of the complaint under ORS 701.143 and pri-
23 ority of the complaint for possible payment from the bond under ORS 701.157.

24 “(4) Except as provided in this subsection and subsection (7) of this section, if the complainant
25 properly gives notice to the surety under subsection (2) of this section, a judgment or award against
26 the contractor entered in the action or arbitration is binding on the surety. If the complainant de-
27 livers the notice required under subsection (2) of this section to the wrong surety, the surety re-
28 ceiving the notice may avoid being bound by a judgment or award by delivering notice of the
29 mistake to the complainant or the complainant’s attorney of record, and to the board, on or before
30 the 30th day after the surety receives notice under subsection (2) of this section. Delivery of the
31 notice of mistake must be by certified mail, return receipt requested, or by facsimile machine or
32 other form of transmission with an acknowledgment of receipt.

33 “(5) A surety under subsection (2) of this section has an absolute right to intervene in an action
34 or arbitration brought or initiated under subsection (1) of this section. A complainant may not join
35 a surety as a party to an action or arbitration unless the complainant disputes the validity or
36 timeliness of the surety’s notice of mistake or the surety disputes the validity or timeliness of the
37 delivery to the surety of the notice required by subsection (2) of this section. If the surety elects to
38 intervene or is joined as a party, the surety is bound by all issues of fact and law determined by the
39 court or arbitrator and may not seek board review of those determinations.

40 “(6) If a court issues a judgment on an action, or reduces an arbitration award to judgment,
41 against a contractor on a complaint described in subsection (1) of this section, the complainant must
42 deliver a certified copy of the judgment to the board and to the surety no later than the 30th day
43 after entry of the judgment in order to maintain the complaint and possibly receive payment from
44 the bond. The entry of a final judgment against the contractor concludes the contractor’s involve-
45 ment in any proceedings to determine whether the complaint is subject to payment from the bond.

1 The complainant and the surety are the only parties to the administrative process set forth in sub-
2 section (7) of this section.

3 “(7) Upon receipt of a timely delivered certified copy of the judgment as described in subsection
4 (6) of this section, the board shall issue a [*determination that the surety must pay the amount stated*
5 *by the board. The determination issued by the board is an order in other than a contested case pro-*
6 *ceeding. The determination shall include]* **proposed order in** the amount of the judgment together
7 with any costs, interest and attorney fees awarded under the judgment, to the extent that the
8 judgment, costs, interest and fees are within the jurisdiction of the board. The board’s determi-
9 nation of the complaint is limited to whether the complaint comes within the jurisdiction of the
10 board and is subject to payment by the surety. **The board shall issue the proposed order in a**
11 **form that indicates the surety’s maximum liability to the complainant. If a hearing is not**
12 **requested within the time set forth in the proposed order, the proposed order becomes final**
13 **without any further action by the board. If a hearing is requested, unless review of an issue**
14 **is precluded under subsection (5) of this section, the board may determine:**

15 “(a) **Whether the complaint was timely filed with the board as provided in ORS 701.143.**

16 “(b) **Whether the surety received timely notice as provided in subsections (2) and (6) of**
17 **this section.**

18 “(c) **Whether the complaint is for work subject to this chapter.**

19 “(d) **The extent of the surety’s liability to the complainant.**

20 “**SECTION 68.** ORS 701.149, as amended by section 48 of this 2011 Act, is amended to read:

21 “701.149. (1) [*If the Construction Contractors Board suspends the processing of a complaint be-*
22 *cause of the complaint having been submitted to a court or arbitrator or because of a court having*
23 *stayed action on the complaint,]* **An arbitration conducted under section 58 of this 2011 Act must**
24 **be held before an administrative law judge assigned under ORS 183.605 to 183.690 to act as**
25 **arbitrator on behalf of the Construction Contractors Board. The assignment of an adminis-**
26 **trative law judge to act as arbitrator is subject to a request for a different arbitrator under**
27 **ORS 183.645 or a rule adopted pursuant to ORS 183.645.**

28 “(2) **If a party to a complaint under ORS 701.145 requests a contested case hearing, the**
29 **board shall schedule the hearing.**

30 “(3) **The board may adopt rules governing the avoidance of a contested case hearing. The**
31 **rules may include, but need not be limited to, a limit on the time period during which a party**
32 **to a complaint may avoid a contested case hearing by filing a court action.**

33 “(4) **Contested case hearings before the board must be conducted by an administrative**
34 **law judge assigned under ORS 183.605 to 183.690. Notwithstanding ORS 670.325, the board may**
35 **delegate authority to the administrative law judge to issue a final order in any matter.**

36 “(5) **In assigning administrative law judges for arbitration and contested case hearings**
37 **conducted under this section, the chief administrative law judge of the Office of Adminis-**
38 **trative Hearings established under ORS 183.605 shall defer to board requests.**

39 “(6) **If a complainant to the board files a court action, the board may require that the**
40 **complainant provide status reports on the pending court action [*or arbitration*]. The board may dis-**
41 **miss or close a complaint filed under ORS 701.139 if the complainant fails to submit status reports**
42 **on a pending court action [*or arbitration*].**

43 “[2] (7) ORS 183.605 to 183.690 do not limit in any way the ability of the board to make full
44 use of alternative dispute resolution, including mediation or [*referral for*] arbitration, to resolve
45 complaints against contractors filed under ORS 701.139.

1 “**SECTION 69.** ORS 701.150, as amended by section 49 of this 2011 Act, is amended to read:

2 “701.150. [(1) *If a licensed contractor fails to pay a complainant amounts due under a court judg-*

22 the subject of the complaint was completed or abandoned; or

23 “(b) The date that the surety canceled the bond.

24 “**SECTION 70.** ORS 701.153, as amended by section 50 of this 2011 Act, is amended to read:

25 “701.153. (1) If an order of the Construction Contractors Board **that** determines a complaint
26 [*against a residential contractor that was filed with the board prior to July 1, 2011, and the order*]
27 **under ORS 701.145** becomes final by operation of law or on appeal and remains unpaid 10 days after
28 the date the order becomes final, the complainant may file the order with the county clerk in any
29 county of this state.

30 “(2) Upon receipt [*of an order described in subsection (1) of this section*], the clerk shall record
31 the order in the County Clerk Lien Record. In addition to any other remedy provided by law, re-
32 cording an order [*described in subsection (1) of this section*] in the County Clerk Lien Record pursu-
