

Executive Appointments Legislative Review  
Compiled by Oregon Legislative Committee Services

**OFFICE:** Health Information Technology Oversight Council

**APPOINTEE:** Dr. Kenneth Carlson of Salem; New appointment replacing DeVore  
Erick Doolen of Salem; New Appointment replacing Hockett

**APPOINTMENT/CONFIRMATION AUTHORITY:** ORS 413.301

**TERM:** Carlson, Doolen: Partial four-year terms; March 1, 2012 – December 15, 2015

**ECONOMIC INTEREST FILING (ORS 244.050):** Not Required.

**STATUTORY QUALIFICATIONS:** ORS 413.301

Affirmative action policy: See ORS 182.100. Diversity criteria: See ORS 236.115.

- Members must be residents of the State of Oregon
- Members must represent both the public and private sector and be knowledgeable in areas of health information technology, health care delivery, health policy and health research
- Composition of the council must be geographically diverse and include consumers and providers of health care and privacy and information technology experts

**DUTIES AND AUTHORITY:** ORS 413.301 – ORS 413.303; ORS 413.306; and ORS 413.308

- The council may adopt rules necessary to administer the laws it is charged with administering.
- The council is responsible for setting specific health information technology goals and developing a strategic health information technology plan for the state.
- The council monitors progress and provides oversight in achieving health information technology goals.
- Maximizing the distribution of resources spent on health information technology in the state
- Create and provide oversight for public-private purchasing collaborative or alternative mechanisms to obtain hardware, software and technical support to maintain health information technology.
- The council will identify and select industry standards for all health information technology for purchase by the collaborative including standards for:
  - Venders, hardware, software, and support services
  - Ensuring privacy and security controls
- Shall coordinate health care sector activities to move the adoption of health information technology forward through coordination and leveraging of community resources and education of public and health care providers on the benefits of risks of information technology infrastructure investment.
- The council oversees the implementation of a personal health records bank and building of a statewide health information exchange by the Oregon Health Authority.
- The council determines appropriate method to reimburse providers for use of electronic health records.
