 15 **Council** prior to the start of the review and approval process for the local coordinated comprehen-

- 34 with the requirements of the federal Head Start Act.
- 35 (6) When determining whether to designate an entity as a community-based coordinator

8 of age on the hiring date and who has received a certificate pursuant to subsection (5) of this sec-
9 tion from a community-based organization identifying the youth as eligible to participate in the First

11 (f) "Sustained employment" means employment:

16 (3)(a) A credit against the taxes otherwise due under ORS chapter 316 (or, if the taxpayer is a

18 based upon wages actually paid by the employer to a qualified youth employee.

19 (b) The credit allowed under this subsection shall be allowed for the tax year in which ends the

22 period in order to be eligible for the credit under this subsection.

23 (4) The amount of the credit provided under subsection (3) of this section shall be equal to the
24 lesser of:

37 tificate is issued, shall calculate the amount of maximum credit allowable under subsection (4) of
38 this section and shall inform each subsequent employer of the maximum amount of credit under this
39 section to which the employer may be entitled.

40 (d) If the community-based organization determines that the qualified youth is unable or un-
41 willing to find or maintain sustained employment, the community-based organization shall cancel the

3 time the qualified youth becomes unemployed, the community-based organization shall withdraw the
4 certificate, and any subsequent employer shall not be entitled to a credit under this section for

11 (7) Only one employer at a time shall be eligible for the credit provided under this section for
12 the employment of a qualified youth employee.

15 of this state. However, the credit shall be prorated using the proportion provided in ORS 316.117.

16 (b) If a change in the taxable year of a taxpayer occurs as described in ORS 314.085, or if the
17 Department of Revenue terminates the taxpayer's taxable year under ORS 314.440, the credit al-
18 lowed by subsection (3) of this section shall be prorated or computed in a manner consistent with
19 ORS 314.085.

20 (c) If a change in the status of a taxpayer from resident to nonresident or from nonresident to
21 resident occurs, the credit allowed by subsection (3) of this section shall be determined in a manner
22 consistent with ORS 316.117.

23 (9) Any tax credit otherwise allowable under this section that is not used by the taxpayer in a
24 particular tax year may be carried forward and offset against the taxpayer's tax liability for the next
25 succeeding tax year. Any credit remaining unused in such next succeeding tax year may be carried
26 forward and used in the second succeeding tax year, and likewise any credit not used in that second
27 succeeding tax year may be carried forward and used in the third succeeding tax year, and any
28 credit not used in that third succeeding tax year may be carried forward and used in the fourth
29 succeeding tax year, and any credit not used in that fourth succeeding tax year may be carried
30 forward and used in the fifth succeeding tax year, but may not be carried forward for any tax year
31 thereafter.

32 (10)(a) The credit allowed under subsection (3) of this section is in addition to any deduction
33 otherwise allowable under ORS chapter 316, 317 or 318.

34 (b) No other credit allowed under this chapter or ORS chapter 316, 317 or 318 shall be based
35 upon all or any portion of amounts upon which the credit allowed under subsection (3) of this sec-
36 tion is based.

37 (11) An employer receiving a credit under subsection (3) of this section shall maintain records
38 for each qualified youth employee establishing that the employee was certified by a community-based
39 organization as a qualified youth on or before the hiring date. The records shall be retained for a
40 period of four years after the tax year in which a credit provided under subsection (3) of this section
41 is taken.

42 (12) The Employment Department shall adopt rules that:

43 (a) Provide the criteria by which a youth may be identified as eligible to participate in the First
44 Break Program.

45 (b) Designate community-based organizations that may issue the certificates described in sub-

36 childhood system plan.

37 (11)(a) The Early Learning Council may disapprove the planning process and the voluntary local
38 early childhood system plan only upon making specific findings that the local plan substantially fails
39 to conform to the principles, characteristics and values identified in ORS 417.708 to 417.725 or that
40 the local plan fails to conform with the planning process requirements of this section. The staff of
41 the Early Learning Council shall assist the local commission in remedying the deficiencies in the
42 planning process or the voluntary local early childhood system plan. The Early Learning Council
43 shall set a date by which any deficient portions of the planning process or the voluntary local early

19 the agencies shall consider the impact of state and local budget reductions on the community plan.

20 (13) If a local commission determines that the needs of the county or region it serves differ from
21 those identified by the Early Learning Council, it may ask the Early Learning Council to waive
22 specific requirements in its list of children's support areas. The process for granting waivers shall
23 be developed by the Early Learning Council prior to the start of the review and approval process
24 for the local coordinated comprehensive plan and shall be based primarily on a determination of
25 whether the absence of a waiver would prevent the local commission from best meeting the needs
26 of the county or region.

27 (14) From time to time, the local commission may amend the local coordinated comprehensive
28 plan and applications for funds to implement ORS 417.705 to 417.800 and 419A.170. The local com-
