11 (8) A qualified beneficiary who is not eligible for continuation of coverage under ORS 743.600  
 12 may continue coverage under this section upon the dissolution of marriage with or the death of the

 44 status of individuals for purposes of eligibility shall use the standard health statement established  
 45 under ORS 743.745 and may not use any other method to determine the health status of an individ-

1 ual. Nothing in this subsection shall prevent a carrier from using health information after enroll-  
2 ment for the purpose of providing services or arranging for the provision of services under a health  
3 benefit plan.

4 (2)(a) If an individual is accepted for coverage under an individual health benefit plan, the car-  
5 rier shall not impose exclusions or limitations other than:

6 (A) A preexisting condition exclusion that complies with the following requirements:

7 (i) The exclusion applies only to a condition for which medical advice, diagnosis, care or treat-

17 (b) Except for grandfathered health plans, pregnancy of individuals who are under 19 years of  
18 age may not constitute a preexisting condition for purposes of this section.

19 (3) If the carrier elects to restrict coverage through the application of a preexisting condition  
20 exclusion or an individual coverage waiting period provision, the carrier shall reduce the duration  
21 of the provision by an amount equal to the individual's aggregate periods of creditable coverage if  
22 the most recent period of creditable coverage is ongoing or ended within 63 days after the effective  
23 date of coverage in the new individual health benefit plan. The crediting of prior coverage in ac-  
24 cordance with this subsection shall be applied without regard to the specific benefits covered during  
25 the prior period.

26 (4) If an eligible prospective enrollee is rejected for coverage under an individual health benefit  
27 plan, the prospective enrollee shall be eligible to apply for coverage under the Oregon Medical In-  
28 surance Pool.

29 (5) If a carrier accepts an individual for coverage under an individual health benefit plan, the  
30 carrier shall renew the policy unless:

31 (a) The policyholder fails to pay the required premiums.

32 (b) The policyholder or a representative of the policyholder engages in fraud or makes an in-  
33 tentional misrepresentation of a material fact as prohibited by the terms of the policy.

34 (c) The carrier discontinues offering or renewing, or offering and renewing, all of its individual  
35 health benefit plans in this state or in a specified service area within this state. In order to dis-  
36 continue the plans under this paragraph, the carrier:

37 (A) Must give notice of the decision to the Department of Consumer and Business Services and  
38 to all policyholders covered by the plans;

39 (B) May not cancel coverage under the plans for 180 days after the date of the notice required  
40 under subparagraph (A) of this paragraph if coverage is discontinued in the entire state or, except  
41 as provided in subparagraph (C) of this paragraph, in a specified service area;

42 (C) May not cancel coverage under the plans for 90 days after the date of the notice required  
43 under subparagraph (A) of this paragraph if coverage is discontinued in a specified service area  
44 because of an inability to reach an agreement with the health care providers or organization of  
45 health care providers to provide services under the plans within the service area; and

1 (D) Must discontinue offering or renewing, or offering and renewing, all health benefit plans  
 2 issued by the carrier in the individual market in this state or in the specified service area.

3 (d) The carrier discontinues offering and renewing an individual health benefit plan in a speci-  
 4 fied service area within this state because of an inability to reach an agreement with the health  
 5 care providers or organization of health care providers to provide services under the plan within the  
 6 service area. In order to discontinue a plan under this paragraph, the carrier:

7 (A) Must give notice of the decision to the department and to all policyholders covered by the  
 8 plan;

9 (B) May not cancel coverage under the plan for 90 days after the date of the notice required  
 10 under subparagraph (A) of this paragraph; and

11 (C) Must offer in writing to each policyholder covered by the plan, all other individual health  
 12 benefit plans that the carrier offers in the specified service area. The carrier shall offer the plans  
 13 at least 90 days prior to discontinuation.

14 (e) The carrier discontinues offering or renewing, or offering and renewing, an individual health  
 15 benefit plan, other than a grandfathered health plan, for all individuals in this state or in a specified  
 16 service area within this state, other than a plan discontinued under paragraph (d) of this subsection.

17 (f) The carrier discontinues renewing or offering and renewing a grandfathered health plan for  
 18 all individuals in this state or in a specified service area within this state, other than a plan dis-  
 19 continued under paragraph (d) of this subsection.

20 (g) With respect to plans that are being discontinued under paragraph (e) or (f) of this sub-

 23 carrier offers to individuals in the specified service area.

24 (B) Offer the plans at least 90 days prior to discontinuation.

 28 discontinue coverage in accordance with procedures specified or approved by the director upon  
 29 finding that the continuation of the coverage would:

30 (A) Not be in the best interests of the enrollee; or

31 (B) Impair the carrier's ability to meet its contractual obligations.

32 (i) In the case of an individual health benefit plan that delivers covered services through a  
 33 specified network of health care providers, the enrollee no longer lives, resides or works in the  
 34 service area of the provider network and the termination of coverage is not related to the health  
 35 status of any enrollee.

36 (j) In the case of a health benefit plan that is offered in the individual market only through one  
 37 or more bona fide associations, the membership of an individual in the association ceases and the  
 38 termination of coverage is not related to the health status of any enrollee.

39 (6) A carrier may modify an individual health benefit plan at the time of coverage renewal. The  
 40 modification is not a discontinuation of the plan under subsection (5)(c), (e) and (f) of this section.

41 (7) Notwithstanding any other provision of this section, and subject to the provisions of ORS  
 42 743.894 (2) and (4), a carrier may rescind an individual health benefit plan if the policyholder or a  
 43 representative of the policyholder:

44 (a) Performs an act, practice or omission that constitutes fraud; or

45 (b) Makes an intentional misrepresentation of a material fact as prohibited by the terms of the

1 policy.

2 (8) A carrier that withdraws from the market for individual health benefit plans must continue  
3 to renew its portability health benefit plans that have been approved pursuant to ORS 743.761.

4 (9) A carrier that continues to offer coverage in the individual market in this state is not re-  
5 quired to offer coverage in all of the carrier’s individual health benefit plans. However, if a carrier  
6 elects to continue a plan that is closed to new individual policyholders instead of offering alterna-  
7 tive coverage in its other individual health benefit plans, the coverage for all existing policyholders  
8 in the closed plan is renewable in accordance with subsection (5) of this section.

9 (10) An individual health benefit plan may not impose **annual or** lifetime limits on the dollar  
10 amount of the essential health benefits prescribed by the United States Secretary of Health and  
11 Human Services pursuant to 42 U.S.C. 300gg-11, except as permitted by federal law.

12 (11) This section does not require a carrier to actively market, offer, issue or accept applications  
13 for a grandfathered health plan or from an individual not eligible for coverage under such a plan  
14 as provided by the Patient Protection and Affordable Care Act (P.L. 111-148) as amended by the  
15 Health Care and Education Reconciliation Act (P.L. 111-152).
