11 equal to the anticipated life span of the member as actuarially determined by the Public Employees

13 may the period selected by the member exceed the time allowed by the minimum distribution re-  
14 quirements described in subsection (5) of this section. The board shall by rule establish the manner  
15 in which installments will be adjusted to reflect investment gains and losses on the unpaid balance  
16 during the payout period elected by the member under this subsection. The board by rule may es-  
17 tablish minimum monthly amounts payable under this subsection. The board may require that a  
18 lump sum payment, or an installment schedule different than the schedules provided for in this

20 adequate to generate the minimum monthly amounts specified by the rule.

21 (3) A member of the individual account program electing to receive installments under sub-  
22 section (2) of this section must designate a beneficiary or beneficiaries. In the event the member dies  
23 before all amounts in the employee and vested employer accounts are paid, all remaining installment

25 may elect to receive a lump sum distribution of the remaining amounts.

26 (4) A member who is entitled to receive retirement benefits under ORS chapter 238 may receive  
27 vested amounts in the member's employee account, rollover account and employer account in the  
28 manner provided by this section when the member retires for service under the provisions of ORS  
29 chapter 238.

30 (5) Notwithstanding any other provision of ORS 238A.300 to 238A.415, the entire interest of a  
31 member of the individual account program must be distributed over a time period commencing no  
32 later than the latest retirement date set forth in ORS 238A.170, and must be distributed in a manner  
33 that satisfies all other minimum distribution requirements of 26 U.S.C. 401(a)(9) and regulations im-  
34 plementing that section, as in effect on December 31, [2010] 2011. The board shall adopt rules im-

36 **SECTION 8.** ORS 238A.410 is amended to read:

38 in the member's employee account, rollover account and employer account, to the extent the member  
39 is vested in those accounts under ORS 238A.320, shall be paid in a lump sum to the beneficiary or  
40 beneficiaries designated by the member for the purposes of this section.

41 (2) If a member of the individual account program is married at the time of death, or there exists  
42 at the time of death any other person who is constitutionally required to be treated in the same  
43 manner as a spouse for the purpose of retirement benefits, the spouse or other person shall be the  
44 beneficiary for purposes of the death benefit payable under this section unless the spouse or other  
45 person consents to the designation of a different beneficiary or beneficiaries before the designation

1 has been made and the consent has not been revoked by the spouse or other person as of the time  
 2 of the member's death. Consent and revocation of consent must be in writing, acknowledged by a  
 3 notary public, and submitted to the Public Employees Retirement Board in accordance with rules  
 4 adopted by the board. If the member's spouse is designated as the member's beneficiary and the  
 5 marriage of the member and spouse is subsequently dissolved, the former spouse shall be treated as  
 6 predeceasing the member for purposes of this section, unless the member expressly designates the  
 7 former spouse as beneficiary after the effective date of the dissolution or the former spouse is re-  
 8 quired to be designated as a beneficiary under the provisions of ORS 238.465.

9 (3) For purposes of this section and ORS 238A.400 (3), if a member fails to designate a benefi-  
 10 ciary, or if the person or persons designated do not survive the member, the death benefit provided  
 11 for in this section shall be paid to the following person or persons, in the following order of priority:

12 (a) The member's surviving spouse or other person who is constitutionally required to be treated  
 13 in the same manner as a spouse;

14 (b) The member's surviving children, in equal shares; or

15 (c) The member's estate.

16 (4) The entire amount of a deceased member's vested accounts must be distributed by December  
 17 31 of the fifth calendar year after the year in which the member died. Notwithstanding any other  
 18 provision of this chapter, distributions of death benefits under the individual account program must
