15 (b) For the purpose of paragraph (a) of this subsection, the amount of the pension that would

20 at the earliest retirement date if the member dies before the earliest retirement date for the member
21 under ORS 238A.165.

22 (3) The death benefit provided under this section is first effective on the first day of the month
23 following the date of death of the member. The surviving spouse or other person entitled to the

34 fined contribution plan maintained by the participating public employer for a calendar year, may
35 not exceed the lesser of \$40,000, or 100 percent of the member's compensation for that calendar year.
36 For purposes of this section, "annual addition" has the meaning given that term in 26 U.S.C.
37 415(c)(2), as in effect on December 31, [2010] **2011**, and "compensation" has the meaning given the

39 The Public Employees Retirement Board shall adopt rules for the administration of this limitation,

45 the member's employee account, rollover account and employer account to the extent the member

1 is vested in those accounts under ORS 238A.320.

2 (2) In lieu of a lump sum payment under subsection (1) of this section, a member of the individ-
3 ual account program may elect to receive the amounts in the member's employee account and em-
4 ployer account, to the extent the member is vested in those accounts under ORS 238A.320, in
5 substantially equal installments paid over a period of 5, 10, 15 or 20 years, or over a period that is
6 equal to the anticipated life span of the member as actuarially determined by the Public Employees
7 Retirement Board. Installments may be made on a monthly, quarterly or annual basis. In no event
8 may the period selected by the member exceed the time allowed by the minimum distribution re-
9 quirements described in subsection (5) of this section. The board shall by rule establish the manner
10 in which installments will be adjusted to reflect investment gains and losses on the unpaid balance
11 during the payout period elected by the member under this subsection. The board by rule may es-
12 tablish minimum monthly amounts payable under this subsection. The board may require that a
13 lump sum payment, or an installment schedule different than the schedules provided for in this
14 subsection, be used to pay the vested amounts in the member's accounts if those amounts are not
15 adequate to generate the minimum monthly amounts specified by the rule.

16 (3) A member of the individual account program electing to receive installments under sub-
17 section (2) of this section must designate a beneficiary or beneficiaries. In the event the member dies
18 before all amounts in the employee and vested employer accounts are paid, all remaining installment

20 may elect to receive a lump sum distribution of the remaining amounts.

21 (4) A member who is entitled to receive retirement benefits under ORS chapter 238 may receive
22 vested amounts in the member's employee account, rollover account and employer account in the

24 chapter 238.

25 (5) Notwithstanding any other provision of ORS 238A.300 to 238A.415, the entire interest of a
26 member of the individual account program must be distributed over a time period commencing no
27 later than the latest retirement date set forth in ORS 238A.170, and must be distributed in a manner
28 that satisfies all other minimum distribution requirements of 26 U.S.C. 401(a)(9) and regulations im-
29 plementing that section, as in effect on December 31, [2010] 2011. The board shall adopt rules im-

31 **SECTION 8.** ORS 238A.410 is amended to read:

32 238A.410. (1) If a member of the individual account program dies before retirement, the amounts
33 in the member's employee account, rollover account and employer account, to the extent the member
34 is vested in those accounts under ORS 238A.320, shall be paid in a lump sum to the beneficiary or
35 beneficiaries designated by the member for the purposes of this section.

36 (2) If a member of the individual account program is married at the time of death, or there exists
37 at the time of death any other person who is constitutionally required to be treated in the same
38 manner as a spouse for the purpose of retirement benefits, the spouse or other person shall be the
39 beneficiary for purposes of the death benefit payable under this section unless the spouse or other
40 person consents to the designation of a different beneficiary or beneficiaries before the designation
41 has been made and the consent has not been revoked by the spouse or other person as of the time
42 of the member's death. Consent and revocation of consent must be in writing, acknowledged by a
43 notary public, and submitted to the Public Employees Retirement Board in accordance with rules
44 adopted by the board. If the member's spouse is designated as the member's beneficiary and the
45 marriage of the member and spouse is subsequently dissolved, the former spouse shall be treated as

1 predeceasing the member for purposes of this section, unless the member expressly designates the
 2 former spouse as beneficiary after the effective date of the dissolution or the former spouse is re-
 3 quired to be designated as a beneficiary under the provisions of ORS 238.465.

4 (3) For purposes of this section and ORS 238A.400 (3), if a member fails to designate a benefi-
 5 ciary, or if the person or persons designated do not survive the member, the death benefit provided
 6 for in this section shall be paid to the following person or persons, in the following order of priority:

7 (a) The member's surviving spouse or other person who is constitutionally required to be treated
 8 in the same manner as a spouse;

9 (b) The member's surviving children, in equal shares; or

10 (c) The member's estate.

11 (4) The entire amount of a deceased member's vested accounts must be distributed by December
 12 31 of the fifth calendar year after the year in which the member died. Notwithstanding any other
 13 provision of this chapter, distributions of death benefits under the individual account program must
 14 comply with the minimum distribution requirements of 26 U.S.C. 401(a)(9) and the regulations im-
 15 plementing that section, as in effect on December 31, [2010] 2011. The Public Employees Retirement
 16 Board shall adopt rules implementing those minimum distribution requirements.

18 238A.415. (1) Notwithstanding any other provision of ORS 238A.300 to 238A.415, an eligible em-
 19 ployee who leaves a qualifying position for the purpose of performing service in the uniformed ser-

 23 rules adopted by the Public Employees Retirement Board pursuant to subsection (2) of this section.

24 (2) The board shall adopt rules establishing contributions and service credit for any period of
 25 service in the uniformed services by an employee described in subsection (1) of this section. For the
 26 purpose of adopting rules under this subsection, the board shall consider and take into account all
 27 federal law relating to benefits and service credit for any period of service in the uniformed ser-

 2 consists of after-tax employee contributions that are not includable in gross income. Any portion of
 3 a distribution that consists of after-tax employee contributions that are not includable in gross in-
 4 come may be transferred only to an individual retirement account or annuity described in 26 U.S.C.
 5 408(a) or (b), or to a qualified defined contribution or defined benefit plan described in 26 U.S.C.

 7 separately for the portion of the distribution that is includable in gross income and the portion of
 8 the distribution that is not includable in gross income. The amount transferred shall be treated as
 9 consisting first of the portion of the distribution that is includable in gross income, determined
 10 without regard to 26 U.S.C. 402(c)(1).

11 (4) The board shall adopt rules implementing the direct rollover requirements of 26 U.S.C.
