Possible Introduction of Committee Measures

Public Hearing

SB 360

Creates whole or partial exemption from additional requirements for fish screens, by-pass devices or fish passages for hydroelectric projects proposed for construction in preexisting artificial delivery systems partially or entirely within Astoria city limits or partially or entirely on property owned in whole or in part by City of Astoria.

HB 2396 A

Adds large woody debris to definition of "material" for purposes of removal-fill provisions.

If you plan to submit materials to the committee, please send PDF electronically to the email address near the top of the agenda by noon the prior business day. For printed documents, please provide 10 paper copies to the assistant when you testify.

Persons making presentations including the use of video, DVD, PowerPoint or overhead projection equipment are asked to contact committee staff 24 hours prior to the meeting.

ADA accommodation requests may be submitted to employee.services@state.or.us or by calling 1-800-332-2313 at least 72 hours prior to the meeting time.
