

**Review of Semi-Independent Agency Reports**

(Reported out of Subcommittee on 2/27/13)

---

The Legislative Fiscal Office (LFO) is required to provide the Joint Committee on Ways and Means with a review of reports submitted by eleven semi-independent agencies pursuant to ORS 182.472. The review covers agency performance for the 2009-11 biennium, and the adopted budget for the 2011-13 biennium. LFO found that all eleven agencies submitted reports that complied with the statutory requirements. Included in the LFO report are budget analyses, as well as operations and fund balance summaries for each agency. LFO continues to work with these agencies to ensure accurate reporting of licensing activities, complaints, investigations, resolutions and sanctions.

The General Government Subcommittee recommends acknowledging of the report.
