TO: OREGON SENATE RULES COMMITTEE

RE: [Support for Appointment of Sandi Warren to the Construction Contractors Board](#)

FR: **PMCA** (Plumbing and Mechanical Contractors Association)

**SMACNA** (Sheet Metal & Air Conditioning Contractors Association)

**Dear Senator:**

We are contacting you to convey our enthusiastic support of the appointment of Sandi Warren to the Construction Contractors Board (CCB).

Our two contractor trade associations - PMCA and SMACNA – combined represent approximately 260 licensed construction contractors and over 4,000 employees in Oregon. The role of the Construction Contractors Board has a direct impact on our work and industry and our organizations.

Sandi, and her company (D&F Plumbing), have been very active in the specialty contracting field for many years. D&F is in its 86<sup>th</sup> year of operation. As a third generation owner and manager of a small business, she understands the complexities of the construction, remodeling and service industries and will be a great addition to the CCB.

We encourage your approval of her appointment.

Sincerely,
