

So honestly i dont know where to start. i just have so much hate for you and what you have put me thru. you really robbed me of my life, you took advantage of a vulnerable teenager and ruined my life. When we first were talking i was just looking for love i didnt understand what was going to happen or what i was getting into i just wanted love. When i first got to see you i thought everything was great then everything changed i realized what was going on but didnt understand how to stop it. And since i thought it was love i did what i did to make you ~~happy~~ happy and look what happened? my life got taken from me. well now your going to pay for the hell and all that shit you put me thru. im so glad i can be one of the few girls who can stand up for themselves and put the peice of shit away who took their life. im also glad that after today i can move on with my life and become the strong women i know i can and will become. i have been thru so much since march. i hate sleeping in the dark cause of you.

I always look over my shoulder
cause of you. But not after today.
I just don't know if you really
understand what you have done
to me. I don't get how you can
sit there and try and lie about
what you did to me and how
much you used me to get what
you wanted since you couldn't get
it yourself. You didn't give a shit
about me or what was happening
to me. All you wanted was money,
and you were going to do anything
to get that, even if that meant
ruining my life for your own
benefit. All you cared about was
the money and lying to me and
promising me things was just a
way to use a vulnerable 15 year
old little girl. You are sick
and you disgust me. I wish I
could put all the pieces of shit
like you away. I guess I should
have known that you never cared
when you didn't even show up at
the hospital when I was going
through shit. Instead you were with
a nasty bitch. I don't think you
will ever understand ~~it~~ or even
know what you have really done
to me. But I have to live with
it everyday for the rest of

my life. I wish I knew
what you were thinking and
why you did to me what you
did. I guess that's something I
will never know.

COMMENTS: I am a newbie so I am not yet privy to all the acronyms and terminology used on this board so I will use some actual words. But first some backstory. I'm a happily married man with a beautiful wife. I won't go into detail but said wife has the Big C, a kind of which precludes her from using and enjoying her lady parts. It been this way for a while and with the ongoing treatment (chemo, drugs, etc.) it won't be getting better anytime soon if at all. And there are only so many BJs and handjobs I can accept without starting to feel selfish and guilty. That said, I am a goddamn man. A man with needs. And as you know (and you do or you wouldn't be on this board) there is nothing better than the feeling sliding your cock into a beautiful lady.
Ms. Jessica is truly one of those beautiful ladies. The perfect choice for popping my hobby cherry. I took a long lunch

from work. She greeted my with a hug at the door and we talked. She was fun, funny and charming. It was hard to keep eye contact when she was walking around with that sweet pantied ass, so I didn't. I peeled them off and went down on her hot box, grabbing a couple of handfuls of ass to bring it hard into my face. I then threw on the hat and and eased it in. Didn't bother with getting a beej, cuz I've had my fill of them lately. I flipped her over, put a pillow under her hips so that perfect little booty was sticking up and plunged it in. Flipped her back over for a grinding finish and then I was outta there to get back to work.

Thanks Jessica. Even if I don't see you again, you provided plenty of fodder for my spank bank.

Re: REV: JessicaRabitt69

Best of luck to the Mrs. None of my business, but was this tryst w her blessing? If not, & home w the Big C, I can't imagine how she'd feel if she found out.

That said, have a great time here. I've yet to meet the fine Miss Jessica yet myself but hope to soon

Re: REV: JessicaRabitt69

Oh, she would definitely NOT be on board with this. Does that make me a bad man? Maybe. But this is probably the most discreet way to get my needs met. The only need of the wife's that is not being met is one of fidelity.

drbooty...You are not a bad man for taking advantage of these wonderful ladies who actually understand men like us who need to be taken care of sexually to feel fulfilled. I am sorry for your situation and hope the best for your wife and you. With that being said, everyone needs a little strange now and then!

Re: REV: JessicaRabitt69

jstfun4me: thanks for the encouragement. Just a taste of the delights to be found on this board has turned me into a modern Roman. The most difficult part is trying to figure out who's next. So far, the two ladies I've had couldn't be more polar opposites: a nubile spinner and a hot MILFMother I'd Like to Fuck. Now I want to sample everything in between: thin, thick, black, Asian, Hispanic, fucking Eskimo. Dick doesn't discriminate. If there was a hot midget on this board, I'd get on that too. Where the midgets at...er...I mean little people? How un-PC of me.

A Pimp...

- (*) keeps his emotions to himself.
- * is his own best company.
- (*) doesn't get paid for screwing. He gets his pay from always having the right thing to say to his females.
- (*) with sense never lets a female go who still has some trick in her.
- * is really a bitch who has reversed the game.
- (*) should be prince charming to the females. They should think you're GOD!!!
- * should always have one thought in his head, Pimp Or Die!!!
- (*) should control the whole female, be the boss of her life, even her thoughts.
- * should always be determined in any and everything.
- * should always recognize and respect other pimps.
- (*) should never accept anything but his money.
- (*) must be serious!!!
- (*) has to be married, married to the pimp game!!!
- (*) could cut his dick off and still pimp his ass off!!!
- * is the loneliest person in the world.
- (*) wants any female who can make him money.
- (*) cannot feel like a pimp with one female, raise a stable.
- (*) loves it when his women love him.
- (*) has to use great pressure.

Women...

- (*) A pimp with a fine female has to keep his game tight.
- * Females always try to find a weakness in a pimp.
- (*) A female will always leave you if she has money. Keep them broke.
- (*) A pretty black female and a white female are alike. They will try to destroy your stable and leave you broke.
- (*) The way you start with a female is the way you end with her. Pimp hard from the start.
- (*) If you chase a female you get a weak one, if you stalk her you get a strong one.
- * Don't give a trife broke female a second chance.
- * Taking their money is an excellent way to keep women.
- (*) Have your women give you your money every time you see them.
- (*) Always keep your women on mental file.
- (*) There is nothing more important than what makes a new female tick and why. Make her tell you her life story.
- (*) Tell your women they can go down on a price, never up.
- * Tell her to recruit for you.
- (*) The tougher you are, the more she will love you.
- (*) Make her convince you, that she should be your girl.
- * It's better to have no female than half of a female.
- (*) If your women act up, put them in check quick.
- (*) Never put two new females together, they will plot on you.
- (*) Have your main girl loyal to you because if she leaves the stable leaves. Keep your game the tightest on her.
- (*) Team your women up and have them competing to see who can bring you the most money.
- * It thrills women when their pimp makes a mistake. Don't make any.
- (*) Never let your women break your rules.
- (*) Protecting your women is protecting your money.

- Ⓢ Never let your women get loud with you.
- * Never neglect your women.
- Ⓢ If your women gets stolen the reason why is because your game was not tight enough.
- Ⓢ A female in strange surroundings is more dependent on her pimp.
- * A girl from a small town has to be moved fast.
- * It is bad for a pimp to keep his stable on their ass.
- Ⓢ Women think twice about leaving a rich pimp.
- * For every girl that leaves you, get two.
- Ⓢ It's a good thing when you can trust your main girl with you women and your money.
- Ⓢ A pimp should always tell his women something new everyday to hold them.
- Ⓢ Always get your money up front from your women before you have sex with them. Treat them just like tricks.
- Ⓢ Make them work hard and fast.
- Ⓢ Run your women like a business.
- Ⓢ Keep your women well maintained.

Remember...

- * there isn't a female you can't do without.
- Ⓢ pimping isn't a game of love. Your women should fear you.
- Ⓢ just like drugs, don't get high off your own supply and what you supply is women.
- Ⓢ if you keep your money right, Ms. Justice will smile on you.
- Ⓢ the world is nothing but a bitch, and you are her pimp!!!!
- Ⓢ earn your pimping degree in whorology.
- Ⓢ you are not a gentleman, you are a pimp!!!
- * you only get great by pimping by the rules.
- * pimps are like cars. The best known may not be the real yardstick to the best one.
- Ⓢ you don't have to pimp, you got to pimp.
- Ⓢ it's a violation of the pimp laws to quit a female who is bringing you money.
- Ⓢ money over women.
- * the pimp game is not for kids.
- * never confide in your women, keep your thoughts a secret.
- Ⓢ never count your money until it is in your hand.
- Ⓢ pimping isn't a sex game, it's a mind game.
- Ⓢ just like a company, downsize and upgrade if you have to.
- * to a pimp to only thing more important than getting money is getting women.
- Ⓢ true friends mean more than any female.
- Ⓢ in a pimp's life, yesterday means nothing, today is everything!!!
- Ⓢ the game of pimping is like a chess game, you must think before you move.

Always...

- Ⓢ find ways to keep your women without kissing their ass.
- * seek knowledge about the pimp game.
- Ⓢ be positive in everything you do, especially the pimp game.
- Ⓢ take care of the little things and if the female is qualified make her take care of the big things.
- Ⓢ keep your mind on your money!!!
- * live by the rules you set down on your women.
- Ⓢ keep the pimp / bitch relationship well defined.

* be a puzzle to your women, that's a way how to keep them.

① * remember what you are, a pimp!!!

② * remember, the only heaven for a pimp is one filled with women and money.

③ * remember a pimp's wardrobe has to be neat and clean, his ride must be eye catching.

A playa only plays for so long, then he's played out. A hustler only hustles for so long, then he's hustled out. A whore only whores for so long before she's whored out. A PIMP only pimps for so long and that's for life! From all the PIMPS I've known it's been PIMP or die! Put that on the lifestyle. To play this game on the field of life is a hard game to play. Pimping, somebody has to do it because a girl can give up the ass for free for only so long then she is called a whore. She might as well get paid for it, and she might as well bring the pay to me! Somebody has to win at it because the game is never going to stop, champaign bottles are still going to get popped by the PIMPS at the top of their game.
