Chair Monnes Anderson and Members of the Committee,

As a constituent and an ardent supporter of Planned Parenthood Advocates of Oregon, I urge you to protect women's health by supporting smart investments in family planning and by protecting women's constitutional right to privacy. Now more than ever, Oregonians need more access to affordable health care, not less.

Please vote YES on this measure to strengthen women's health:

\* Disclosure and Transparency for Crisis Pregnancy Centers: Crisis Pregnancy Centers (CPCs) have been found to provide false information on birth control and condoms, which could have life-threatening consequences on public health. Senate Bill 490 requires these centers to post signs that clearly disclose the services provided while also requiring them to keep client files and medical/personal information confidential.

Sincerely,

Ms. Kelsie Kachel
