Re: SB 179 with -1 Amendments: SUPPORT

Senators:

We appreciated your thoughtful consideration and passage of SB 602, relating to Waldo Lake. We now ask for your support for SB 179 with the -1 Amendment so that there is clarity in the jurisdiction among these two state agencies. We support that the Aviation Board will be consulted before action is taken. But the difficulty in getting an answer related to seaplanes on Waldo Lake highlighted the need for this bill.

We ask for your support.
