

# City of Molalla

June 3, 2011

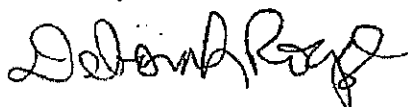

Dear Fences for Fido Volunteers,

We, in the City of Molalla, want to take this opportunity to thank you for the efforts you have been making to keep our city's pets safe and healthy. We realize that you come from great distances to help the citizens of Molalla gain a greater bond and relationship with their pets as well as providing an atmosphere for non-pet owners to feel safe in encounters with the pets of others.

If the citizens of Molalla can help to make your endeavors less difficult, please let us know what we can do for your organization.

Thank you again for your great efforts on behalf of the citizens of Molalla.

Sincerely,

Deborah Rogge  
President  
Molalla City Council
