Subject: Senate Environment and Natural Resources Committee

Hello Senators,

Please Vote NO on SB 800. The bill would create more regulations on the hard hit farming industry. There is no significant proof that farmers are over using or misusing pesticides. Most companies in the agrarian sector recognize the market demand for a more organic food source and they will deliver that to the consumer without the heavy hand of government. Please vote NO on SB 800.

I will forward a copy of this email to our senator, Senator Jeff Kruse.

Sincerely,
Rob Taylor
