Subject: Why I signed -- The amount of destruction

Dear Oregon House Committee on Transportation and Economic Development (Committee Administrator),

I just signed Friends of French Prairie's petition "[Oregon House of Representatives: Stop House Bill 2696](#)" on Change.org.

Here's why I signed:

The amount of destruction to the farm land as well as nature and wild life is overwhelming. I just can not believe that someone came up with this idea. Please try to use the existing roads and improve on them. A bypass is a good idea but there has to be a better way.

Sincerely,
Jeff Buyserie
Salem, Oregon
