Dear Oregon House Committee on Transportation and Economic Development  
(Committee Administrator),

I just signed Friends of French Prairie's petition "[Oregon House of Representatives: Stop House Bill 2696](#)" on Change.org.

Here's why I signed:

Our farm and forest (resource) land will be far more important into the future than another expensive road at a time when Vehicle Miles Traveled in the state have been going down for a number of years and promise to continue doing so. A BAD idea with, once again, only the profits of the developer in mind.

Sincerely,  
Sarah Deumling  
Rickreall, Oregon
