Dear Oregon House Committee on Transportation and Economic Development (Committee Administrator),

I just signed Friends of French Prairie's petition "[Oregon House of Representatives: Stop House Bill 2696](#)" on Change.org.

Here's why I signed:

Even if you have found a loop hole to make it "legal" to claim eminent domain, it is completely un-ethical. I am absolutely astonished that our representatives would take private land and sell it to another private land owner so they can make money. I dont care that a "clause" says that the state will get the road in 30 years. In 30 years spirit mtn casino will be old news and you will have destroyed the lives of those you represent. Do you take from the hard working families of our state and give to the high powered industry...or are you simply trying to satisfy those who contribute to your campaign fund. Those who support this bill will fervently lose my vote.

Sincerely,  
Jennifer Greaves  
St. Paul, Oregon
