Subject: Why I signed -- French Prairie is one

Dear Oregon House Committee on Transportation and Economic Development (Committee Administrator),

I just signed Friends of French Prairie's petition "[Oregon House of Representatives: Stop House Bill 2696](#)" on Change.org.

Here's why I signed:

French Prairie is one of our countries richest agriculture soil regions with generations of family farmers. A coastal parkway would harm farmers and forever change this extraordinary prairie. Please find another solution.

Sincerely,
Dana Illo
