Subject: Why I signed -- French Prairie is one

Dear Oregon House Committee on Transportation and Economic Development (Committee Administrator),

I just signed Friends of French Prairie's petition "[Oregon House of Representatives: Stop House Bill 2696](#)" on Change.org.

Here's why I signed:

French Prairie is one of richest agriculture soil regions in the United states. A coastal parkway would severely damage this beautiful, delicate and necessary ecosystem.

Sincerely,
Catherine Johnson
