Dear Oregon House Committee on Transportation and Economic Development (Committee Administrator),

I just signed Friends of French Prairie's petition "[Oregon House of Representatives: Stop House Bill 2696](#)" on Change.org.

Here's why I signed:

This proposed bill and bypass attempt to create a very dangerous precedent of circumventing current laws that protect private citizens from the government seizing their land on behalf of a private corporation. This bill would be detrimental to Agriculture and family farms here in the Willamette Valley and across the entire state of Oregon. For these and many other good reasons, this bill and proposed bypass should NOT be considered.

Sincerely,
Kevin Spada
Saint Paul, Oregon
