

April 5, 2013

Good Day,

We support HB 3009 and oppose HB3114, Why would you not use common sense and allow law abiding citizens to be armed so that they could be a force to stop violence. Police can not and are not always present. HB 3009 may just save one of your lives.

Yes on HB 3009

NO on HB 3114

Derald and Wilma Boyd
