

Good morning: To whom it may concern.

My name is Ivan Orozco I live in forestgrove Or. Im a memer of the Orozco family whom operates an indoor arena in Cornelius Or.(The O's Stables & Arena) and Full supporter of the Charrerria sport. I, my immediate and Charra family are against bill senate 835.

I'm a father of 5 and brother of 6. We are a big family and we all(including mom/dad) are involve in the equestrian sport(Charreada) our young members(sons,daughters,nieces, nephews and friends) of the sports is our future of our fast growing beautiful, cultural, and traditional sport. In the two years that we have been involved in the Charrerria I have seen more and more kids getting involved in the sport, kids and teenagers that might have gone different routs if it wouldn't be for our sport. It keeps them away from tv watching violent game or movies or roaming the streets. I have also notice that we Charros/Charrerria generate a significant amount of income in our communities in many ways since equestrian sports and facilities are expensive to keep.

Please I ask you to take in consideration that if SB835 passes, it will affect our sport, ranchers and horse industry dramatically even dough horse tripping is not necessary. We have the same right to Charrear/rodeo as any soccer, football, basketball players, and other sports do.

Thank u

Sinceraly

Ivan Orozco
