Beth,

I oppose Senate Bill 835; For several reason's -

(1) Banning a single event can destroy the integrity of the overall Rodeo.

(2) Small towns in South Eastern Oregon rely on every Dollar it can generate for there Communities. (Economy)

(3) Lastly Every event is apart of the Custom and Culture of The Populations Of Native Americans and Hispanic People in our Area along with those born and raised here.

Thank You.

Dan
