Dear Oregon House Committee on Transportation and Economic Development
(Committee Administrator),

I just signed Friends of French Prairie's petition "[Oregon House of Representatives: Stop House Bill 2696](#)" on Change.org.

Here's why I signed:

I agree with the others that this is not needed. You are creating an "Emergency Law" to make a road when so many roads and bridges we currently have are in such need for repair. This sounds more like my brother in law needs a contract so I'll help out by creating a useless law to help my bro out... Plus adding a "FOR PROFIT" Toll Road??? Really?

Sincerely,
Ron Burke
Newberg, Oregon
