Dear Oregon House Committee on Transportation and Economic Development  
(Committee Administrator),

I just signed Friends of French Prairie's petition "[Oregon House of Representatives: Stop House Bill 2696](#)" on Change.org.

Here's why I signed:

I am currently working in the beautiful agrarian State of Oregon and hope to eventually make Yamhill County my home. I am deeply opposed to this project and its impact on farming, eco and wine tourism. The reason behind land use planning is to preserve Oregon's unique quality of life and economic vitality that stems from it. As a resident of a State that has allowed private interests to dictate development and the faced the negative consequences of those short sighted decision I urge you not to support this project - focus on the bypass as a public solution to the 99 corridor and preserve the agrarian nature of the Valley.

Sincerely,  
Leslie Moguil  
Lehigh Acres, Florida
