Senate Judiciary Committee
State of Oregon

Dear Committee Members,

We are writing you to communicate our support of four bills before your committee. We believe these four bills, SB 347, SB 700, SB 699, and SB 796 will help move our state toward reducing gun violence. Our hope is that eventually there will be a ban on military-style rifles and high capacity magazines.

Please accept this letter as our written testimony in support of these four bills.
Thank you.

Sincerely,
David and Sylvia Keller
