RE: HB 3112

Dear Chair Tomei and Members of the House Human Services and Housing Committee:

We do not believe that this bill will have ramifications beyond resolving an affordable housing issue for the City of Portland and Multnomah County. Consequently, the Association of Oregon Counties does not have any concerns regarding HB 3112.

Please let me know if you have any further questions regarding HB 3112.

Sincerely,

Ann Hanus
Policy Manager
