

**IBEW**

**Local # 932**

The International Brotherhood of Electrical Workers Local #932 represents electricians who live and work throughout the central and southern coast areas of Oregon – From the California border to Lincoln City.

# Support for HB 3464 and the Coos Bay Channel Project

The members of IBEW Local 932 urge the Oregon Legislature to Pass House Bill 3464 in support of the Coos Bay Channel Project.

This project is vital to the long-term economic future of the Coos Bay area and the entire central and south coast. A vibrant and active harbor results in significant economic activity in the region – and will help keep our membership working, paying taxes and contributing to the community.

**We urge passage of the measure.**
