

Mr. Brennan,

I was in Salem today to testify for SB833, but was not chosen to do so. This is my testimony.

I am Peter Parks of 5728 N. Wilbur Ave, Portland 97217. I am the chair of the Immigrant Rights Committee of Jobs with Justice. I am a retired Longshoreman from Local 8 in Portland.

Yesterday the ILWU retirees (Columbia River Pensioners) discussed SB833 in their monthly meeting, and passed the following resolution which calls for a full restoration of the 2007 drivers licenses:

## **Drivers Licenses For All**

April 10, 2013

Submitted by The Columbia River Pensioners

**Whereas** all Oregon workers need to be able to have valid drivers licenses to get to work, drive to the store or to church, and

**Whereas** all Oregon drivers need to drive without fear of being treated differently if they show a license that might lead a police officer to believe they are undocumented, and

**Whereas** it is not the job of the police to determine a person's right to be in Oregon if there is no serious crime involved,

**Be it therefore resolved:** that the Columbia River Pensioners are in favor of the State of Oregon issuing the same drivers license for all.
