TO THE SEN. ENVIRONMENT
& NAT. RESOURCES COMMITTEE

- SEN. DINGFELDER & MEMBERS

THIS IS REGARDING BILL # 838'S DISCUSSION

TODAY. I AM A LIFELONG RIVER RUNNER

AND IN MY TRAVELS HAVE COME UPON THE

GOLD DREDGERS IN ACTION. THEY SUCK UP

TONS OF ROCK AND GRAVEL AND SPEW IT BACK IN

A LARGE WAY. DOWN IN CALIF. ON THE AMERICAN

RIVER NEAR ALBURN THEY HIDE TILL NIGHT

BECAUSE OF THE MASSIVE SIZE OF THEIR EQPT.

350 C.I. V-8 CAR MOTORS ON FLOATS WITH

DIVERS WITH AIR FED HELMETS RUNNING THE HOSES.

THIS IS NOT A HOBBY SIZE TOY & THAT IS WHY

CALIF. STOPPED THEM.

PLEASE DO NOT LET THIS TYPE OF MINING

RUIN OUR RIVERS. THANK YOU

Mark Roddy
