

Here is the language from the contract--it does say a court has to find the section unlawful.

"Should any section or portion thereof of this Contract be held unlawful and unenforceable by any court of

competent jurisdiction or upon mutual agreement of the parties, such decision shall apply only to the specific section

or portion thereof, directly specified in the decisions; upon the issuance of such a decision, the parties agree

immediately to negotiate a substitute, if possible, for the invalidated section or portion thereof."

For obvious reasons since I am involved in our current negotiations, please do not use my name or any of the information I shared today in your hearing tomorrow. Thanks much.
