**Subject:** Opposition to SB 713  
**Date:** Tuesday, April 16, 2013 3:22:58 PM  
**Importance:** High

---

I live in the rural area of NW Portland and value all the farmland in the state of Oregon. The threats to farmland have been an on-going concern to me. No EFU zoned farmland in Oregon should be subject to development outside of the farming industry.

Please do not expand the Exclusive Farm Use zone to include firearms training centers.
