**Subject:** Supporting SB 387

Dear Tyler Larson,

I'm emailing you in support for the Oregon Legislature Bill: SB 387. As a Licensed Massage Therapist in the state of Oregon, I feel that it is of utmost importance that SB 387 is passed in the House of Representatives and is signed into law in order to help regulate massage facilities and crack down on human trafficking.  
I appreciate your work on this issue.

Sincerely,

Jon McLaughlin, LMT  
OR Lic. # 17953
