Dear Mr. Larson,  
I have been an LMT since 1977 and licensed in Oregon since 1990. Ours is a valuable therapeutic profession that benefits hundreds of thousands of people every year. We and the public deserve protection that SB387 would give from the fraudulent use of the massage profession for illegal trafficking. Please bring passage of this bill through the Senate.  
Thank you  
Judith Sanford LMT CST. #3306
