

La Unión de Asociaciones de Charros de Oregon y las personas que a continuación firman este documento, nos oponemos a la Propuesta de Ley SB835 porque amenaza con prohibir la práctica razonable de la Charrería en el estado de Oregon. Por ese motivo solicitamos que dicha propuesta se modifique especificando que es permitido lazar las patas al ganado equino sin derribarlo.

The Union of Association of Charros of Oregon and the people signing this document, oppose to Proposition SB835 because it threatens to prohibit reasonable Charrería practices in the state of Oregon. For this reason, we solicit that the proposition be modified by allowing the "roping of the horses legs" while specifying that the act of tripping of horses is illegal.

La Unión de Asociaciones de Charros de Oregon y las personas que a continuación firman este documento, nos oponemos a la Propuesta de Ley SB835 porque amenaza con prohibir la práctica razonable de la Charrería en el estado de Oregon. Por ese motivo solicitamos que dicha propuesta se modifique especificando que es permitido lazar las patas al ganado equino sin derribarlo.

The Union of Association of Charros of Oregon and the people signing this document, oppose to Proposition SB835 because it threatens to prohibit reasonable Charrería practices in the state of Oregon. For this reason, we solicit that the proposition be modified by allowing the "roping of the horses legs" while specifying that the act of tripping of horses is illegal.

Amazonas Del Noag

La Unión de Asociaciones de Charros de Oregon y las personas que a continuación firman este documento, nos oponemos a la Propuesta de Ley SB835 porque amenaza con prohibir la práctica razonable de la Charrería en el estado de Oregon. Por ese motivo solicitamos que dicha propuesta se modifique especificando que es permitido lazar las patas al ganado equino sin derribarlo.

The Union of Association of Charros of Oregon and the people signing this document, oppose to Proposition SB835 because it threatens to prohibit reasonable Charrería practices in the state of Oregon. For this reason, we solicit that the proposition be modified by allowing the "roping of the horses legs" while specifying that the act of tripping of horses is illegal.

Arturo Contreras

La Unión de Asociaciones de Charros de Oregon y las personas que a continuación firman este documento, nos oponemos a la Propuesta de Ley SB835 porque amenaza con prohibir la práctica razonable de la Charrería en el estado de Oregon. Por ese motivo solicitamos que dicha propuesta se modifique especificando que es permitido lazar las patas al ganado equino sin derribarlo.

The Union of Association of Charros of Oregon and the people signing this document, oppose to Proposition SB835 because it threatens to prohibit reasonable Charrería practices in the state of Oregon. For this reason, we solicit that the proposition be modified by allowing the "roping of the horses legs" while specifying that the act of tripping of horses is illegal.
